Good Morning;

My husband and I like to walk the path at the Sylvan Glen Lake, but had not been there since the new play equipment went in. What a joy to see the parking lot full of cars and tons of families and children enjoying the beautiful playground.

I just wanted to say "Well done!" Thank you for continuing to enhance our city's green space. The pickle ball courts at Firefighter's were beautifully integrated into the park too.

I am so hopeful the bond issue passes to keep our momentum going.

Best,
Rhonda Hendrickson
