Robert C. Maleszyk, Chief Financial Officer  
Lisa Burnham, Controller  
Frank Nastasi, Police Chief  
David Druyor, Police IT Manager  
Michael Giorgi, Police Lieutenant  
Emily Frontera, Purchasing Manager

Subject: Contract Extension – Police IT Resources

---

## **History**

- On December 4, 2017, Troy City Council approved a two (2) year contract to provide Police IT Resources with an option to renew for two (2) additional years to sole bidder *BPI Information Systems of Farmington Hills, MI* as a result of a best value process; contract expiring December 31, 2021 (Resolution #2017-12-192-J-4b).
- The Research and Technology Division of the Troy Police Department supports the electronic and technological logistics that the Police Department utilizes in pursuit of its mission statement. BPI Information Systems has helped ensure that there are no staffing gaps within the Police IT Division allowing the department to maintain the excellence that has historically been demonstrated.

## **Purchasing**

- *BPI Information Systems of Farmington Hills, MI* has expressed an interest in extending its contract to provide Police IT Resources for one (1) additional year under the same pricing, terms and conditions as the original bid pricing in 2017.
- BPI Information Systems has met all contract terms and conditions in accordance to RFP-COT 17-14 and continues to meet expectations delivering professional and responsive IT services.
- BPI Information Systems has been a trusted source of Information Technology personnel, assisting with regular operations and special projects. They have a trustworthy staff that is familiar with the City of Troy Police Department, business operations, and projects.
- Individuals assigned to the Police Department Research and Technology Division have been knowledgeable and of great assistance to the Police IT Division. BPI Management stays in close contact and offers insight gained from working with other agencies offering training to the on-site employee to meet the specific needs of the department.
- A market survey was performed by the City of Troy IT Department and it was found that the contract rates provided by BPI are very competitive and in the best interest of the City to extend this contract for one (1) additional year.

## **Financial**

Funds are available in the Police Department Research and Technology Personnel Budget for this service.

## **Recommendation**

City management recommends City Council approve the one (1) year contract extension with *BPI Information Systems of Farmington Hills, MI* to provide IT Services to the Troy Police Department for an estimated total annual cost of \$89,000; not to exceed budgetary limitations under the same prices, terms and conditions contained in the original bid tabulation; contract to expire December 31, 2022.
