## CITY COUNCIL AGENDA ITEM

Date: January 21, 2020

To: Mark F. Miller, City Manager

From: Robert J. Bruner, Assistant City Manager  
David Roberts, Fire Chief  
Richard C. Riesterer, Assistant Fire Chief/Fire Marshal

Subject: Fireworks Permit – 2020 Mon Jin Lau: “Chinese New Year Celebration”

---

### Background

Mr. Brandon Chin, of Troy, Michigan, has submitted a permit application for a public fireworks display to support their annual “Chinese New Year” celebration at Mon Jin Lau. Mr. Chin is requesting the Troy City Council grant a permit for a public fireworks display to occur on Sunday February 9, 2020, between 6:00 and 10:00 PM. As in the past, firecrackers and small ground effect style devices will be discharged near the southeast porte cochere of the restaurant property, located at 1515 E. Maple Rd., Troy, MI. The property is large enough to accommodate the necessary distances required for the display.

### Legal Considerations

Michigan law requires that before anyone can conduct a fireworks display, a permit must be obtained from the local unit of government. The law states that any person or group that would like to conduct a fireworks display must apply to the local unit of government for a permit. The law defines local unit of government as the council or commission of a city or village, or the township board of a township. Mr. Chin, therefore, is requesting that City Council grant a permit for a public fireworks display to occur at the Mon Jin Lau restaurant, on the evening of Sunday February 9, 2020. Mr. Chin will provide the required proof of insurance in the amount of \$10M prior to the date of the event.

### Recommendation

The Fire Department has reviewed the permit application and recommends that City Council approve a fireworks permit for Mr. Brandon Chin. Enclosed for Council’s review is the permit application and supporting documentation, along with the permit itself to be signed and issued. The Fire Department will inspect the display site, the insurance documentation, and ensure that adequate safety measures are enforced.
