That the variance request for [applicant name, address or location], for [request]

Be granted for the following reasons:

The applicant has demonstrated that:

- a) Exceptional characteristics of the property for which the variance is sought make compliance with the requirements of this Chapter substantially more difficult than would be the case for the great majority of properties in the same zoning district. Characteristics of property which shall be considered include exceptional narrowness, shallowness, smallness, irregular shape, topography, vegetation, and other similar characteristics; and
- b) The characteristics which make compliance with the requirements of this Chapter difficult must be related to the premises for which the variance is sought, not some other location; and

- d) The characteristics which make compliance with the requirements of this Chapter difficult must not have been created by the owner of the premises, a previous owner, or the applicant; and
- e) The proposed variance will not be harmful or alter the essential character of the area in which the property is located, will not impair an adequate supply of light and air to adjacent property, or unreasonably increase congestion in public streets, or increase the danger of fire or endanger public safety, or unreasonably diminish or impair established property values within the surrounding area, or in any other respect impair the public health, safety, comfort, morals or welfare of the inhabitants of the City.
