Subject: Standard Purchasing Resolution 2 & Standard Purchasing Resolution 4 NJPA/NIPA
Purchasing Cooperatives - Office Renovation – Department of Public Works Building

History

- The Department of Public Works facility was built in 1972 and has had one major renovation since then in 2001.
- An update to the Department of Public Works facility has been a highly anticipated project for the past few years.
- In 2015, staff worked with John Tagle Associates, Inc. to create a renovation plan.
- With changing dynamics of the services offered at the DPW, the renovation plan includes front office re-configuration to provide a more collaborative work environment, improvement to the customer service desk, a walk-up receiving window on the north side of the building, and the ability to accommodate staff from the Facilities and Grounds division.
- In addition to renovations for the building, staff worked with Interior Environments to provide a quote for new furnishings for the expanded office areas, Facilities and Grounds staff, and replacement of current furnishings/carpet.
- Because furnishings can be purchased through a cooperative, those items were not included as part of the renovation bid.
- The renovations are anticipated to begin in late January 2018 with an expected completion of March 2018.

Purchasing

On January 4, 2018, a bid opening was conducted as required by City Charter and Code to furnish all equipment, material and labor for the office renovation at the Department of Public Works facility. The bid was posted on the Michigan Inter-governmental Trade Network (MITN) website; www.mitn.info. Six (6) bid responses were received. Below is a detailed summary of potential vendors:

Companies notified via MITN	1862
Troy Companies notified via MITN	29
Troy Companies - Active email Notification	26
Troy Companies - Active Free	3
Companies that viewed the bid	153
Troy Companies that viewed the bid	4

MITN provides a resourceful online platform to streamline the procurement process, reduce costs, and make it easier and more transparent for vendors to do business with the City of Troy.

Active MITN members with a current membership and paying annual dues receive automatic electronic notification which allows instant access to Bids, RFPS and Quote opportunities with the City.

Active MITN non-paying members are responsible to monitor and check the MITN website for opportunities to do business with the City.

Inactive MITN member status can occur when a company does not renew their account upon expiration. Inactive members cannot be notified of solicitations or access any bid information.

We waive any right of recovery we may have against any person or organization because of payments we make for injury or damage arising out of your ongoing operations or "your work" included in the "products-completed operations hazard" when you have assumed liability for such injury or damage under an "insured contract".

13. Voluntary Property Damage

a. Exclusion k.(4) does not apply to personal property of others in your care, custody or control on which you are performing operations, provided that the "occurrence" takes place away from property you own, rent or occupy.

b. Exclusions k.(5) and k.(6) do not apply to the first \$5,000 of "property damage" for each "occurrence" provided that the "occurrence" takes place away from property you own, rent or occupy.

c. We will pay at the request of the named insured, for loss or damage to the property of others covered in the above extension subject to a limit of \$5,000 for each "occurrence" and a \$250 deductible for each claim. If we so request, the named insured shall replace the damaged property or furnish the labor and materials necessary for repairs at actual cost to the insured, excluding profit or overhead charges.

d. The Limit of Liability stated in the Declarations for Liability and Medical Payments DOES NOT APPLY to the Voluntary Property Damage coverage provided in this provision 13.

e. The Limit of Liability applicable to this Voluntary Property Damage provision 13. is as follows:

Limit of Liability:

\$5,000 Each "Occurrence"

\$10,000 Aggregate

"Aggregate limit", as used in this provision 13., refers to the total limit of liability for any annual policy period, regardless of the number of "occurrences", insureds, claims made, or "suits" brought during that annual policy period.

14. Water Damage Legal Liability

a. We will pay those sums that the insured becomes legally obligated to pay as damages because of "property damage" arising out of water damage to premises that are both rented to and occupied by you. The most we will pay for all "property damage" arising out of any one "occurrence" is \$50,000.

PROPERTY SECTION

Building and Personal Property Coverage Form

Causes of Loss – Special Form

Business Income (and Extra Expense) Coverage Form

Deductible Provisions

Except as provided below, loss or damage payable under this section is subject to the property deductible provisions applying to covered property to which this endorsement applies.

A maximum deductible of \$250 applies to Personal Property Off Premises.

No deductible applies to the following: Accounts Receivable, Arson Reward, Business Income/Extra Expense, Fire Department Service Charge, Fire Extinguisher Recharge Expense or Lock Replacement.

Accounts Receivable

We will pay the amounts due from your customers that you are unable to collect resulting from direct physical loss or damage by any Covered Cause of Loss to your records of Accounts Receivable at the described premises. This includes:

- A. Interest charges on any loan required to offset amounts you are unable to collect;
- B. Collection expenses in excess of your normal collection expenses made necessary by the loss or damage; and
- C. Other reasonable expenses that you incur to reestablish your records of Accounts Receivable.

The most we will pay under this coverage is \$35,000 in any one occurrence of loss.

Arson and Theft Reward

We will pay a reward of \$30,000 in total:

- A. For information which leads to an arson conviction in connection with a fire loss sustained at the described premises; or
- B. For information which leads to a theft conviction in connection with a theft loss sustained at the described premises.

In the event that a theft loss and an arson loss result from the same event, the most we will pay for that event is \$30,000.

Back Up of Sewers or Drains

We will pay for direct loss or damage to covered property at the described premises caused directly or indirectly by water that backs up through a sewer or drain or overflows from a sump pump system.

The most we will pay for loss or damage under this coverage provision is \$25,000 in any one occurrence of loss.

Building Glass Coverage for Tenants

Under Covered Property, a limit of \$10,000 is provided to cover building glass for which the insured, as a tenant, is responsible.

Business Income from Dependent Properties

A. In the Business Income (and Extra Expense) Coverage Form, Coverage, with respect to "dependent property", is replaced by the following:

Coverage

We will pay for the actual loss of Business Income you sustain due to the necessary "suspension" of your "operations" during the "period of restoration". The "suspension" must be caused by direct physical loss of or damage to "dependent property" caused by or resulting from a Covered Cause of Loss. However, coverage does not apply when the only loss to "dependent property" is loss or damage to electronic data, including destruction or corruption of electronic data. If the "dependent property" sustains loss or damage to electronic data and other property, coverage under this endorsement will not continue once the other property is repaired, rebuilt or replaced. The term electronic data has the meaning set forth in the Business Income (and Extra Expense) Coverage Form.

B. The provisions of the Business Income (and Extra Expense) Coverage Form respecting direct physical loss or damage at the described premises will apply separately to each "dependent property". The Limit of Insurance is separate from any Business Income Limit of Insurance in this policy applicable when direct physical loss or damage occurs at your premises.

C. With respect to "dependent property", the following replaces the Resumption Of Operations Provision in the Loss Determination Loss Condition:

Resumption of Operations

We will reduce the amount of your:

1. Business Income loss, other than Extra Expense, to the extent you can resume "operations", in whole or in part, by using any other available:
 - a. Source of materials; or
 - b. Outlet for your products.
2. Extra Expense loss to the extent you can return "operations" to normal and discontinue such Extra Expense.

D. 1. The following is added to the Definitions Section:

"Dependent Property" means property operated by others whom you depend on to:

a. Deliver materials or services to you, or to others for your account (Contributing Locations). But any property which delivers any of the following services is not a Contributing Location with respect to such services:

- (1) Water supply services;
- (2) Power supply services; or
- (3) Communication supply services, including services relating to internet access or access to any electronic network;

b. Accept your products or services (Recipient Locations);

c. Manufacture products for delivery to your customers under contract of sale (Manufacturing Locations); or

d. Attract customers to your business (Leader Locations).

2. The Period of Restoration Definition, with respect to "dependent property", is replaced by the following:

"Period of restoration" means the period of time that:

- a. Begins immediately after the time of direct physical loss or damage caused by or resulting from any Covered Cause of Loss at the premises of the "dependent property"; and
- b. Ends on the date when the property at the premises of the "dependent property" should be repaired, rebuilt or replaced with reasonable speed and similar quality.

"Period of restoration" does not include any increased period required due to the enforcement of any ordinance or law that:

- a. Regulates the construction, use or repair, or requires the tearing down of any property; or

- b. Requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of "pollutants".

The expiration date of this policy will not cut short the "period of restoration".

E. Limit of Insurance

The most we will pay for loss in any one occurrence is \$50,000.

Changes in or Extremes of Temperature or Humidity

Exclusion B.2.d.(7)(b) in Causes of Loss – Special Form does not apply. - A. **Coverage for Loss to the Undamaged Portion of the Building** – If a Covered Cause of Loss occurs to a covered Building at a described location, we will pay for loss to the undamaged portion of the building caused by enforcement of any ordinance or law that requires the demolition of the undamaged portion. The ordinance must be in force at the time of loss. This is not additional insurance, but included within the covered Building limit of insurance shown in the Declarations.
- B. **Demolition Cost Coverage** – If a Covered Cause of Loss occurs to a covered Building at a described location, we will pay the cost to demolish and clear the site of undamaged parts of the property caused by enforcement of any building, zoning or land use ordinance or law. The most we will pay for Demolition Costs shall not exceed \$15,000.

- C. **Increased Cost of Construction Coverage** – If a Covered Cause of Loss occurs to a covered Building at a described location, we will pay for the increased cost to repair, rebuild or construct the property caused by enforcement of building, zoning or land use ordinances or laws.

This coverage applies only if the restored or remodeled property is intended for similar occupancy as the current property, unless such occupancy is not permitted by zoning or land use ordinance or law.

The Coinsurance Additional Condition does not apply to Increased Cost of Construction Coverage.

We will not pay for any increased cost of construction if the building is not repaired or replaced.

The most we will pay for Increased Cost of Construction Coverage is the lesser of:

1. The actual increased cost of construction; or
2. Not more than 25% of the limit of insurance applying to the covered Building.

We will not pay for:

1. Enforcement of any ordinance or law which requires the demolition, repair, replacement, reconstruction, remodeling or remediation of property due to contamination by "pollutants" or due to the presence, growth, proliferation, spread or any activity of "fungus", wet or dry rot or bacteria; or
2. The costs associated with the enforcement of any ordinance or law which requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify, or neutralize, or in any way respond to, or assess the effects of "pollutants", "fungus", wet or dry rot or bacteria.

- (2) We cover personal property of others in your care, custody or control, except tools belonging to your employees.

The most we will pay for loss or damage under this extension is \$10,000 at each described premises.

2. No deductible applies to glass damage if the glass is repaired rather than replaced.

Loan/Lease Gap Coverage

Section III – Physical Damage Coverage is amended by the addition of the following:

E. Loan/Lease Gap Coverage

We will pay in the event of a total "loss" to a covered "auto" of the private passenger or light truck type (10,000 lbs. or less gross vehicle weight) your legal obligation for any difference between the actual cash value of the covered "auto" at the time of the "loss" and the "outstanding balance" of the loan or lease agreement used solely to purchase the covered "auto".

If this coverage applies to a leased vehicle, the following also applies:

This coverage shall apply only to the original lease written on a covered "auto" not previously titled.

As used in this endorsement, "outstanding balance" means the amount you owe on the loan or lease agreement at the time of the "loss" less any amounts for:

1. Taxes;
2. Overdue payments;
3. Penalties;
4. Interest or finance charges;
5. Additional mileage charges;
6. Nonrefundable security deposits;
7. Excess wear and tear charges; or
8. Termination fees.

This coverage will be excess over any other sources of recovery.

SECTION IV – BUSINESS AUTO CONDITIONS

Duties in the Event of Accident, Claim, Suit or Loss

Paragraph A.2.a. is amended by the following:

- a. This duty applies only when the "accident" or "loss" is known to:
 - (1) You, if you are an individual;
 - (2) A partner, if you are a partnership;
 - (3) A member or manager, if you are a limited liability company; or
 - (4) An executive officer or insurance manager, if you are a corporation.

Waiver of Subrogation

Paragraph A.5. Transfer of Rights of Recovery Against Others to Us is amended by the following:

We waive any right of recovery we may have against any person or organization with whom you have a written contract that requires such a waiver because of payments we make for damages under this Coverage Form.

Autos Rented By Employees

Paragraph B.5.b. is amended by the addition of the following:

Any "auto" hired or rented by your "employee" on your behalf and at your direction will be considered an "auto" you hire.

Adding the following amends the Other Insurance Condition:

If an "employee's" personal insurance also applies on an excess basis to a covered "auto" hired or rented by your "employee" on your behalf and at your direction, this insurance will be primary to the "employee's" personal insurance.

Hired Auto Physical Damage Coverage

If hired "autos" are covered "autos" for Liability Coverage and if Comprehensive, Specified Causes of Loss, or Collision coverages are provided under this Coverage Form for any "auto" you own, then the Physical Damage coverages provided are extended to "autos" you hire or borrow, subject to the following limit.

The most we will pay for "loss" to any hired "auto" is:

- A. The actual cash value of the damaged or stolen property at the time of the "loss"; or
- B. The cost of repairing or replacing the damaged or stolen property;

whichever is the smallest, minus a deductible. The deductible will be equal to the largest deductible applicable to any owned "auto" for that coverage. No deductible applies to "loss" caused by fire or lightning. Hired Auto Physical Damage coverage is excess over any other collectible insurance. Subject to the above limit, deductible and excess provisions, we will provide coverage equal to the broadest coverage applicable to any covered "auto" you own.

We will also cover loss of use of the hired "auto" if it results from an "accident" you are legally liable for and the lessor incurs an actual financial loss, subject to a maximum of \$1,000 per "accident".

This extension of coverage does not apply to any "auto" you hire from any of your "employees", partners (if you are a partnership), members (if you are a limited liability company), or members of their households.

Rental Reimbursement Coverage

We will pay for rental reimbursement expenses incurred by you for the rental of an "auto" because of a covered "loss" to a covered "auto" of private passenger or light truck type (10,000 lbs. or less gross vehicle weight). Payment applies in addition to the otherwise applicable amount of each coverage you have on the covered "auto". No deductibles apply to this coverage.

We will pay only for those expenses incurred during the policy period beginning 24 hours after the "loss" and ending with the lesser of the following number of days, regardless of the policy's expiration:

- A. The number of days reasonably required to repair or replace the covered "auto". If "loss" is caused by theft, this number of days is added to the number of days it takes to locate the covered "auto" and return it to you.
- B. 30 days.

Our payment is limited to the lesser of the following amounts:

- A. Necessary and actual expenses incurred; or
- B. \$50 per day with a maximum limit of \$1,500.

This coverage does not apply while there are spare or reserve "autos" available to you for your operations.

If "loss" results from the total theft of a covered "auto" of the private passenger or light truck type (10,000 lbs. or less gross vehicle weight), we will pay under this coverage only the amount of your rental reimbursement expenses which is not already provided for under Physical Damage – Transportation Expense.
