Subject: Standard Purchasing Resolution 8: Best Value Award - Sale of Real Estate – Southeast Corner of South Boulevard and Adams Road, Section 6, Old Stone School, Sidwell #88-20-06-101-001 and Request to Amend an Agreement By and Between Finn and Mary Bergishagen and the City of Troy

History

The City of Troy received a request to purchase the Old Stone School located in Section 6 at the corner of Adams Road and South Boulevard. The property is located in a historic district under Chapter 13 of the City Code of Ordinances.

Built in 1857, the stone school, operated as a school for 75 years. The property currently has three structures; the school building, a well and outhouse. In the early 1930's the property came into private hands and converted to a residence. The interior was divided into 3 rooms (living, dining, and kitchen). An addition was added to the back for bedrooms, a mud/laundry room and bathroom. Later a garage and adjoining apartment/carriage house were built. These later structures were demolished because of their uninhabitable condition and they did not meet City building codes. The additions were not historic in nature and did not contribute to the historic significance of the Old Stone School.

The School sits on a parcel roughly .49 acres in size (105' x 204'). The property is zoned R-1A, One Family Residential. The south end of the property shares a pond and wetlands with the abutting property. The property has access to City water but no sanitary sewer.

In 2008 the property was donated to the City of Troy by the family of the last owner with the hope of conserving the historic nature of the property. The property came with the condition that it be used for public use. Staff have since met with the original donors of the property and received an amended agreement signed by the donors that the property now be used for "any lawful purpose". City Council is asked to agree to this change as well. (Agreement attached)

Since 2008 the property has sat idle. Periodically, the City has received inquiries to purchase the property but serious offers dwindled away when prospective purchasers were notified of the historic nature and preservation and restoration requirements of the property.

Staff reviewed the merits of retaining ownership and the significant financial commitment necessary to restore this piece of history. The Facilities Condition Assessment report commissioned by the City estimated a cost of \$330,000 to repair and renovate the property. This amount did not take into account the historic nature of the property. Additional costs such as ADA compliance, and bringing in a sanitary sewer (the closest sewer connection is approximately 1,900 feet on Adams and 1,200 feet on South Blvd), paved parking and adequate external lighting could escalate the costs well over \$400,000.

If the City were to commit to the work, then physical limitations such as inadequate parking for public access would have to be addressed. The lot size does not accommodate for more than a couple parking spots.

To start the property sale process Staff followed guidelines set by City Council in Resolution #2007-01-028 (attached). Staff engaged appraisal services of a Michigan Certified General Real Estate Appraiser from the firm of R.S. Thomas & Associates, Inc./Harold Blake Co.. The appraisal determined a market value of \$100,000.

At their January 10, 2019 meeting, the Parks and Recreation Advisory Committee found no use in this parcel for park purposes.

Given the unique historic nature of this property staff did not request site plans or architectural renderings as the existing historic structures must be preserved and any building materials or building quality will be established when working with the Troy Historic Commission and the State Historic Preservation office.

The one responsive bidder, The Bharatiya Temple included a letter committing themselves to the preservation of the property with the intent of showcasing it on the 200th anniversary of Oakland County which comes in 2020. (Letter attached)

The following restrictions will be made part of any warranty deed conveying ownership:

The property is located in a Historic District under Chapter 13 of the City of Troy Code of Ordinances. Any construction, alteration, movement or demolition of any building or structure or resource on the property requires approval in accordance with Chapter 13.

This property is on the list of Michigan State Historic Sites and subject to Local Historic Districts Act 169 of 1970, MCL 399.201 et seq., and subject to established rehabilitation guidelines, reviews and permitting.

Purchasing

- On February 21, 2019, a bid opening was conducted as required by City Charter and Code for the sale of the property at the Southeast Corner of South Boulevard and Adams Road, Section 6; referred to as the Old Stone School.
- (108) prospective buyers were notified of the bid opportunity on the Michigan Inter-governmental Trade Network (MITN) website; www.mitn.info.
- Additionally, staff took numerous calls and answered questions of prospective buyers.
- Notice of the property sale was published in the Troy-Somerset Gazette and a sign was erected on the property advertising the sale. All parties who made previous personal inquiries to the Engineering Department staff were contacted with sale details.
- Staff held an open house on the afternoon of Friday February 15, 2019, for anyone expressing an interest in the purchase of this property.

- Two (2) bid responses were received. Below is a detailed vendor summary:

Companies notified via MITN	646
Troy Companies notified via MITN	32
Troy Companies notified - Active email Notification	28
Troy Companies notified - Active non-paying	4
Companies that viewed the bid	31
Troy Companies that viewed the bid	3

MITN provides a resourceful online platform to streamline the procurement process, reduce costs, and make it easier and more transparent for vendors to do business with the City of Troy. **Active MITN** members with a current membership and paying annual dues receive automatic electronic notification which allows instant access to Bids, RFPS and Quote opportunities with the City. **Active MITN non-paying members** are responsible to monitor and check the MITN website for opportunities to do business with the City. **Inactive MITN member** status can occur when a company does not renew their account upon expiration. Inactive members cannot be notified of solicitations or access any bid information.

- Also note that the City reserves the right to award the bid to the highest responsible purchaser meeting specifications, or in whatever manner is deemed to be in the City's best interest; to reject the highest bid that has major deviations from the specifications, to accept a lower bid that has only minor deviations.

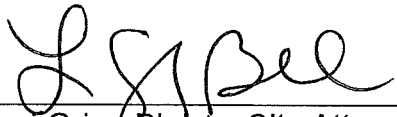

Financial

- The sole responsive bid received was from *The Bharatiya Temple of Troy, MI* for \$149,108.00.
- There were no exceptions included in the purchase of the property.
- Monies received from the sale of this property have no restrictions for use and will be returned to the General Fund.

Recommendation

City management recommends awarding the sale of the property to the sole responsive bidder; *The Bharatiya Temple of Troy, MI* for the bid amount of \$149,108.00, and authorize expenditures for title work, closing and recording costs.

Resolution #2007-01-028

Moved by Stine

Seconded by Lambert

WHEREAS, The City Council of the City of Troy endeavors to attain the highest and best land use, effective growth control measures and to enhance the health, safety and welfare of the community; and

THEREFORE, BE IT RESOLVED, That the City Council of the City of Troy **MAY DETERMINE** that the public interest will best be served without obtaining sealed bids for the sale of remnant parcels which remain after required right-of-way or excess property is taken when a purchase agreement is offered to the City of Troy by a prospective buyer which:

3. Is accompanied by a petition for rezoning, if necessary, in compliance with the Master Land Use Plan of the City of Troy as being the most appropriate land use.
4. Commits the prospective buyer to a purchase price of at least a value established by an appraiser named by the Real Estate and Development Department of the City of Troy.
5. During the site plan review, site plan is accompanied by architectural renderings of all buildings along with a description of building materials to permit evaluation by building quality.
6. Is accompanied by a draft of proposed deed restrictions prepared by the City of Troy which will be imposed upon the purchaser of the City-owned property.
7. Nothing in this resolution relieves the Purchaser/Developer of their obligation to adhere to any and all City Ordinances and development standards.

MOTION CARRIED

THE BHARATIYA TEMPLE
OF METROPOLITAN DETROIT

Troy City Council

Troy, MI

Dear Members of City Council:

Please find enclosed the auction bid from the Bharatiya Temple, for the property *ITB-COT 19 -13 Old Stone School, Parcel # 88-20-06-101-001*. We understand that it is located in a historic district and we fully appreciate the desire of City of Troy and the Troy Historic District to preserve the historic structure. We also understand that any purchase of this property will be in "as is" condition.

If our bid is selected, we are committed to preserving it and will showcase this property as well as our temple on the 200th anniversary of the Oakland County. Through these, we intend to perpetuate the heritage of all our countrymen by maintaining this property and our beautiful temple in good condition as long as we own them. Symbolically, these two structures, far apart in time by 125 years, yet in a common campus, will represent the diversity of this country that has evolved during last two centuries. With that in view, we will ensure that we work with Troy Historic District to plan appropriate repairs and renovations, so that we as well as the City of Troy both take pride for its presence and its history.

We, as temple, have always had a very special cordial relationship with the City for the past forty-four years and we feel privileged to be located in this great city. We look forward to continue and strengthen that association for centuries to come.

Sincerely,

Ravindra Khattree, PhD
