Subject: Standard Purchasing Resolution 2: Award to Low Bidder Meeting Specifications – Riflescopes and Mounting Rings – Troy Police Department

History

Currently, the Troy Police Department Tactical Support Team (TST) employs an element of trained snipers who have specific, precision long range rifles assigned to each member for their use in critical emergency incidents or planned high risk events. The current issue rifles and their optics (riflescopes) have been in service for approximately 13 years. Officer Robert Smith and I (Sgt. Villerot) have been to several sniper-based trainings involving long distance and moving object shooting. The current optic reticle on the assigned sniper rifles, although adequate, could be upgraded to a better, more accurate user-friendly option. In many of the trainings we have attended, the optics have been equipped with the ability to range objects via the lens reticles. Rifle optics can be equipped with milliradian (MIL-DOT) reticles (metric) or minutes-of-angle (MOA) reticles (imperial) to allow the sniper to range objects at distance and in quick measure without having to use a separate mechanism. In many of the trainings, ranging has been taught using markings within the optic reticle which further allows the sniper to accurately range objects and acquire them at distance. These optic reticles would greatly improve the TST-sniper members in the functionality and success of their job function.

After conducting research and speaking with people knowledgeable on the subject matter, it was the conclusion that the **Nightforce ATACR – 4-20x50 F1** riflescope with the **MOAR F1** reticle would best suit the needs of this request. This riflescope has received high praise for its capability and operational use. It is a *first focal plane* reticle with the ability to scale back to 4x power for close ranging and out to 20x power for longer distance target engagement. The reticle is measured in minutes-of-angle which is consistent with our current riflescope reticles, so no additional training is required for transition of measurement and can be employed rather quickly once acquired.

Purchasing

- On February 16, 2023 a bid opening was conducted as required by City Charter and Code, for the purchase of Nightforce ATACR – 4-20x50 MOAR F1 riflescopes, Nightforce X-Treme Duty Ultralite One-Piece Magmount 34mm, 1.5", O MOA riflescope mounts, and Nightforce X-Treme Duty 34mm Top Half Rings with level.

CITY COUNCIL AGENDA ITEM

Purchasing (continued)

- The bid was posted on Bidnet Direct/MITN website; www.bidnetdirect.com/mitn/city-of-troy-mi.
- Forty (40) vendors were notified via the Bidnet Direct/MITN website. Five (5) bid responses were received. Below is a detailed summary of potential vendors for the bid opportunity:

Companies notified via MITN	40
Troy Companies notified via MITN	2
Troy Companies notified Active email Notification	2
Troy Companies - Active Free	0
Companies that viewed the bid	19
Troy Companies that viewed the bid	0

MITN provides a resourceful online platform to streamline the procurement process, reduce costs, and make it easier and more transparent for vendors to do business with the City of Troy. **Active MITN** members with a current membership and paying annual dues receive automatic electronic notification which allows instant access to Bids, RFPS and Quote opportunities with the City. **Active MITN non-paying members** are responsible to monitor and check the MITN website for opportunities to do business with the City. **Inactive MITN member** status can occur when a company does not renew their account upon expiration. Inactive members cannot be notified of solicitations or access any bid information.

- After review of the bid proposals, the two lowest bidders *H.L. Davis, Inc.* and *Clyde Armory Inc* have extended lead times and are unable to provide product for approximately 6-8 months which is outside of the 2023 fiscal year and would not benefit the Troy Police Tactical Support Team for an extended amount of time.
- *Mile High Shooting Accessories LLC*, the third lowest bidder, is able to fulfill the product order within 30 days, which is within the 2023 fiscal year and provides the Tactical Support Team the product within a much shorter time frame. Therefore, *Mile High Shooting Accessories LLC of Frederick, Colorado* is the low bidder meeting the specifications for the purchase of the Nightforce riflescopes and mounting rings and is being recommended for award.

Financial

Funds are budgeted and available in the Police Department Forfeiture Fund under Project Number 2023C0118 for the 2023 fiscal year. Expenditures will be charged to account number 265.321.7740.046.

Recommendation

City Management recommends awarding a contract for the purchase of riflescopes and accessories to the low bidder meeting specifications; *Mile High Shooting Accessories LLC of Frederick, CO* for an estimated cost of \$12,500, at unit prices contained in the bid tabulation opened February 16, 2023; not to exceed budgetary limitations.

**CERTIFICATION REGARDING
DEBARMENT, SUSPENSION, AND OTHER RESPONSIBILITY MATTERS**

The prospective participant certifies, to the best of its knowledge and belief, that it and its principals:

1. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in transactions under any non-procurement programs by any federal, state or local agency.
2. Have not, within the three-year period preceding, had one or more public transactions (federal, state, or local) terminated for cause or default; and
3. Are not presently indicted or otherwise criminally or civilly charged by a government entity (federal, state, or local) and have not, within the three-year period preceding the proposal, been convicted of or had a civil judgment rendered against it:
 - a. For the commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public transaction (federal, state, or local), or a procurement contract under such a public transaction;
 - b. For the violation of federal, or state antitrust statutes, including those proscribing price fixing between competitors, the allocation of customers between competitors, or bid rigging; or
 - c. For the commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property.

I understand that a false statement on this certification may be grounds for the rejection of this proposal or the termination of the award. In addition, the general grant of this authority exists within the City's Charter, Chapter 12, Section 12.2- Contracts.

I am able to certify to the above statements.

NIGHTFORCE

Limited Lifetime Warranty

We are proud to back up Nightforce ATACR™, B.E.A.S.T.™, Benchrest, Competition™, RYS™ and SHY™ riflescopes with a transferable Limited Lifetime Warranty which covers mechanical defects in materials and workmanship in the optical and mechanical components of the riflescope. In the event of a defect in materials or workmanship that is covered by this warranty, we will either repair the riflescope or replace it at no charge, with a comparable product at our discretion.

Exclusions to this warranty include intentional or accidental damage, abuse, misuse, unauthorized modifications or repairs, and improper mounting. This warranty does not cover any consequential or incidental damages resulting from the inability to use the riflescope. Any serial number obliteration or alteration on the product will void the warranty. SHY™ models maintain waterproof integrity with their protective caps installed.

To ensure warranty coverage, please register online or fill out completely and mail in the provided warranty card found in the back of the owner's manual, along with a copy of the sales receipt. The warranty begins on the date the product was purchased by the original owner. The optical and mechanical components are covered without time limitations. The riflescope's electronic components are covered for a period of three years.

This warranty gives you specific legal rights, and you may also have other rights which vary from state to state. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may

not apply to you. Some states do not allow limitations on how long an implied warranty lasts, so the above limitations may not apply to you.

Before sending a riflescope in for service, please call Nightforce Optics, Inc. at the number below, to determine if the problem can be resolved without sending us the product. All returns must be accompanied by a Return Merchandise Authorization (RMA) number. Failure to do so can result in lost merchandise and/or severely delayed service time.

- Remove any mounting rings or accessories other than dust covers and the original sunshade.
- Record and keep on hand the serial number.
- Include with the riflescope a detailed description of the defect(s), the RMA number, your name, phone number and the address you wish the riflescope returned to.
- Place the boxed or protectively wrapped riflescope in a well-padded outer box insured for replacement value and send it shipping prepaid, to the appropriate address below. **Write the RMA number on the outside of the package.**
