Hi Cindy,

I wanted to thank you for putting together the “Troy’s Best Holiday Decorated Homes” this year. Our home was one that was selected as “Troy’s Best Holiday Decorated Home”. We really appreciated the honor. Our family also really enjoyed the Map you and your department put together! During the holiday season, our family took several trips (along with a bucket of popcorn!) around Troy to see the deferent displays. It certainly was a fun way to spend some time during the holidays!

Thank you and your department again for your time and effort putting this together! We certainly hope you will continue this in the future!

Sincerely,

The Hahn Family, Bob, Marcie, Nicole & Bobby
