Subject: Questions/Comments on 1/24 Regular Council Meeting Agenda

Good morning,

Please see below for questions / comments on the agenda packet.

I-7 / Special Council Meetings

- It seems like Council just reviewed the Rules of Procedure. Is there a specific area of concern or focus?
- Business commitments in February may impact my ability to support the proposed 2/14 or 2/28 study session, but not suggesting an alternate date if there is a quorum (I would provide my comments to staff in advance). No conflict with the 3/23 session.

**Answer: City Manager's Office**

The primary purpose of the City Council Rules of Procedure meeting is to discuss how the City will move forward with proclamations and presentations. We will discuss any other changes that Council deems necessary.

O-02B / CSLFRF

- Have any funds been expended under the interim rules?

**Answer: Kyle Vieth, Financial Compliance Manager**

No funds have been expended under the interim rules. We will be evaluating how these funds will be spent during the budget process, therefore we will only be subject to the final rule going forward.

Thanks,  
Edna
