CITY COUNCIL AGENDA ITEM

Date:	December 6, 2021	y
То:	Mark F. Miller, City Manager	
From:	Robert J. Bruner, Assistant City Manager Robert Maleszyk, Chief Financial Officer Lisa Burnham, Controller Richard Riesterer, Fire Chief Peter Hullinger, Assistant Fire Chief Emily Frontera, Purchasing Manager	
Subject:	Budget Amendment and Standard Purchasing Resolution 4: H-GA Purchasing Program-Ladder Truck for the Fire Department	C Cooperative

<u>History</u>

The Troy Fire Department operates a fleet of 21 apparatus (fire trucks) from six fire stations including: eight pumpers; six ladder trucks; one heavy rescue truck; one mobile air tender; one brush fire vehicle; one utility vehicle; and one Mobile Command Post. The many different vehicles afford us the ability to provide diversification, efficiency, and safety. The fleet diversity also allows us to meet various components for Insurance Services Office, Inc., (ISO) and National Fire Protection Association (NFPA) requirements and standards.

Like any vehicle or piece of equipment, however, each has an expected service life. Ladder 2, a 1994 model, was assigned at Fire Station #2 on Livernois. It was approaching it's expected service life of 28 to 30 years. However, while being driven to a vendor location for repairs, the engine had a catastrophic failure.

Ladder 2 was towed to the City of Troy, Fleet Division, to be evaluated. It was quickly determined that the engine was not repairable and would need to be replaced. The Fire Department maintains a 40-year replacement schedule for fire apparatus due to the importance of keeping these trucks responding to calls, build times and size of the fleet. Ladder 2 was slated to be ordered in this upcoming budget year 2022/2023 as this type vehicle requires an average 12 to 14-month build time due to its specialty design and use.

After evaluating the pricing, construction time, forecasted cost increases, and the fact that this truck was slated for replacement in the upcoming budget year, the Fire Department and City Management decided it would be in the best interest of the City of Troy to order the new truck now.

500 West Big Beaver Troy, MI 48084 troymi.gov

CITY COUNCIL AGENDA ITEM

Purchasing

The Fire Department has been working on a multi-year plan of standardizing fire apparatus. The current Ladder 2 was a Sutphen SP100 truck and will be replaced with a Sutphen SPH100 truck. Using the <u>Houston Galveston Area Council's (H-GAC) Cooperative Purchasing Program</u>, and in comparing general cost estimations, the Sutphen SPH100 offers the best value to suit the City's needs and requirements.

The H-GAC Cooperative Purchasing Program has been in existence for over 30 years, specializing in capital intensive products and services that require technical, detailed specifications, and extensive professional skills to evaluate bid responses. A cooperative bid was issued by the H-GAC Cooperative Purchasing Program and contract executed on November 18, 2019. Sutphen Corporation of Dublin, OH was the lowest responsible bidder awarded for Fire Service Apparatus (All Types), H-GAC Contract #FS12-19. On November 8, 2021, City Council authorized participation in Cooperative Purchasing Programs (Resolution #2021-11-160)

Pricing to purchase one (1) Sutphen Custom SPH100 Aerial Platform truck has been secured by Sutphen Corporation through the H-GAC Contract # FS12-19 for an estimated total cost of \$1,438,950 as per the attached proposal dated November 22, 2021 and to be purchased from *Apollo Fire Equipment of Romeo, MI*, the local authorized Sutphen dealer.

Financial

This acquisition will require a budget amendment in the amount of \$1,438,950 to the Fire Departments Fire Operations Capital Fund for the 2022 fiscal year. Expenditures will be charged to account number 401.336.338.7984.

Recommendation

City management recommends awarding a contract to *Apollo Fire Equipment of Romeo, MI*, the local authorized dealer in Michigan, for the purchase of the Sutphen SPH100 ladder truck from *Sutphen of Dublin, OH*, for an estimated total cost of \$1,438,950 as detailed in the attached proposal and as per the H-GAC Cooperative Purchasing Contract #FS12-19. It is also recommended that City Council approve a budget amendment to the Fire Departments Apparatus Replacement Capital Account in the amount of \$1,438,950.

TO THE:

DATE: November 22,2021

Asst. Chief Peter Hullinger City of Troy Fire Department 500 West Big Beaver Troy, Michigan 48084

We hereby propose and agree to furnish the following firefighting equipment upon your acceptance of this proposal:

One (1) Sutphen Custom SPH100 Aerial Platform complete and delivered for a total sum of...... \$1,438,942.64 * The total pricing does not include any additional Sutphen prepayment discounts options.

The units shall be manufactured completely in accordance with the following proposal and delivered in approximately **14-16** months from the date of the contract signing or purchase order, subject to delays from all causes beyond our control.

This proposal shall be good until January 3rd,2022. If the contract or purchase order is not received within this proposed duration, we reserve the right to extend, withdraw, or modify our proposal, including pricing, delivery times, and prepayment discounts as applicable.

Respectfully submitted

David R. Desrochers Apollo Fire Equipment Company Authorized Representative for Sutphen Corporation Cell Phone (248) 736-3371 ddesrochers@apollofire.com
