ZONING ORDINANCE TEXT AMENDMENT

5. PUBLIC HEARING – ZONING ORDINANCE TEXT AMENDMENT (File Number ZOTA 257)
– Places of Worship

Ms. Dufrane introduced proposed revisions to the Zoning Ordinance relating to places of worship because of a Zoning Board of Appeals litigation decision. She stated a Federal District Court Judge made known that portions of Sections 4.21 and 6.21 of the Zoning Ordinance are not enforceable as written. Ms. Dufrane emphasized the proposed revised text is not a directive from the Court but that the proposed revisions were drafted by the administration after a comprehensive review.

There was discussion, some comments related to:

- Proposed revisions as relates to the protection of residentially zoned properties; i.e., parking, setbacks, frontage and access to major or minor arterial roads.
- Zoning Ordinance definition of places of worship.
- Charge of the Zoning Administrator to interpret the Zoning Ordinance.
- Intent is to apply similar treatment to both religious institutions and nonreligious places of assembly and institutions.

SPECIAL USE AND PRELIMINARY SITE PLAN APPROVALS

6. SPECIAL USE APPROVAL AND PRELIMINARY SITE PLAN REVIEW (File Number SU JPLN2022-0004) – Proposed 2690 Crooks Road Apartments, East side of Crooks, South of Big Beaver (2690 Crooks), Section 28, Currently Zoned BB (Big Beaver) District

Mr. Carlisle reviewed the Special Use and Preliminary Site Plan application for 2690 Crooks Road Apartments. The applicant proposes to repurpose the existing 4-story Lindsey Center building and construct a new 5-story multiple family residential building. Mr. Carlisle addressed the number of units, access and circulation, site arrangement, shared parking with 911 and 999 W. Big Beaver sites, waiver to relocate required parking lot trees and architectural features. Mr. Carlisle explained the Special Use Approval relates to the proposed residential use on the first floor not facing a public right of way. He reported the application includes a traffic study reviewed by both the City Traffic Consultant OHM Advisors and Oakland County Road Commission (OCRC). Mr. Carlisle said OHM and OCRC representatives are present this evening to address traffic and proposed shared parking.

(Mr. Savidant exited the meeting at 7:31 p.m.; returned at 7:33 p.m.)

Mr. Carlisle said as part of the deliberation, the Planning Commission should consider compliance with Section 5.04E Big Beaver Design Standards, Section 8.06 Site Plan Review Standards and Section 9.02.D Special Use Standards, as well the required transparency for the east, north and south elevations, parking lot tree location, proposed shared parking and consideration of providing a three-dimensional (3-D) rendering of the entire development.

Mr. Carlisle reported any approval this evening should be subject to the conditions identified in his report dated January 4, 2023 as part of Final Site Plan approval. Mr. Carlisle reminded the Board there was no public comment at the Public Hearing conducted at their December 13, 2022 meeting.

Board members expressed confusion in the review and deliberation of this application because of its relationship to Agenda item # 7 on tonight’s agenda.

It was determined the Planning Consultant would give a review on Agenda item #7, 911 and 999 W. Big Beaver Special Use Approval and Preliminary Site Plan application prior to taking any action on the 2690 Crooks Road application.

Applicant Jordan Jonna said the ownership structure of the subject parcels dictated the submission of individual applications. He noted that the south site (2690 Crooks) has sufficient parking to stand alone whether the north site (911 and 999 W. Big Beaver) is developed or not.

There was discussion, some comments related to:

- Building heights.
- Green recreational space deficiency.
- Shared parking.
 - Coordination of parking during construction phases.
 - Dynamics of shared parking among the various uses.

**Refer to page 6, Agenda item #7 for additional comments that relate to both applications.*

Resolution # PC-2023-01-xxx (motion withdrawn)

Moved by: Krent
 Seconded by: Faison

RESOLVED, The Planning Commission hereby approves a reduction in the total number of required parking spaces for the proposed 2690 Crooks Road residential development to 221 when a total of 312 spaces are required on the site based on the off-street parking space requirements for multi-family residential. This 91-space reduction is sufficient to meet parking demands based on shared parking provided on the abutting site to the north; and,

RESOLVED, That Special Use Approval and Preliminary Site Plan Approval for the proposed 2690 Crooks Road Apartments, east side of Crooks, south of Big Beaver (2690 Crooks), Section 28, Currently Zoned BB (Big Beaver) District, be granted, subject to the following conditions:

1. Increase the drive-aisle width to at least 26 feet.
2. Improve pedestrian circulation based on OHM’s comments.
3. Confirm existing screening of trash enclosure.
4. Confirm building lighting.
5. Verify unit numbers.
6. Provide a shared parking agreement to the satisfaction of the City Attorney prior to Final Site Plan Approval.
7. Provide transparency calculations.

Mr. Krent withdrew his motion from the floor. Mr. Faison was in support of its withdrawal.

Mr. Carlisle said OHM and OCRC representatives are present this evening to address traffic and proposed shared parking.
