

AGENDA

TRAFFIC COMMITTEE MEETING

SEPTEMBER 18, 1991 7:30 P.M.

**LOWER LEVEL CONFERENCE ROOM
TROY CITY HALL
500 W. BIG BEAVER ROAD**

1. Roll Call.
2. Minutes - July 17, 1991.
3. Visitors Time.
4. Request for Stop Sign at Post and London.
(Lori Hughes, 2399 London Drive 48098)
5. Request for Goose Crossing Signs on Tower Drive Near EDS Pond.
(Gale Trinity, 39907 Poinciana, Sterling Heights 48313)
6. Establish Fire Lanes at Red Roof Inn, 2350 Rochester Court.
7. Review of Handicap-Type Warning Signs.
8. Other Business.
9. Adjourn.

cc: Traffic Committee Members, Including Ex-officio Members
Frank Gerstenecker, City Manager
John Szerlag, Assistant City Manager
Lt. Henry Hartfelder, Traffic Safety Unit
Robert Matlick, Fire Inspector

- 4- Charlotte E. Gordon, 2294 London 48098
Joseph H. Gross, 2326 London 48098
Patrick L. & Lori Ann Hughes, 2399 London 48098
Ken Mollenhour, 2400 London 48098
Stephen P. & Joyce Savage, 2427 London 48098
John & Janice Pettit, 4533 Post 48098
- 5- Gale Trinity, 39907 Poinciana, Sterling Heights 48313
- 6- Troy Red Roof Inn, ATTN: Michael Guswiler, Asst. Mgr.,
2350 Rochester Court 48083

TRAFFIC COMMITTEE

MESSAGE TO VISITORS, DELEGATIONS AND CITIZENS

The Traffic Committee is composed of seven Troy citizens who have volunteered their time to the City to be involved in traffic and safety problems. The stated role of this Committee is:

- a. To give first hearing to citizens' requests and obtain their input.
- b. To make recommendations to the City Council based on technical considerations, traffic surveys, established standards, and evaluation of citizen input.
- c. To identify hazardous locations and recommend improvements to reduce the potential for traffic accidents.

The recommendations and conclusions arrived at this evening will be forwarded to the City Council for their final action. Any citizen can discuss these recommendations before City Council. The items discussed at the Traffic Committee meeting will be placed on the City Council Agenda by the City Manager. The earliest date these items might be considered by City Council would normally be 10 days to 2 weeks from the Traffic Committee meeting. If you are interested, you may wish to contact the City Manager's Office in order to determine when a particular item is on the Agenda.

Persons wishing to speak before this Committee should attempt to hold your remarks to no more than 5 minutes. Please try to keep your remarks relevant to the subject at hand. Please speak only when recognized by the Chair. These comments are made to keep this meeting moving along. Anyone wishing to be heard will be heard; we are here to listen and help in solving or resolving your particular problem.

AGENDA EXPLANATION
TRAFFIC COMMITTEE MEETING
SEPTEMBER 18, 1991

1. Roll Call.
2. Minutes - July 17, 1991.
3. Visitors Time. - (Items not on the Agenda)
4. Request for Stop Sign at Post and London.

This item was tabled at the July meeting to gather more information on School Crossings and verify the 24-hour approach volumes at the intersection.

This intersection is a school crossing used predominantly by Middle School students. Of the 122 students that crossed in both the morning and afternoon crossing times, 24 or 28% of the students were elementary students. They generally crossed Post in the east-west direction. In discussing this with the Principal of Hill School, there is no need for the children to cross London in the north-south direction. The total number of children crossing at the various times are shown on the intersection volume maps (pages 4/1, 4/2, 4/3).

The 24-hour traffic volumes are attached. The traffic counts taken on various dates are compared and shown on page 4/4. A comparison count on London, north of Waltham, had a two-way volume of 830 vehicles per day in 1978, and 969 in 1991 or a 16% increase in 14 years.

There was one (1) accident in 1990 that was overlooked in the previous report. There have been 5 accidents at this intersection over the past 11 years, one each in 1990, 1986, 1985 and two in 1980. One of those in 1980 was a loss of control by a young driver from the area who had been drinking. The others were failure to yield. The collision diagrams are attached. There has been one (1) non-intersection accident involving an unlicensed driver thus far in 1991. The eleven year intersection accident history for Section 13 is shown on page 4/11.

The volumes and number of accidents do not meet any of the required warrants for 4-way stop signs. The required warrants and existing conditions are shown on page 4/13.

There are no definitive numbers for the installation of 2-way stop signs. Basically one of the streets must become a thru street.

In view of the fact that the elementary students will be directed to cross north and south of the intersection, I would recommend that the yield signs on Post Street for London be upgraded to stop signs.

SUGGESTED RESOLUTION

Recommend that stop signs be installed on Post for London.

5. Request for Goose Crossing Signs on Tower Drive Near EDS Pond.

Gale Trinty, 39907 Poinciana, Sterling Heights has requested that "Goose Crossing" warning signs be installed on Tower Drive at the EDS water pond to warn drivers of the possibility of geese crossing the road. A review of the area indicated that the speed limit signs were missing in this entire area. A request has been made to install the missing 35 mph signs and the area be slated for selective enforcement.

This type of sign is of little value in affecting the driver's speed and when installed in random fashion tends to generate disrespect for warning signs.

SUGGESTED RESOLUTION

Recommend that "Goose Crossing" signs not be installed on Tower Drive near EDS.

6. Establish Fire Lanes at Red Roof Inn, 2350 Rochester Court.

Section 8.28, Chapter 106, Troy City Code provides for the establishment of fire lanes on private property. The Fire Department recommends that the fire lanes shown on the attached sketch be provided at Red Roof Inn, 2350 Rochester Court, to allow proper deployment of and travel by emergency vehicles (fire, police, medical).

SUGGESTED RESOLUTION

Recommend that the fire lanes shown on the attached sketch be established at Red Roof Inn, 2350 Rochester Court.

7. Review of Handicap-Type Warning Signs.

A review of the various handicap-type warning signs indicates that the "Watch for Deaf Child" signs at 617 Bridge Park are no longer required and therefore can be removed. Li-Li Tang, mother of the deaf child, has moved from this address. However, there is not a Traffic Control Order to be rescinded as one was not issued for these signs which were approved July 11, 1988 in Resolution #88-773. Therefore, we have requested the Streets Department to remove the signs.

8. Other Business.

Items not on the agenda which Traffic Committee members may wish to discuss.

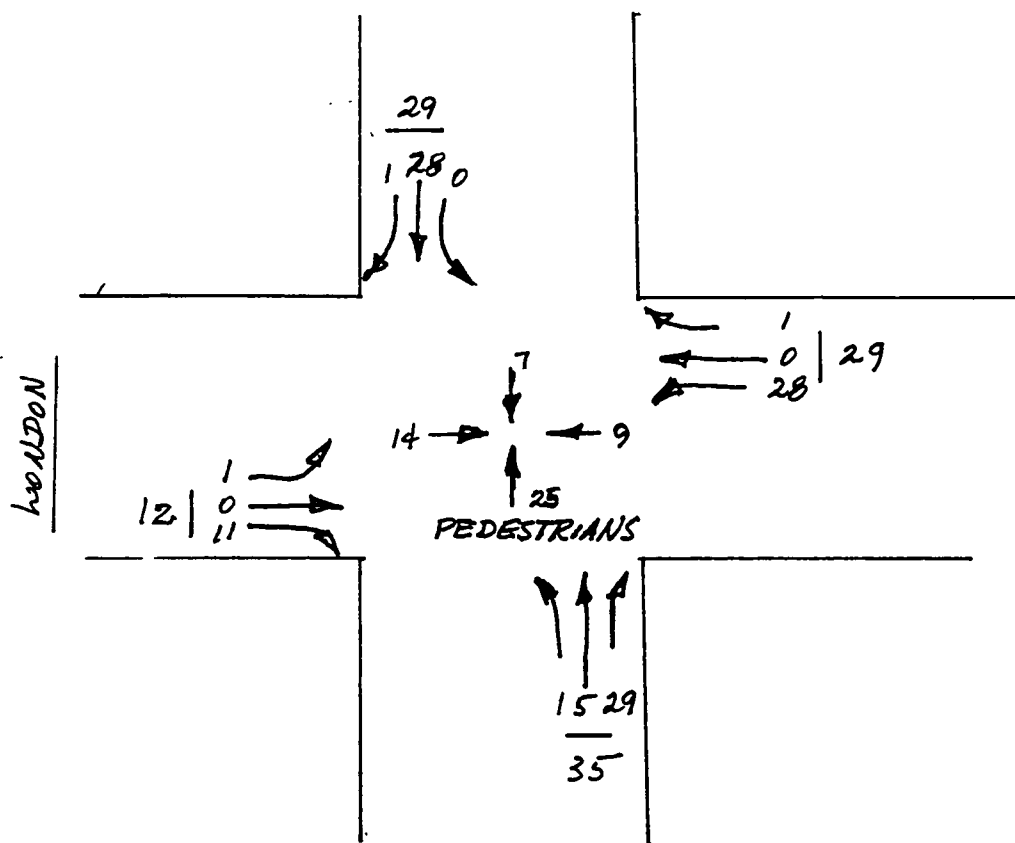

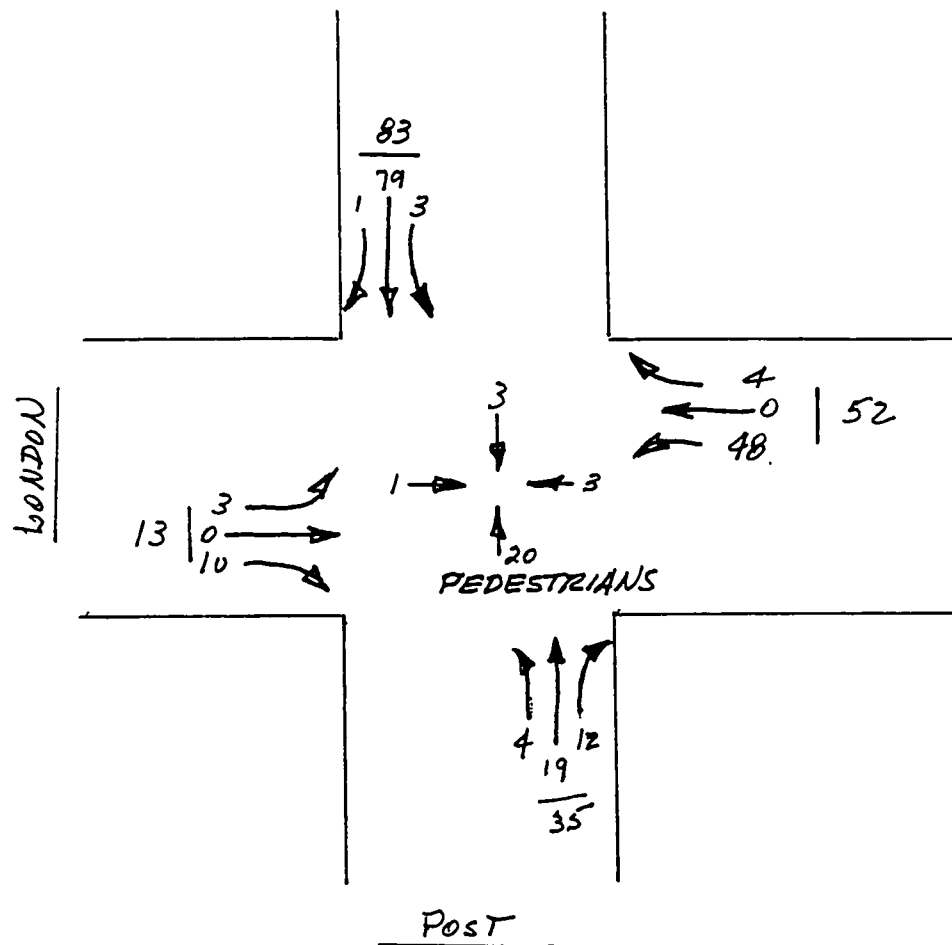

9. Adjourn.

TROY RED ROOF INN

2350 ROCHESTER COURT

689-4391

NORTH

----- = PROPOSED FIRE LANES

ATT: MICHAEL GUSWILER, ASST. MGR.

City of Troy

August 30, 1990

Troy Red Roof Inn
ATTN: Michael Guswiler, Asst. Mgr.
2350 Rochester Court
Troy, MI 48083

Dear Mr. Guswiler:

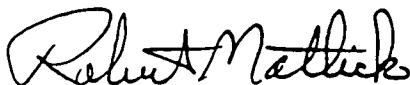

In accordance with Chapter 106 of the Troy City Code, your property known as 3944-3978 Rochester Rd., has been surveyed by the Troy Fire Department for the purpose of establishing fire lanes.

It is requested that you or your representative attend the Traffic Committee meeting on September 18, 1991, at 7:30 p.m., which is held at the Troy Civic Center, 500 W. Big Beaver.

If you have any questions regarding this matter, please feel free to contact me.

Sincerely,

TROY FIRE DEPARTMENT

Robert Matlick
Fire Inspector

RM/cz

attch.

500 W. BIG BEAVER ROAD TROY, MICHIGAN 48084
