Chief Chuck Riesterer  
Troy Fire Department  
1019 E Big Beaver Road  
Troy, MI 48083

Dear Chief Riesterer:

On behalf on the Detroit Lions and Ford Field, please accept my sincere appreciation for the donation of the following fire hose and equipment:

6 pieces of 50' 1 ¾" firehose  
1 piece of 100' 1 ¾" firehose  
1 piece of 10' 2 ½ " firehose  
1 ¾' to 2 ½" adapter  
1 ¾" adjustable fire nozzle

This equipment allowed our crew to use a different approach to cleaning the tunnel to the field after hosting 3 dirt events at Ford Field. As a result, we were able to save several man hours and perform a deeper clean than would have been otherwise possible.

If there is ever anything we can do to return the favor, or otherwise help out the Troy Fire Department, please do not hesitate to ask. We appreciate your support and partnership.

Sincerely,

Todd Argust  
VP Operations
