CITY COUNCIL AGENDA ITEM

Date: April 15, 2025

To: Honorable Mayor and Troy City Council Members

From: Frank A. Nastasi, City Manager
Lori Grigg Bluhm, City Attorney
Josh Jones, Police Chief
Nicole MacMillan, Assistant City Attorney

Subject: Polish Market Liquor License Violation (Introduced by: Nicole MacMillan, Assistant City Attorney and Lynn Giorgi, Police Staffing and Standards Specialist)

The Troy Police Department annually performs undercover checks on licensed liquor establishments within the City to determine if they unlawfully sell alcohol to underage persons. The Directed Patrol Unit conducts these sting operations with the assistance of temporary employees under 21 years of age, who are sent into licensed establishments under police direction and try to purchase liquor. The Directed Patrol Unit documents each visit, and sends the information to the Michigan Liquor Control Commission (MLCC). If the decoy is sold alcohol by a licensee's employee or agent, the MLCC adjudicates the matter, providing the licensees with appropriate due process. The City also separately cites the employee who sold the alcohol to the minor.

In addition to these sanctions, the state statute gives some power to a local municipality when an off-premises liquor license retailer (alcohol purchased and consumed elsewhere), but this is more limited. Because liquor licenses are considered property, the City needs to give each licensee notice and an opportunity to contest the allegations before taking any adverse action. Troy's due process requirements are set forth in Chapter 101 of the Troy City Ordinances. Notice is also provided to neighboring property owners.

On April 15, 2024, a cashier at Polish Market, located at 2938 E. Maple Road, failed an undercover sting operation. Pursuant to Troy's process, a public hearing notice was published and sent to the licensee. Mark Kolynicz sent an email acknowledging the violation, and detailing Polish Market's actions after the violation. His email is attached, as well as the redacted violation report, police report, MLCC history, and the ticket issued to the cashier. The cashier pled responsible to the violation and was fined \$200.

Based on Polish Market's record, City Administration recommends that Council pass a resolution requiring responsible alcohol service training for all of licensee's employees who sell alcohol. Mr. Kolynicz has indicated that there has been employee training, which the Troy Police Department can vet to make sure that it complies with the proposed resolution.

It is likely that someone from Polish Market will be present at the City Council meeting, and can answer any additional Council questions or address any of your concerns. Other persons may also want to provide public comment as to this liquor licensee.

Complaint: CV-516830
Polish Market II INC
2938 E. Maple Rd
Troy, Mi. 48083

Hello,

We have received a notice in regards to this violation (complaint CV- 516830) and would like to voluntarily accept responsibility. We understand and are very troubled, that this is our second violation within a year, done by two of our cashiers selling beer. During the first violation, we have implemented additional steps to prevent this from ever happening but unfortunately human error and misjudgment did not prevail from this. We are very sorry for this whole situation and understand the gravity of it, so in addition to the original preventive steps we have also added a "weekly alcohol sale employee training" where our cashiers are retrained on the weekly basis and asked to sign the document. We have attached one of these forms signed by our cashiers. On top of this, between the weekly trainings that we conduct, we visit the cashier stations and remind them constantly about the regulations and law. Also, attached please find the photo of the "legal age note" that is posted on every cashier station. During this violation, the police officer gave our cashier a ticket, she had to call the court and pay the fine and honestly, after that from our management observations, we have noticed that now all of the cashiers finally realized, that is not some kind of a joke and this is a very serious violation that has occurred. Please be lenient in your penalty as honestly from the management side we strongly believe we are doing our best to prevent this from happening and are constantly working on new ideas on how to eliminate this serious problem.

Sincerely,

Mark Kolynicz
