PROPOSED CHARTER AMENDMENT: Section 6.2(g) – Vacancies in Elective Office

Member Wilshire reviewed her recollection of the history of the amendments to Section 6.2(g) of the Charter. She indicated that the intent of the amendment several years ago

was to remove the ability of candidates to position themselves and their friends on the ballot by resigning from their Council position when running for another elected position just before the filing deadline and prearranging for their friends to file for the unexpired portion of their term. She indicated the past discussion focused on the length of time required for the resignation period and that the Committee selected the 21 days as it appeared to give potential candidates notice of the vacancy and sufficient to gather signatures before filing. She noted that the recommendation to Council for placement of the proposed amendment on the ballot received unanimous approval from the committee.

Member Bernardi questioned if there was any history showing a need for the amendment prior to 1994. Was there a problem that initiated the amendment?

Member Wilshire indicated that she thought the amendment was tied to the introduction of term limits. Additionally, it was noted that the amendment to the Charter which eliminated the City Primary Election occurred along with the amendment to this section of the Charter and could have contributed to the perceived need for the proposed amendment.

City Attorney Bluhm referenced a communication she provided to the committee last year containing the history of the previous Charter amendment. She read from a portion of the minutes from 1983 which discussed the rationale for the change.

Discussion continued on the impact of the amendment and potential for calling a Special Election with the Charter as written. Members Wilshire and Kanoza indicated that they would rather see the time requirement for resignation be extended as proposed in the staff recommended amendment over the potential of a very expensive Special Election, especially when the cost to run a Special Election could potentially result in the elimination or lay-off of one or more City employees.

Member Bernardi indicated that she believes the proposal could result in more elections. She indicated that the amendment could discourage Council Members from running for the office of Mayor. She questioned what this amendment does other than force a resignation.
