Paul Trosper, Water & Sewer Operations Manager

Emily Frontera, Purchasing Manager

Subject: Standard Purchasing Resolution 2 – Low Bidder Meeting Specifications – Water System

Materials

<u>History</u>

• The Water and Sewer Division is responsible for new water service installations and maintenance, water main repairs and replacement, and Mueller hydrant repairs and replacement.

- In order to maintain these infrastructures, minimum quantities of parts are kept on hand.
- Water system materials will be purchased on an as needed basis to replenish inventories throughout the year at unit prices as specified and detailed in the bid tab.
- The current contract expired June 30, 2022.

<u>Purchasing</u>

- On June 23, 2022, a bid opening was conducted as required by the City Charter/Code for one (1) year requirements of Water System Materials.
- The bid was posted on the MITN Purchasing Group website, www.bidnetdirect.com//city-of-troy-mi.
- Two (2) bids were received. Below is a detailed summary of potential vendors.

<u>MITN</u> provides a resourceful online platform to streamline the procurement process, reduce costs, and make it easier and more transparent for vendors to do business with the City of Troy.

<u>Active MITN</u> members with a current membership and paying annual dues receive automatic electronic notification which allows instant access to Bids, RFPS and Quote opportunities with the City.

Active MITN non-paying members are responsible to monitor and check the MITN website for opportunities to do business with the City.

Inactive MITN member status can occur when a company does not renew their account upon expiration. Inactive members cannot be notified of solicitations or access any bid information.

- Based upon the bid responses and per the attached bid tabulation; it is in the City's best interest
 to combined all proposals and award a single contract to the total low bidder, Ferguson Waterworks
 of Warren, MI.
- Bid pricing from Etna Supply Company is held firm only to June 23, 2023. Bid specifications require
 that pricing be held firm for the entire contract period which expires one calendar year from July 1,
 2022 or date of award, whichever is later. Additionally, Etna indicated that their bid was not to be
 broken up and quoted lead times of 36 weeks. Therefore, Ferguson Waterworks is the low bidder
 meeting specifications and pricing requirements.

CITY COUNCIL AGENDA ITEM

Financial

Funds are available in the operating budgets for the Water and Sewer Division for the 2023 Fiscal Year. These funds will be drawn primarily from three accounts; Maintenance of Mains 591.537.541.7740.010, Maintenance of Service 591.537.542.7740.010, and Maintenance of Hydrants 591.537.544.7740.010.

Recommendation

City Management recommends awarding a one (1) year contract for Water System Materials, to overall low bidder meeting specifications, *Ferguson Waterworks of Warren, MI* for an estimated total cost of \$250,337.50 at unit prices contained in the bid tabulation opened June 23, 2022; to be ordered on an as needed basis.
