Subject: **Standard Purchasing Resolution 2: Award to Low Bidder Meeting Specifications – Mowing Landscape Services**

History

- The City of Troy maintains 569.56 acres of turf that requires a regular mowing schedule. These locations include Parks, Cemeteries, Detention/Retention Ponds, Fire Stations, City owned vacant property, and other Municipal Facilities.
- The locations are divided into different proposals based on mowing frequency.
- The scope of work includes all labor, tools, equipment, chemicals, transportation, and landscape maintenance services including mowing for municipal grounds.
- Note that this mowing contract *excludes* the DDA and the Civic Center Campus, which is held by a separate contractor.
- The current contract expired December 31, 2021.

Purchasing

On March 3, 2022 a bid opening was conducted as required by City Charter and Code for Mowing Landscape Services. The bid was posted on the Michigan Inter-governmental Trade Network (MITN) website; www.bidnetdirect.com/city-of-troy-mi. Three hundred and twenty (320) vendors were notified via the MITN website. Six (6) bid responses were received. Below is a detailed summary of potential vendors for the bid opportunity:

Companies notified via MITN	320
Troy Companies notified via MITN	5
Troy Companies notified - Active email Notification	4
Troy Companies notified - Active non-paying	1
Companies that viewed the bid	27
Troy Companies that viewed the bid	0

MITN provides a resourceful online platform to streamline the procurement process, reduce costs, and make it easier and more transparent for vendors to do business with the City of Troy.

Active MITN members with a current membership and paying annual dues receive automatic electronic notification which allows instant access to Bids, RFPS and Quote opportunities with the City.

Active MITN non-paying members are responsible to monitor and check the MITN website for opportunities to do business with the City.

Inactive MITN member status can occur when a company does not renew their account upon expiration. Inactive members cannot be notified of solicitations or access any bid information.
