(Introduced by: Mark F. Miller, City Manager)

History

According to Section 3.9 of the City Charter, all administrative officers of the City except the City Manager and Attorney shall be appointed by the City Manager for an indefinite period subject to confirmation by the Council. Such officers shall be responsible to the City Manager, and the City Manager shall fix the compensation therefore in accordance with the budget appropriations and subject to the approval of the Council.

In addition, the City of Troy maintains a Civil Service Commission, also known as the Act 78 Board as established by the Firemen and Policemen Civil Service System Act 78 of 1935. This board is charged to provide a civil service system based upon examination and investigation as to merit, efficiency, and fitness for appointment, employment, and promotion of all full-time paid members of the Police and Fire departments.

The Act 78 Commission certified an eligible list for the position of Fire Chief on December 29, 2020. As such, Mr. Hullinger has been deemed eligible for and offered employment for the position of Fire Chief subject to Council confirmation.
