Subject: City Council Meeting Agenda Questions

Following are my two agenda questions:

I-04 BUDGET AMENDMENT - TROY DOWNTOWN DEVELOPMENT AUTHORITY

Is there a general timeline for the design development and ultimately project completion?

**Answer: Kurt Bovensiep, Public Works Director**

The study of the area and engagement is scheduled to be completed by June 30, 2022. The rest of the project is very dependent on the results of the study and engagement as we are not sure what the proposed scope of the project will be. My best estimate is that the concept will be completed by fall 2022, once the concept is agreed upon engineering will be through the winter 2022-2023, construction would begin spring-summer 2023 with a completion sometime in 2024.

J-09 REQUEST TO VACATE A PORTION OF SANITARY SEWER EASEMENT - SIDWELL #88-20-21-352-016 AND FOR ACCEPTANCE OF TWO PERMANENT EASEMENTS - SIDWELL #88-20-21-352-016 AND -017

So with this, are we satisfied that the infrastructure needs are met there?

**Answer: Scott Finlay, Deputy City Engineer**

Yes, new sanitary sewer has been constructed, tested and placed into service.

Thanks,

Ellen
