

Dear Aileen and Entire City Clerk office,

Please accept this very belated Thank You from The Democratic Precinct Delegates of Troy for everything that you did to make our November election season safe, secure, accessible, and clear. Your efforts to keep our citizens informed, your responsiveness to a swiftly changing environment, and the work that you did to keep voters and election workers safe were nothing short of extraordinary and truly appreciated.

Your office never ceased to be patient with us as we called with all manner of questions and suggestions; your efforts were instrumental in helping us, as Precinct Delegates, to better inform voters and to work in our precincts to encourage safe and timely voting.

We cannot thank you enough for everything that you did to ensure such a successful and responsive election process through two primaries and a general election.

We look forward to working with the City in upcoming elections!

Stay safe.

With great appreciation,

Troy Democratic Precinct Delegates
