William J. Huotari, City Engineer

Subject: Standard Purchasing Resolution #1: Award to Low Bidder

Contract 21-05 - 2021 Sewer Cleaning & Televising

<u>History</u>

City DPW staff proactively cleans and televises the smaller diameter sanitary sewers in the City. The larger diameter trunk line sewers require specialty equipment. In 2014, with a SAW Grant, the City started cleaning and televising the trunk line sewers. In 2017 another section of the trunk line sewers were cleaned and televised. This contract is a continuation of trunk line sanitary sewer cleaning and televising. The project work is anticipated to start in October 2021 and all work, including restoration, is scheduled to be complete by January 2022.

Purchasing

Bids were received and publicly read on September 1, 2021. The low bid of \$195,736.70 was submitted by Pipetek Infrastructure Services, 861 William, Plymouth, MI 48170, as shown on the attached bid tab.

Work was competitively bid and publicly opened with four (4) bidders responding. The award is contingent upon submission of proper contract and bid documents, including bonds, insurance certificates and all specified requirements.

Financial

Funds for this work are included in the 2021-22 Sewer Fund. (Account # 590.527.535.7973.204055) The budgeted amount includes funds for construction, inspection, testing, and contingencies.

Recommendation

It is recommended that City Council award the 2021 Sewer Cleaning & Televising contract to Pipetek Infrastructure Services, 861 William, Plymouth, MI 48170, for their low base bid of \$195,736.70.

In addition, we are requesting authorization to approve additional work, if needed, not to exceed \$400,000.00 due to unknown condition of the existing trunk line sanitary sewers. A copy of the bid tab and recommendation shall be attached to the original Minutes of this meeting.
