For the current year, the latest month index value is used. The successful bidder must designate what portion of the contract (labor or materials) is causing the request for the increase.

Subject: Standard Purchasing Resolution 2: Award to Low Bidder Meeting Specifications – Sidewalk Replacement and Installation Program, and Manhole Rehabilitation

History

- There are over 520 miles of sidewalk in the City of Troy.
- The Streets Division is responsible for the inspection and repair of all sidewalks and driveway approaches, ensuring defects are corrected to provide a safe pedestrian walkway.
- Under Chapter 34.10, residents are responsible for the maintenance and repair of sidewalks abutting their property.
- After an inspection of sidewalks, the Streets Division notifies property owners of any defects and provides an opportunity for residents to either complete the repair themselves or to participate in Troy's sidewalk program.
- Under this program, the City manages the repairs and then invoices the residents for the work.
- It is usually least expensive for residents to participate in the program and allow the City to manage the work because there is a discount for larger volumes of sidewalk repair work.
- The City solicits bids for a contractor to perform sidewalk repairs. The current contract expires on June 30, 2024.

Purchasing

- On May 23, 2024, a bid opening was conducted as required by the City Charter/Code for the Sidewalk Replacement and Installation Program.
- The bid was posted on the MITN Purchasing Group website; www.bidnetdirect.com/city-of-troy-mi.
- Six hundred and eighty-one (681) vendors were notified via the MITN website.
- Seven (7) bid responses were received. Below is a detailed summary of potential vendors for the bid opportunity:

DESIGNATED INSURED – PRIMARY AND NON-CONTRIBUTORY INSURANCE

BUSINESS AUTO COVERAGE FORM

This endorsement changes the policy effective on the inception date of the policy unless another date is indicated below:

[illegible]

The insurance provided to the additional insured applies on a primary and non-contributory basis when a written contract that is signed and executed before the damage occurs, and that is in effect during the policy period, requires this insurance to be primary and non-contributory.

HASTINGS MUTUAL INSURANCE COMPANY

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

BUSINESS AUTO PROTECTION PLUS

This endorsement modifies insurance provided under the following:

BUSINESS AUTO COVERAGE FORM

With respect to coverage provided by this endorsement, the provisions of the Coverage Form apply unless modified by this endorsement.

BROAD FORM INSURED

Subsidiaries and Newly Acquired or Formed Organizations

The Named Insured shown in the Declarations is amended to include:

- A. Any legally incorporated subsidiary in which you own more than 50% of the voting stock on the effective date of the Coverage Form. However, the Named Insured does not include any subsidiary that is an "insured" under any other automobile policy or would be an "insured" under such a policy but for its termination or the exhaustion of its Limit of Insurance.
- B. Any organization that is acquired or formed by you and over which you maintain majority ownership. However, the Named Insured does not include any newly formed or acquired organization:
 - 1. That is a partnership, joint venture or limited liability company;
 - 2. That is an "insured" under any other policy;
 - 3. That has exhausted its Limit of Insurance under any other policy; or
 - 4. 180 days or more after its acquisition or formation by you, unless you have given us notice of the acquisition or formation.

Coverage does not apply to "bodily injury" or "property damage" that results from an "accident" that occurred before you formed or acquired the organization.

SECTION II – LIABILITY COVERAGE

Exclusions

Exclusion 5. Fellow Employee does not apply if the "bodily injury" results from the use of a covered "auto" you own or hire. Coverage is excess over any other collectible insurance.

SECTION III – PHYSICAL DAMAGE COVERAGE

Extra Expense – Broadened Coverage

Under Paragraph A. Coverage, the following is added:

We will pay up to \$1,000 for the expense of returning a stolen covered "auto" to you.

Transportation Expense

Paragraph 4.a. is amended to provide a limit of \$50 per day and a maximum limit of \$1,000.

Accidental Airbag Inflation

Paragraph B. Exclusions is amended by the addition of the following:

Exclusion 3.a. does not apply to the accidental inflation of an airbag.

Sound Receiving and Transmitting Equipment – Broadened Coverage

Paragraphs B.4.c. and d. Exclusions do not apply to equipment designed solely for receiving or transmitting sound and accessories used with such equipment, provided such equipment is permanently installed in the covered "auto" at the time of the "loss" or such equipment is removable from a housing unit which is permanently installed in the covered "auto" at the time of the "loss", and such equipment is designed to be solely operated by use of the power from the "auto's" electrical systems, in or upon the covered "auto".

Deductible – Amended Deductible Provision

Under Paragraph D. Deductible, the following is added:

- 1. If two or more policies or coverage forms written by us apply to the same accident the following applies:
 - a. If the Business Auto deductible is the smaller (or the smallest) deductible, it will be waived;

- b. If the Business Auto deductible is not the smaller (or the smallest) applicable deductible, it will be reduced by the amount of the smaller (or the smallest) deductible.

Glass Repair – Waiver of Deductible

Under Paragraph D. Deductible, the following is added:

2. No deductible applies to glass damage if the glass is repaired rather than replaced.

Loan/Lease Gap Coverage

Section III – Physical Damage Coverage is amended by the addition of the following:

E. Loan/Lease Gap Coverage

We will pay in the event of a total "loss" to a covered "auto" of the private passenger or light truck type (10,000 lbs. or less gross vehicle weight) your legal obligation for any difference between the actual cash value of the covered "auto" at the time of the "loss" and the "outstanding balance" of the loan or lease agreement used solely to purchase the covered "auto".

If this coverage applies to a leased vehicle, the following also applies:

This coverage shall apply only to the original lease written on a covered "auto" not previously titled.

As used in this endorsement, "outstanding balance" means the amount you owe on the loan or lease agreement at the time of the "loss" less any amounts for:

1. Taxes;
2. Overdue payments;
3. Penalties;
4. Interest or finance charges;
5. Additional mileage charges;
6. Nonrefundable security deposits;
7. Excess wear and tear charges; or
8. Termination fees.

This coverage will be excess over any other sources of recovery.

SECTION IV – BUSINESS AUTO CONDITIONS

Duties in the Event of Accident, Claim, Suit or Loss

Paragraph A.2.a. is amended by the following:

- a. This duty applies only when the "accident" or "loss" is known to:
 - (1) You, if you are an individual;
 - (2) A partner, if you are a partnership;
 - (3) A member or manager, if you are a limited liability company; or
 - (4) An executive officer or insurance manager, if you are a corporation.

Waiver of Subrogation

Paragraph A.5. Transfer of Rights of Recovery Against Others to Us is amended by the following:

We waive any right of recovery we may have against any person or organization with whom you have a written contract that requires such a waiver because of payments we make for damages under this Coverage Form.

Autos Rented By Employees

Paragraph B.5.b. is amended by the addition of the following:

Any "auto" hired or rented by your "employee" on your behalf and at your direction will be considered an "auto" you hire.

Adding the following amends the Other Insurance Condition:

If an "employee's" personal insurance also applies on an excess basis to a covered "auto" hired or rented by your "employee" on your behalf and at your direction, this insurance will be primary to the "employee's" personal insurance.

Hired Auto Physical Damage Coverage

If hired "autos" are covered "autos" for Liability Coverage and if Comprehensive, Specified Causes of Loss, or Collision coverages are provided under this Coverage Form for any "auto" you own, then the Physical Damage coverages provided are extended to "autos" you hire or borrow, subject to the following limit.

The most we will pay for "loss" to any hired "auto" is:

- A. The actual cash value of the damaged or stolen property at the time of the "loss"; or
- B. The cost of repairing or replacing the damaged or stolen property;

whichever is the smallest, minus a deductible. The deductible will be equal to the largest deductible applicable to any owned "auto" for that coverage. No deductible applies to "loss" caused by fire or lightning. Hired Auto Physical Damage coverage is excess over any other collectible insurance. Subject to the above limit, deductible and excess provisions, we will provide coverage equal to the broadest coverage applicable to any covered "auto" you own.

We will also cover loss of use of the hired "auto" if it results from an "accident" you are legally liable for and the lessor incurs an actual financial loss, subject to a maximum of \$1,000 per "accident".

This extension of coverage does not apply to any "auto" you hire from any of your "employees", partners (if you are a partnership), members (if you are a limited liability company), or members of their households.

Rental Reimbursement Coverage

We will pay for rental reimbursement expenses incurred by you for the rental of an "auto" because of a covered "loss" to a covered "auto" of private passenger or light truck type (10,000 lbs. or less gross vehicle weight). Payment applies in addition to the otherwise applicable amount of each coverage you have on the covered "auto". No deductibles apply to this coverage.

We will pay only for those expenses incurred during the policy period beginning 24 hours after the "loss" and ending with the lesser of the following number of days, regardless of the policy's expiration:

- A. The number of days reasonably required to repair or replace the covered "auto". If "loss" is caused by theft, this number of days is added to the number of days it takes to locate the covered "auto" and return it to you.
- B. 30 days.

Our payment is limited to the lesser of the following amounts:

- A. Necessary and actual expenses incurred; or
- B. \$50 per day with a maximum limit of \$1,500.

This coverage does not apply while there are spare or reserve "autos" available to you for your operations.

If "loss" results from the total theft of a covered "auto" of the private passenger or light truck type (10,000 lbs. or less gross vehicle weight), we will pay under this coverage only the amount of your rental reimbursement expenses which is not already provided for under Physical Damage – Transportation Expense.

PROPERTY SECTION

Building and Personal Property Coverage Form

Causes of Loss – Special Form

Business Income (and Extra Expense) Coverage Form

Deductible Provisions

Except as provided below, loss or damage payable under this section is subject to the property deductible provisions applying to covered property to which this endorsement applies.

A maximum deductible of \$250 applies to Personal Property Off Premises.

No deductible applies to the following: Accounts Receivable, Arson Reward, Business Income/Extra Expense, Fire Department Service Charge, Fire Extinguisher Recharge Expense or Lock Replacement.

Accounts Receivable

We will pay the amounts due from your customers that you are unable to collect resulting from direct physical loss or damage by any Covered Cause of Loss to your records of Accounts Receivable at the described premises. This includes:

- A. Interest charges on any loan required to offset amounts you are unable to collect;
- B. Collection expenses in excess of your normal collection expenses made necessary by the loss or damage; and
- C. Other reasonable expenses that you incur to reestablish your records of Accounts Receivable.

The most we will pay under this coverage is \$35,000 in any one occurrence of loss.

Arson and Theft Reward

We will pay a reward of \$30,000 in total:

- A. For information which leads to an arson conviction in connection with a fire loss sustained at the described premises; or
- B. For information which leads to a theft conviction in connection with a theft loss sustained at the described premises.

In the event that a theft loss and an arson loss result from the same event, the most we will pay for that event is \$30,000.

Back Up of Sewers or Drains

We will pay for direct loss or damage to covered property at the described premises caused directly or indirectly by water that backs up through a sewer or drain or overflows from a sump pump system.

The most we will pay for loss or damage under this coverage provision is \$25,000 in any one occurrence of loss.

Building Glass Coverage for Tenants

Under Covered Property, a limit of \$10,000 is provided to cover building glass for which the insured, as a tenant, is responsible.

Business Income from Dependent Properties

- A. In the Business Income (and Extra Expense) Coverage Form, Coverage, with respect to "dependent property", is replaced by the following:

Coverage

We will pay for the actual loss of Business Income you sustain due to the necessary "suspension" of your "operations" during the "period of restoration". The "suspension" must be caused by direct physical loss of or damage to "dependent property" caused by or resulting from a Covered Cause of Loss. However, coverage does not apply when the only loss to "dependent property" is loss or damage to electronic data, including destruction or corruption of electronic data. If the "dependent property" sustains loss or damage to electronic data and other property, coverage under this endorsement will not continue once the other property is repaired, rebuilt or replaced. The term electronic data has the meaning set forth in the Business Income (and Extra Expense) Coverage Form.

- B. The provisions of the Business Income (and Extra Expense) Coverage Form respecting direct physical loss or damage at the described premises will apply separately to each "dependent property". The Limit of Insurance is separate from any Business Income Limit of Insurance in this policy applicable when direct physical loss or damage occurs at your premises.
- C. With respect to "dependent property", the following replaces the Resumption Of Operations Provision in the Loss Determination Loss Condition:

Resumption of Operations

We will reduce the amount of your:

1. Business Income loss, other than Extra Expense, to the extent you can resume "operations", in whole or in part, by using any other available:
 - a. Source of materials; or
 - b. Outlet for your products.
 2. Extra Expense loss to the extent you can return "operations" to normal and discontinue such Extra Expense.
- D. 1. The following is added to the Definitions Section:
- "Dependent Property" means property operated by others whom you depend on to:
- a. Deliver materials or services to you, or to others for your account (Contributing Locations). But any property which delivers any of the following services is not a Contributing Location with respect to such services:
 - (1) Water supply services;
 - (2) Power supply services; or
 - (3) Communication supply services, including services relating to internet access or access to any electronic network;

Additional Insured – Vendors

A. The following is added to Section II – Who Is An Insured:

Vendors with whom you agreed, because of a written contract or written agreement, who sell or distribute "your products" in the regular course of their business, are insureds but only with respect to "bodily injury" or "property damage" arising out of "your product".

The insurance afforded the vendor does not apply to:

1. "Bodily injury" or "property damage" for which the vendor is obligated to pay damages by reason of the assumption of liability in a contract or agreement; this exclusion does not apply to liability for damages that the vendor would have in the absence of the contract or agreement;
2. Any express warranties unauthorized by you, or any physical or chemical change in the product made intentionally by the vendor;
3. Repackaging, except when unpacked solely for inspection, demonstration, testing or substitution of parts under instructions from the manufacturer, and then repackaged in the original container;
4. Any failure to make such inspections, adjustments, tests or servicing as the vendor has agreed to make, or normally undertakes to make in the usual course of business, in connection with the distribution or sale of the products;
5. Demonstration, installation, servicing or repair operations, except such operations performed at the vendor's premises in connection with the sale of the product;
6. Products which, after distribution or sale by you, have been labeled or relabeled or used as a container, part or ingredient of any other thing or substance by or for the vendor; or
7. "Bodily injury" or "property damage" arising out of the sole negligence of the vendor for its own acts or omissions or those of its employees or anyone else acting on its behalf. However, this exclusion does not apply to:
 - a. The exceptions contained in Subparagraphs 3. or 5.; or
 - b. Such inspections, adjustments, tests or servicing as the vendor has agreed to make or normally undertakes to make in the usual course of business, in connection with the distribution or sale of products.

This insurance does not apply to any insured person or organization from whom you have acquired such products, or any ingredient, part or container, accompanying or containing such products.

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and
2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

B. With respect to the insurance afforded to these additional insureds, the following is added to Section III – Limits Of Insurance:

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.
