## CITY COUNCIL AGENDA ITEM

Date: August 20, 2025

To: Frank Nastasi, City Manager

From: Robert J. Bruner, Deputy City Manager  
Courtney Flynn, Communications Director

Subject: 2025 Bond Proposal Communications Plan Updates

---

### **Background**

The Troy City Council approved ballot language at its July 14 meeting that allows residents to shape the City's future. The ballot proposal for the November 4, 2025, election asks if the City of Troy shall borrow up to \$137 million, to be paid back over 20 years, to build a new library, improve local roads, invest in parks and recreation amenities, and support public safety.

The City Council's decision to place this question on the November ballot came after more than a year of research and public meetings regarding the City's infrastructure needs. Supporting information that identified the City's needs to provide additional investment into its infrastructure includes the Troy Public Library's Strategic Plan, the decline of the City's capital property tax revenue, the overall age of City infrastructure, and evaluations of City roads, facilities, and parks.

To best inform and engage the public on why the bond proposal was placed on the ballot and what it would mean for the community if it is approved or denied by voters, a detailed Communications Plan has been put into motion. The purpose of this memo is to provide regular updates on the Communications Plan by describing what actions have been taken every week to disseminate bond proposal information.
