CITY COUNCIL AGENDA ITEM

Date: August 15, 2017

To: Brian Kischnick, City Manager

From: MaryBeth Murz, Purchasing Manager
Kurt Bovensiep, Public Works Director
Tom Darling, Director of Financial Services

Subject: Budget Amendment and Standard Purchasing Resolution 2 - Low Bidder meeting
Specifications and Standard Purchasing Resolution 4 – Cooperative Purchasing Contract –
Roof replacement for the 52-4 District Court

History

- In 1996, when the Community Center was converted to the Oakland County 52-4 District Court, the original roof at 520 West Big Beaver was refurbished using a built-up roof system with a life expectancy of 15 years.
- The City of Troy and Oakland County have a lease agreement with an annual fee of \$157,604.00 paid by Oakland County for building/capital maintenance, custodial services, site work and insurance. Per the lease agreement, the City of Troy will maintain and keep in good repair the roof, ceilings, etc.
- A portion of the lease payment is specifically for capital improvements such as the roof replacement, which the county has been paying since the beginning of the lease.
- The county has requested to unilaterally exercise its 5 year extension for the lease of the property, and two additional 5 year terms, which is addressed in a subsequent memo.
- Over the past few years, the leaks reported by the 52-4 District Court have increased and the existing roof has exhibited multiple leaks in multiple locations.
- In October of 2015, an infrared roof scan and assessment was completed by The Garland Company. There were multiple concerns including: flashing deterioration, field membrane splits, blisters, and seam failures and roof replacement was recommended.
- Since then, several large repairs have been made in an attempt to correct the challenges, however the existing roof continues to deteriorate.
- Funds were allocated in the current budget for District Court Roof Replacement in the amount of \$420,000.00.
- With assistance from The Garland Company, a scope of work was developed to correct both material failure concerns as well as design issues with the existing roof. District Court Roof Sections A, B, C, D, and F will include a full replacement and Section E will be a repair only due to the complicated HVAC duct work. Replacement of Section C (Courtrooms) and Section D (Judges Chambers) will be completed during alternate hours to avoid disruption to Court proceedings.
- A 30-year materials and labor warranty is included.
- Project completion shall be no later than November 15, 2017.
