Subject: Standard Purchasing Resolution 2 – Award to Sole Bidder Meeting Specifications – 2021 Street Tree Planting

## History

- The Parks Division is responsible for the maintenance of the City’s urban forest. This responsibility includes making additions to the urban forest through a tree-planting program.
- The Parks Division continues to make progress on a more aggressive tree-planting program.
- The division facilitates a program that fills vacancies in the Rights-of-Way (ROW) that could support a tree while adhering to City of Troy Ordinance Chapter 28.
- Chapter 28 regulates that trees planted in the ROW should not be planted any closer than 50’ of an existing tree within the ROW, no closer than 15’ from any driveway approach, no closer than 3.5’ of any curb, and no closer than 3’ to any sidewalk.
- The Parks Division also is proposing to continue with planting more substantial trees in the ROW resulting in a request from vendors for trees with a minimum of 2.5” in diameter and a 2-year warranty from the date of planting.
