- Bid Opening date and time Thursday, March 4, 2021, at 10:00 AM E.S.T.
- When submitting bids electronically the notary process is being waved due to covid.
- All bidders are required to examine the site to determine the amount of work to be done in accordance with the bid specifications by attending the MANDATORY Pre-bid Meeting that was scheduled for Friday, February 26, 2021 at 10:00 AM EST LOCATED AT Boulan Park as detailed. An opportunity to inspect the site was provided during the Pre-bid Meeting.
- For *ADDITIONAL INFORMATION* or specific questions concerning this project, please contact Dennis Trantham at Dennis.Trantham@troymi.gov.
- *SPECIFICATIONS*: As detailed.

Attendance at the Pre-Bid Meeting was mandatory, everyone signed in. The following Companies were represented and in attendance:

John Girardot, Nagle Paving Company
Tom Maliszewski, WCI Contractors
Marc Olds, S&J Asphalt Paving Company
Nick Cerullo, Warren Contractors & Development, Inc.
Red Hardy, Best Asphalt

Introduced: Emily Frontera, Purchasing Manager
Kristine Kallek, Associate Buyer
Joe Lagarde, Division Supervisor

Clarifications were discussed as follows:

- Kristine Kallek, Associate Buyer gave a brief overview of the Instructions to Bidders and the requirements for bid submission.
- The following questions were asked as vendors inspected the site.

QUESTION: Will RAP be allowed in the base or surface course HMA mixes? If so, at what percentage?

ANSWER: No, RAP will not be allowed in the base or surface course HMA mixes.

QUESTION: Have any pavement cores or soil borings been completed? If not, how do we quantify how much 21AA limestone to bid for this project. Should an amount be set this way contractors are bidding apples to apples? Not having pavement cores also poses another problem, for example what if the existing court is 4" thick? We have to remove the asphalt entirely to stone. We now have to add an inch of stone or HMA in order to get grades to match existing.

ANSWER: No, coring or soil samples have not been performed. The contractor shall include up to 500 tons and provide a line item pricing for additional tonnage.

QUESTION: Is the Asphalt lot connected to the tennis courts? If not, what is requested by the city for the gap between the two.

ANSWER: The tennis courts and parking lot are connected at the east and west respectively.

QUESTION: In order to fill gap between the court and asphalt lot all fencing will need to be removed. Is this possible?

ANSWER: Yes. Contractor would be responsible for reinstallation

QUESTION: Is the city asking for resurfacing of the parking lot as well?

ANSWER: Not at this time. The contractor could submit additional pricing if they desired for consideration.

QUESTION: Will the city dispose of the existing materials?

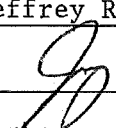

ANSWER: No, as specified in the bid it is the responsibility of the vendor to dispose of existing materials.

Please be advised that the City of Troy Purchasing Department has authorized the following ANSWERS TO QUESTIONS regarding Bid Proposal **ITB-COT 21-25, Boulan Park Tennis Court Resurfacing**. The CHANGES will be considered an integral part of the original proposal documents.

I, the undersigned bidder, have read this Addendum 1 and have integrated the clarification(s) and or change(s) into the *Bid Proposal and Specifications* for **ITB-COT 21-25, BOULAN PARK TENNIS COURTS**. All other items in the original bid proposal remain the same. This Addendum 1 should be attached to the electronic bid submission, on or before Thursday, March 4, 2021 at 10:00 AM EST in the office of the City Clerk.

Subject: Standard Purchasing Resolution 2: Award to Low Bidder Meeting Specifications –
 Boulan Park Tennis Court Resurfacing

History

- Boulan Park is a 63-acre Community Park with a wide array of recreational opportunities.
- Boulan Park is home to eight tennis courts.
- The courts at Boulan Park are enjoyed by residents young and old alike including senior programming.
- The tennis courts were last resurfaced in 2006 and are beginning to fail.
- The 2020-2024 Parks and Recreation Master Plan, Resident Survey, identified maintaining existing recreation facilities as very important.

Purchasing

- On March 4, 2021 a bid opening was conducted as required by the City Charter/Code to furnish all material, labor, and equipment to resurface the existing tennis courts at Boulan Park.
- The bid was posted on the Michigan Intergovernmental Trad Network (MITN); www.mitn.info
- 384 vendors were notified via the MITN website. Four (4) bids were received. Below is a detail summary of the vendor responses.

Companies notified via MITN	384

MITN provides a resourceful online platform to streamline the procurement process, reduce costs, and make it easier and more transparent for vendors to do business with the City of Troy.

Active MITN members with a current membership and paying annual dues receive automatic electronic notification which allows instant access to Bids, RFPS and Quote opportunities with the City.

Active MITN non-paying members are responsible to monitor and check the MITN website for opportunities to do business with the City.

Inactive MITN member status can occur when a company does not renew their account upon expiration. Inactive members cannot be notified of solicitations or access any bid information.

- Based on the bid responses and as per the attached bid tabulation; it is in the best interest to award the bid to the *low responsive* bidder meeting all specifications which also includes a 2-year warranty. The award is contingent upon the contractor's submission of proper insurance certificates, and all other specified requirements.
