Subject: Standard Purchasing Resolution 9: Approval to Expend Funds for
Membership Dues and Renewals Over \$10,000 - Michigan Municipal League

History

The Michigan Municipal League (MML), a state association of cities and villages, is a nonpartisan, nonprofit association working cooperatively to strengthen the quality of municipal government and administration.

Benefits of membership include advocacy of municipal issues and low-cost educational opportunities for municipal officials and employees regarding a multitude of areas for effective and efficient governance.

Throughout the last 43 years of the City of Troy's membership with the MML, City Council members and staff members have taken advantage of many continuing education opportunities, legislative updates, workshops, conferences and resource materials made available by the League.

With our membership, we are also able to take advantage of the MML's Workers' Compensation Fund (MML WCF). The MML WCF provides Workers Compensation coverage to more than 880 public entities throughout Michigan and provides legal expertise and defense loss control services, as well as claims handling services which are included in their premium.

According to the MML, "*The Michigan Municipal League Workers' Compensation Fund is the state's leading provider of municipal workers' compensation and risk management services. The Fund has the lowest rates, the best claims service and the highest historical return of dividends of any insurer in Michigan. The Fund has more than 880 members, \$135 million in assets and more than \$65 million in net member equity. Efficient administration, effective loss control programs and proactive claims services have resulted in rates that are on average 50 percent lower than those of our nearest competitor.*"

The invoice reflects \$1,323 for participation in the Michigan Municipal League's Legal Defense Fund. The Legal Defense Fund authorizes amicus briefs in cases that have a statewide impact for Michigan municipalities. The Legal Defense Fund has recently weighed in on medical marijuana

Mrs. M. Aileen Dickson
City Clerk
Troy

Dear Mrs. M. Aileen Dickson,

The Michigan Municipal League exists for you, and we mean it when we say, “We Love Where You Live.” The true power of the League comes from you and the combined voices and actions of communities that make Michigan the place more than 10 million people call home. Your municipality’s League membership is one of the best investments your community can make.

The League has been a member-driven organization for over 124 years. For example, when the pandemic hit, we sprang into action offering upwards of 100 webinars to assist our members on everything from navigating federal funding to starting up social districts. Our advocacy focused on legislation to help your municipality navigate the pandemic and its impact on your community.

And now with historic change in leadership in the Michigan Legislature, your League strives to keep you informed about the latest legislative activity that impacts our communities of all shapes and sizes.

To better serve our members, the League has launched multiple programs to assist member communities, including:

- **MI Funding Hub:** This program provides resources and hands-on help to our communities in their post-COVID recovery and infrastructure investment efforts. Think of it as a personal concierge that will help you navigate state and federal programs. Learn more at mifundinghub.org.
- **The Coalition for a Strong and Prosperous Michigan:** Under the League’s leadership, this coalition of organizations, businesses, and individuals was formed to propose a bold vision for Michigan to invest nearly \$6 billion in American Rescue Plan funding. The coalition created The Michigan Prosperity Roadmap that lays out recommendations for our state. Much of what has been approved by the Legislature was called for in this Prosperity Roadmap. View the plan at miroadmap.com.

Our members are our largest stakeholders and without your ongoing support we would not be the organization we are today. In order to continue providing excellent service, representation in Lansing and D.C., and innovative and educational programming, we are adhering to the Headlee Inflationary Index and increasing membership dues by 5 percent beginning July 1, 2023.

We hope you will maximize your membership by participating in a variety of League services, initiatives, and programs. If you have questions related to your dues, please contact Katie Farver at kfarver@mml.org. All other questions can go to info@mml.org. Thank you for your support and for your leadership. Because of you, we are confident our journey to a brighter future can continue.

Sincerely,

Daniel P. Gilmartin
