Resolution from City Commission on "Stop" light on Long Lake Road.

Motion by Madek  
Supported by Henning

MOVED. based on our accident frequency study we request that the Oakland County Traffic Engineer take a traffic count at the following three (3) intersections: Long Lake Road at Rochester; Long Lake Road at Crooks; Long Lake Road at John R.

Yeas: All  
Nays: None  
Absent: Bargert, Romanowski

Motion by Ford  
Supported by Henning

Moved. to have Chief Fisher find out how many lights have been removed from the Rochester and Stephenson interchange area and where they are.

Yeas: All  
Nays: None  
Absent: Bargert, Romanowski

Motion by Henning  
Supported by Madek

MOVED. to remove the three (3) street lights on Rochester Road north of the curve where Rochester Road dead ends, and to have them installed along with two (2) that had been removed in that area on the curve that crosses from Rochester to Stephenson Highway. A map will be made with locations where lights are desired. Six (6) injury accidents have happened here in the past five weeks.

Yeas: All  
Nays: None  
Absent: Bargert, Romanowski

Motion by Henning  
Supported by Madek

MOVED. to ask the County Traffic Engineer to conduct a speed survey on Big Beaver Road from Adams Road to John R Road. Speed limit at present time 40 mph - this Committee recommends if study warrants the speed limit be raised to a reasonable limit.

Yeas: All  
Nays: None  
Absent: Bargert, Romanowski

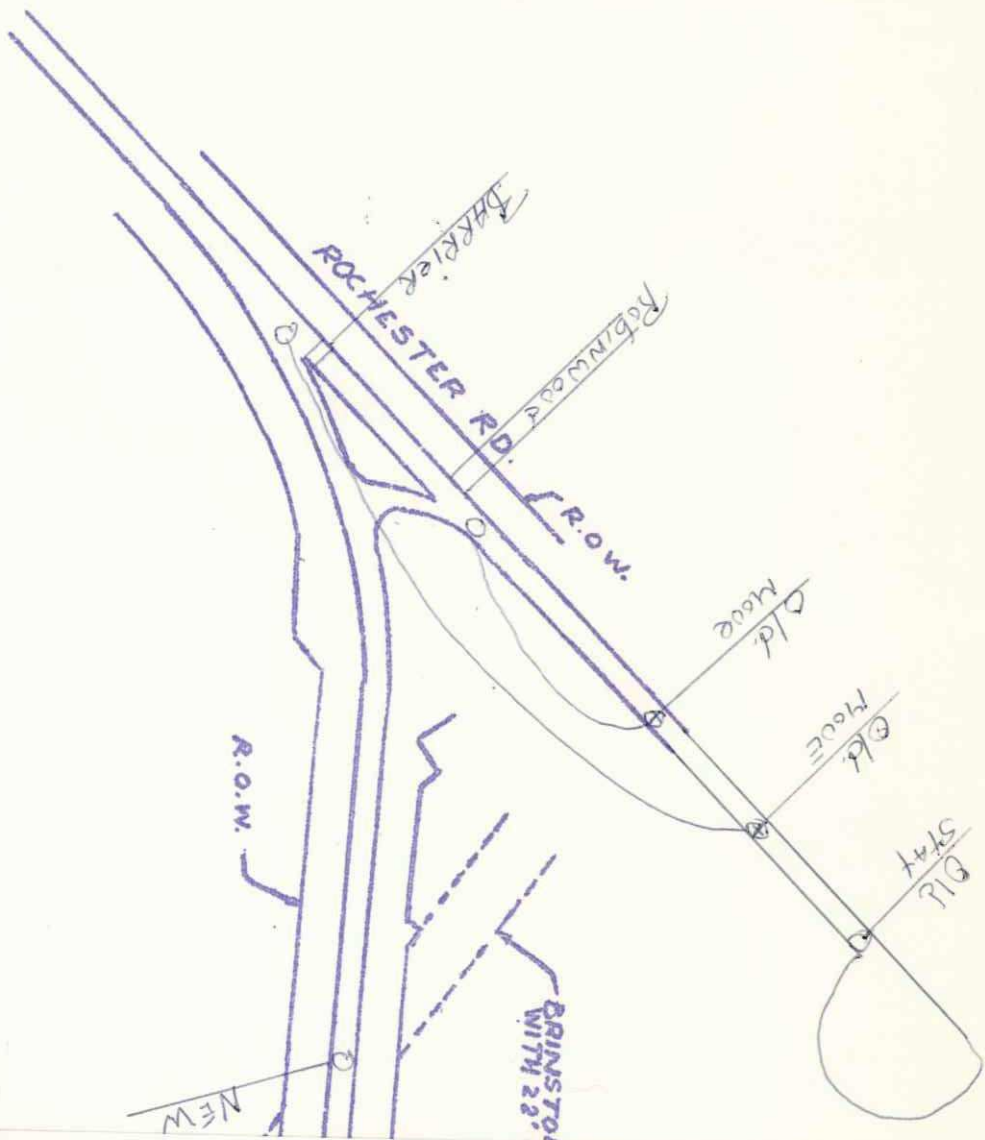

Motion by Fisher  
Supported by Madek

MOVED. meeting adjourn at 9:30 P.M.

Yeas: All  
Nays: None  
Absent: Bargert, Romanowski
