Subject: Standard Purchasing Resolution 2: Award to Low Bidder Meeting Specifications – 2023A Joint and Crack Seal Program

History

- Each year major and local roads are selected for joint and crack sealing based in part on current PASER (Pavement Surface Evaluation and Rating) ratings, pavement age, number of years since joints were sealed last and number of years since the last asphalt overlay or slab replacements.
- The Streets and Drains Division is responsible for maintaining 121 miles of asphalt roads and 222 miles of concrete roads within the City. The method of sealing cracks & joints will prolong the lifespan and preserve our asphalt roads.
- The local roads selected for joint sealing are located in Sections 4, 13, 15, 16, 18 & 19. There will be no sealing done on major roads this fiscal year.
- Work is scheduled to begin this Spring (2023) and be completed by June 30, 2023.

Purchasing

- On February 23, 2023 a bid opening was conducted as required by the City Charter/Code and read aloud via Zoom.
- The bid was posted on the MITN Purchasing Group website; www.bidnetdirect.com/city-of-troy-mi.
- Five Hundred and sixty-five (565) vendors were notified via the MITN Purchasing Group website. Two (2) bids were received. The summary of the vendor responses is detailed below.

Active MITN members with a current membership and paying annual dues receive automatic electronic notification which allows instant access to Bids, RFPS and Quote opportunities with the City.

Active MITN non-paying members are responsible to monitor and check the MITN website for opportunities to do business with the City.

Inactive MITN member status can occur when a company does not renew their account upon expiration. Inactive members cannot be notified of solicitations or access any bid information.

- The bid responses were reviewed and *Scodeller Construction Inc. of Farmington Hills, MI* is the low bidder meeting bid specifications and is being recommended for the bid award.
