NEW BUSINESS

A. Troy Museum Print Shop

Loraine Campbell explained that the white paint on the exterior of the Print Shop is peeling. Eagle Scout candidate Dane Nowosatko has agreed to raise the funds and provide the manpower to strip this paint and apply new solid stain, which can wear off but does not peel and flake. Museum staff researched more appropriate and historically accurate colors for a utilitarian building in 1900. They request permission to stain the building Greenbrier SW3050, a Woodscapes solid color stain.
