CITY COUNCIL AGENDA ITEM

Date: May 14, 2021

To: Mark F. Miller, City Manager

From: Robert Bruner, Assistant City Manager
Robert C. Maleszyk, Chief Financial Officer
Lisa Burnham, Controller
Kurt Bovensiep, Public Works Director
William J. Huotari, City Engineer

Subject: Standard Purchasing Resolution #1: Award to Low Bidder
Contract 21-02 – Orchard Trail Water Main Replacement

History

The 6" diameter cast iron water main on Orchard Trail Drive, east of Adams Road in Section 18, is over 53 years old and has exceeded its service life. This project will replace and upsize this main to meet current size and fire flow standards while eliminating costly main breaks that are common with older water mains. Work will include replacing the existing 6" diameter water main on the above noted street with an 8" diameter water main. In addition, partial pavement reconstruction will also be required. The work is anticipated to start in June and be completed in October.

Purchasing

Bids were received and publicly read on May 12, 2021. The low bid of \$660,903.00 was submitted by DiPonio Contracting, Inc., 51251 Simone Industrial Drive, Shelby Twp., MI 48316 as shown on the attached bid tab.

Work was competitively bid and publicly opened with three (3) bidders responding. The award is contingent upon submission of proper contract and bid documents, including bonds, insurance certificates and all specified requirements.

Financial

Funds for this work are included in the 2020/2021 and 2021/2022 Water Fund (Project # 2021C0083 / Account # 591.537.555.7972.205045). The budgeted amount includes funds for construction, inspection, testing and contingencies.

Recommendation

It is recommended that City Council award the Orchard Trail Water Main Replacement contract to DiPonio Contracting, Inc., 51251 Simone Industrial Drive, Shelby Twp., MI 48316, for their bid amount of \$660,903.00.

In addition, we are requesting authorization to approve additional work, if needed, not to exceed 15% of the original project cost due to unknown conflicts with existing underground utilities and underground conditions that may arise during construction.

A copy of the bid tab and recommendation shall be attached to the original Minutes of this meeting.
