To: Troy Fire Dept.

I cannot thank you enough. You and the entire department showed great empathy for a problem you had no obligation to solve.

Your young man who crawled through the entire crawl space to find my cat. I THANK YOU!

Tell me the fire house you work out of and I will order a pizza party for the house on me. Pick the Pizza place.

Please post this letter so folks can learn that YOU guys are ALL doing this on your own time with no compensation.
