Membership Dues and Renewals Over \$10,000 - Michigan Municipal League

History

The Michigan Municipal League (MML), a state association of cities and villages, is a nonpartisan, nonprofit association working cooperatively to strengthen the quality of municipal government and administration.

Benefits of membership include advocacy of municipal issues and low-cost educational opportunities for municipal officials and employees regarding a multitude of areas for effective and efficient governance.

Throughout the last 44 years of the City of Troy's membership with the MML, City Council members and staff members have taken advantage of many continuing education opportunities, legislative updates, workshops, conferences and resource materials made available by the League.

With our membership, we are also able to take advantage of the MML's Workers' Compensation Fund (MML WCF). The MML WCF provides Workers Compensation coverage to more than 880 public entities throughout Michigan and provides legal expertise and defense loss control services, as well as claims handling services which are included in their premium.

According to the MML, *"The Michigan Municipal League Workers' Compensation Fund is the state's leading provider of municipal workers' compensation and risk management services. The Fund has the lowest rates, the best claims service and the highest historical return of dividends of any insurer in Michigan. The Fund has more than 880 members, \$135 million in assets and more than \$65 million in net member equity. Efficient administration, effective loss control programs and proactive claims services have resulted in rates that are on average 50 percent lower than those of our nearest competitor."*

The invoice reflects \$1,389.00 for participation in the Michigan Municipal League's Legal Defense Fund. The Legal Defense Fund authorizes amicus briefs in cases that have a statewide impact for Michigan municipalities. The Legal Defense Fund has recently weighed in on medical marijuana
