# CITY COUNCIL AGENDA ITEM

Date: April 4, 2022  
To: Mark F. Miller, City Manager  
From: Robert J. Bruner, Assistant City Manager  
Kurt Bovensiepe, Public Works Director  
William J. Huotari, City Engineer  
Subject: Act 51 Mileage Certification for 2021

## History

In accordance with the guidelines for adding or deleting streets to the annual road mileage certification for cities and villages, the following non-platted streets require a resolution from Council to accept jurisdiction of these streets.

### Additions:

Meadowlark	214.92 ft.	Meadowlark
Hart	103.86 ft.	West Troy Meadows
Webb	70.00 ft.	West Troy Meadows
Virgilia	547.78 ft.	West Troy Meadows

The addition of these local streets will bring the local road mileage total to 270.25 miles, the major total will remain at 57.34 miles.

## Financial

The City of Troy's allocation of Michigan Transportation Funds is based on the number of miles of road under City jurisdiction. The roads listed under additions are under control of the City, open for public purposes, and are being maintained by the City. It is necessary that the foregoing roads be added to the Act 51 mileage report so that transportation funds can be properly allocated to the City of Troy.

## Recommendation

It is recommended that the roads listed above, under additions, be accepted and certified for the Act 51 mileage report.
