### **OTHER ITEMS**

#### **5. STUDY ITEM – POTENTIAL REZONING AND PRELIMINARY SITE PLAN – Elevate Mixed Use Development, Southeast Corner of Big Beaver and Todd (1985 W. Big Beaver, 1936 Butterfield, 1787 W. Big Beaver and PIN 88-20-29-226-020), Section 29, Currently Zoned BB (Big Beaver), P (Parking) and R-1C (One Family Residential) Zoning Districts**

Mr. Carlisle presented background information on a potential Rezoning and Preliminary Site Plan for Elevate Mixed Use Development. He addressed the proposed combination of five parcels to construct a new five-story mixed use building that wraps around an existing building. The application proposes a 7,000 square foot restaurant, a 70-unit apartment building and a drop off circle with valet service located between the restaurant and apartment building. Mr. Carlisle addressed parking, the applicant's request for relief of 54 parking spaces, access points, amenities and an existing office parcel under separate ownership that is not part of the application. He reported the applicant has not indicated which zoning district would be sought for the rezoning.

Mr. Carlisle reported the application presented this evening is a conceptual plan only and no action would be taken.

Mr. Carlisle asked the Planning Commission to consider the following:

- Is the plan consistent with the City Master Plan?
- Does the Planning Commission support the proposed mix of uses and housing types? Are there additional types or changes in types that the Planning Commission thinks should be considered?
- Is there concern about the future of the remaining parcel zoned Office that is not part of the application?
- Are there site plan changes that the applicant should consider?
- Are there other onsite amenities that the applicant should include?
- Are there other considerations that should be discussed with the applicant?

Discussion among administration and Planning Commission:

- Potential partnership with office building not included in rezoning application.
- Parking; location, residential/restaurant uses, covered/uncovered, shared, valet/self-parking.
- Parking study required and parking requirements must be met with application submittal.

Mr. Savidant introduced property owner Jason Hamama of Encore Development and the architectural team, Peter Stuhlreyer and Mike Pizzola of Designhaus.

Some comments during discussion related to:

- Relationship of apartment building to restaurant.
- Consideration to locate apartment building further south.
- Zoning districts that applicant might seek to rezone parcels; Big Beaver (BB) or Planned Unit Development (PUD).
- Straight rezoning request versus conditional rezoning request.
- Parking; shared, valet, self-parking, consideration of additional parking level if needed.
- Potential use of parcel under separate ownership should it be acquired; encourage partnership of exempt parcel in rezoning application.
- Five (5) foot sidewalk would be provided to accommodate pedestrian traffic.
- Banquet room and co-workspace are for use by apartment residents only.

Mr. Savidant summarized Planning Commission comments:

- Support rezoning to the Big Beaver zoning district.
- Come back with a workable parking design.
- Consider pulling residential further to the south.
- Encourage owner of parcel exempt from conceptual plan to participate in rezoning process.

6. PLANNING COMMISSION SCHEDULE – Resolution to Cancel October 11, 2022 Regular Meeting

After a brief discussion, it was the consensus of the Planning Commission to cancel the October 11, 2022 regularly scheduled meeting.
