Subject: Re: City of Troy Service Request - 226162 - Has Been Updated

Thank you for your prompt reply when I reported the issue.
The letter you sent last fall was effective and much cleanup of the property was done...
However, over the past 2-3 months junk has been piling up again.
Could you please take a look again?

We are about to list our house and this mess will impact the value.

Thanks in advance,

Greg Deel
