THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

**ADDITIONAL INSURED - OWNERS, LESSEES OR
CONTRACTORS - AUTOMATIC STATUS WHEN
REQUIRED IN CONSTRUCTION AGREEMENT WITH YOU -
OPERATIONS AND COMPLETED OPERATIONS**

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

A. SECTION II - WHO IS AN INSURED is amended to include as an additional insured any person or organization when you and such person or organization have agreed in writing in a contract or agreement that such person or organization be added as an additional insured on your policy, but only with respect to "bodily injury", "property damage" or "personal and advertising injury" caused, in whole or in part, by:

1. Your acts or omissions in the performance of your ongoing operations for the additional insured;
2. The acts or omissions of those acting on your behalf in the performance of your ongoing operations for the additional insured; or
3. "Your work" performed for the additional insured and included in the "products-completed operations hazard".

If not specified otherwise in the written contract or agreement, a person's or organization's status as an additional insured under this endorsement ends one year after your operations for that additional insured are completed. The written contract or agreement must be currently in effect or become effective during the term of this Coverage Part. The contract or agreement must be executed prior to the "bodily injury", "property damage" or "personal and advertising injury" to which this endorsement pertains.

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and

2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

B. With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

This insurance does not apply to:

1. "Bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of, or the failure to render, any professional architectural, engineering or surveying services, including:
 - a. The preparing, approving, or failing to prepare or approve, maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or
 - b. Supervisory, inspection, architectural or engineering activities.
2. "Bodily injury" or "property damage" arising out of "your work" for which a consolidated (wrap-up) insurance program has been provided by the prime contractor/project manager or owner of the construction project in which you are involved.
3. "Bodily injury", "property damage" or "personal and advertising injury" to any employee of you or to any obligation of the additional insured to indemnify another because of damages arising out of such injury.

4. "Bodily Injury", "property damage" or "personal and advertising injury" for which the Named Insured is afforded no coverage under this policy of insurance.

C. With respect to the insurance afforded to these additional insureds, **SECTION III - LIMITS OF INSURANCE** is amended to include:

The limits applicable to the additional insured are those specified in the written contract or agreement or in the Declarations of this Coverage Part, whichever is less. If no limits are specified in the written contract or agreement, the limits applicable to the additional insured are those specified in the Declarations of this Coverage Part. The limits of insurance are inclusive of and not in addition to the limits of insurance shown in the Declarations.

D. With respect to the insurance afforded to these additional insureds, **SECTION IV - COMMERCIAL GENERAL LIABILITY CONDITIONS, 4. Other Insurance** is amended to include:

Any coverage provided herein will be excess over any other valid and collectible insurance available to the additional insured whether primary, excess, contingent or on any other basis unless you have agreed in a written contract or written agreement executed prior to any loss that this insurance will be primary. This insurance will be noncontributory only if you have so agreed in a written contract or written agreement executed prior to any loss and this coverage is determined to be primary.
