

TROY CITY COUNCIL

REGULAR MEETING AGENDA

FEBRUARY 13, 2023

CONVENING AT 7:30 P.M.

Submitted By The City Manager

NOTICE: Persons with disabilities needing accommodations for effective participation in this meeting should contact the City Clerk at (248) 524-3316 or via e-mail at <u>clerk@troymi.gov</u> at least two working days in advance of the meeting. An attempt will be made to make reasonable accommodations.

500 West Big Beaver Troy, MI 48084 troymi.gov

The Honorable Mayor and City Council Members

City of Troy 500 West Big Beaver Troy, MI 48084

Dear Mayor and City Council Members:

In this packet, you will find the agenda for the City Council meeting. To help facilitate an informed discussion, the packet provides you with agenda items and additional details. The packet also contains recommended courses of action for your consideration and seeks to aid you in adopting sound policy decisions for the City of Troy.

This comprehensive agenda has been put together through the collaborative efforts of management and staff members. We have made all attempts to obtain accurate supporting information. It is the result of many meetings and much deliberation, and I would like to thank the staff for their efforts.

If you need any further information, staff is always available to provide more information and answer questions that may arise. You can contact me at <u>CityManager@troymi.gov</u> or 248.524.3330 with questions.

Respectfully,

Mark F. Miller, City Manager

Chapter 14A – Elected and Appointed Persons' Ethics Ordinance Section 14.3 Annual Training and Acknowledgement

We, the undersigned Members of Troy City Council, have reviewed *Chapter 14A – Elected and Appointed Persons' Ethics Ordinance*, understand its contents, and agree to be bound by its provisions.

Signed this 14th day of November, 2022.

Mayor Ethan Baker

Council Member Edna Abrahim

Mayor Pro Tem Rebecca Chamberlain-Creanga

Council Mémber David Hamilton

Council Member Theresa Brooks

Council Member Ann Erickson Gault

Council Member Ellen Hodorek

RESOLVED, That Troy City Council hereby EXCUSES the absence of	at the
Regular City Council of February 13, 2023, due to	

Yes: No:

C. CERTIFICATES OF RECOGNITION AND SPECIAL PRESENTATIONS:

C-1 Troy Youth Assistance Annual Report (*Presented by: Karl Schmidt, Troy Youth Assistance Advisor, and Shari Pawlus, Troy Youth Assistance Co-Chair*)

D. CARRYOVER ITEMS:

D-1 No Carryover Items

E. PUBLIC HEARINGS:

E-1 No Public Hearings

F. PUBLIC COMMENT FOR ITEMS ON THE AGENDA FROM TROY RESIDENTS AND BUSINESSES:

In accordance with the Rules of Procedure for the City Council:

Any person not a member of the City Council may address the Council with recognition of the Chair, after clearly stating the nature of his/her inquiry or comment. <u>NOTE TO THE PUBLIC</u>:

City Council requests that if you do have a question or concern, to bring it to the attention of the appropriate department(s) whenever possible. If you feel that the matter has not been resolved satisfactorily, you are encouraged to bring it to the attention of the City Manager, and if still not resolved satisfactorily, to the Mayor and Council.

- Petitioners of items that are included in the pre-printed agenda booklet shall be given a fifteen (15) minute presentation time that may be extended with the majority consent of City Council.
- Any member of the public, not a petitioner of an item, shall be allowed to speak for up to three (3) minutes to address any Public Hearing item.
- Any member of the public, not a petitioner of an item, does not have the right to engage in discussion or debate with City Council during the Public Comment portions of the meeting.
- All members of the public who wish to address the Council at a meeting shall be allowed to speak only if they have signed up to speak within thirty minutes before or within fifteen minutes after the meeting's start time. Signing up to speak requires each speaker provide his or her name. If the speaker is addressing an item(s) that appears on the pre-printed agenda, then the speaker shall also identify each such agenda item number(s) to be addressed.
- City Council may waive the requirements of this section by a consensus of the City Council.
- Agenda items that are related to topics where there is significant public input anticipated should initiate the scheduling of a special meeting for that specific purpose.

Prior to Public Comment, the Mayor may provide a verbal notification of the rules of decorum for City Council meetings or refer to the pre-printed agenda booklet, which will include the following language, as approved by City Council:

Please direct your comments to the City Council as a whole rather than to any individual. Please do not use expletives or make derogatory or disparaging comments about any individual or group. If you do, there may be immediate consequences, including being muted and having your comments omitted from any re-broadcast of the meeting. Please abide by these rules in order to minimize the possibility of disrupting the meeting.

Yes: No:

J-1b Address of "J" Items Removed for Discussion by City Council

Approval of City Council Minutes J-2

Suggested Resolution Resolution #2023-02-

RESOLVED, That Troy City Council hereby **APPROVES** the following Minutes as submitted:

a) City Council Minutes-Draft – January 23, 2023

- **J-3 Proposed City of Troy Proclamations: None Submitted**
- **J-4 Standard Purchasing Resolutions:**
- Standard Purchasing Resolution 4: OMNIA Partners Cooperative Purchasing a) Contract - Stage Nature Center Boardwalk Replacement Phase I and Standard Purchasing Resolution 5: Approval to Expend Budgeted Funds – Stage Nature Center Boardwalk Replacement Additional Materials, Equipment and Installation

Suggested Resolution Resolution #2023-02-

RESOLVED, That in the best interest of the City, Troy City Council hereby **WAIVES** the bid process and AWARDS a contract to Home Depot for the purchase of materials for the Stage Nature Center Boardwalk Replacement Phase I for an estimated cost of \$29,244.96 per the OMNIA Partners Cooperative Purchasing Contract #16154 with a 10% contingency.

BE IT FURTHER RESOLVED, That Troy City Council hereby APPROVES expending budgeted Capital Funds for additional materials, equipment and installation as required to complete the in-house replacement by City Staff; not to exceed budgetary limitations.

b) Standard Purchasing Resolution 4: State of Michigan MiDeal Cooperative Purchasing Contract – Four (4) Ton Falcon Asphalt Recycler Hot Box Trailer

Suggested Resolution Resolution #2023-02-

RESOLVED, That in the best interest of the City, Troy City Council hereby **WAIVES** the bid process and **APPROVES** a contract to purchase one (1) 4-Ton Falcon Asphalt Recycler & Hot Box Trailer including various options from *Falcon Asphalt Repair Equipment, of Midland, MI* for an estimated total cost of \$22,979.43 which includes a \$5,000 trade-in allowance, at prices contained in the attached quote #OZ01112023-017 and as per the State of Michigan MiDeal Contract #071B7700092.

c) Standard Purchasing Resolution 10: Travel Authorization and Approval to Expend Funds for Troy City Council Member Travel – 2023 Michigan Municipal League Cap Con

Suggested Resolution Resolution #2023-02-

RESOLVED, That Troy City Council hereby **AUTHORIZES** City Council Member travel expenses for the Michigan Municipal League 2023 Cap Con, in accordance with accounting procedures of the City of Troy.

d) Standard Purchasing Resolution 2: Award to Low Bidder Meeting Specifications – Demolition of Buildings and Structures – 109 Lange

Suggested Resolution Resolution #2023-02-

RESOLVED, That Troy City Council hereby **AWARDS** a contract for the demolition of all buildings and structures at 109 Lange to the low bidder meeting specifications, *The Adams Group Inc.* of *Rochester Hills, MI* for an estimated total cost of \$16,950 at prices contained in the bid tabulation opened January, 26, 2023; a copy of which shall be **ATTACHED** to the original Minutes of this meeting; not to exceed budgetary limitations.

BE IT FURTHER RESOLVED, That the award is **CONTINGENT** upon the submission of properly executed bid and proposal documents, including insurance certificates and all other specified requirements.

e) Standard Purchasing Resolution 1: Award to Low Bidder – Contract 23-02 – Beach Road Pavement Rehabilitation

Suggested Resolution Resolution #2023-02-

RESOLVED, That Troy City Council hereby **AWARDS** Contract No. 23-02, Beach Road Pavement Rehabilitation, to *Pro-Line Asphalt Paving Corp., 11797 29 Mile Road, Washington, MI 48095*, for their low bid of \$1,378,054.50.

BE IT FURTHER RESOLVED, That the award is **CONTINGENT** upon submission of proper contract and bid documents, including bonds, insurance certificates and all specified requirements, and if additional work is required such additional work is **AUTHORIZED** in an amount not to exceed 20% of the total project cost.

f) Standard Purchasing Resolution 4: Sourcewell and Oakland County Cooperative Purchasing Contracts – Report Area Renovation, Troy Police Department, and Standard Purchasing Resolution 5: Approval to Expend Budgeted Funds – Police Department Report Area Painting and Wall Repairs

Suggested Resolution Resolution #2023-02-

RESOLVED, That in the best interest of the City, Troy City Council hereby **WAIVES** the bid process and **AWARDS** contracts to *NBS Commercial Interiors of Troy, MI (via Steelcase)* for the Report Area renovation furniture for an estimated cost of \$36,039.11 as detailed in the attached quote and as per the Sourcewell Cooperative Purchasing Contract #19Z08621, and to *Shaw Service & Maintenance of Southfield, MI* for the electrical and network installation for an estimated cost of \$19,217.00 and a 15% contingency as detailed in the attached quote and as per the Oakland County Extended Purchasing Program Contract #008405.

BE IT FURTHER RESOLVED, That Troy City Council hereby **APPROVES** expending budgeted Capital Funds for the painting and wall repairs at the Police Department Report Area for an estimated cost of \$8,000 and a 15% contingency.

BE IT FINALLY RESOLVED, That the award is **CONTINGENT** upon contractors' submission of properly executed contract documents, including insurance certificates and all other specified requirements.

g) Standard Purchasing Resolution 3: Exercise Renewal Option – Municipal Testing Services

Suggested Resolution Resolution #2023-02-

WHEREAS, On March 5, 2018, Troy City Council approved a five (5) year contract to provide Municipal Testing Services with an option to renew for an additional five (5) years based upon mutual consent of both parties, to Intertek PSI and Testing Engineers & Consultants as a result of a best value process, (Resolution #2018-03-027-J-4b); and,

WHEREAS, Intertek PSI and Testing Engineers & Consultants have offered to renew their contract for five (5) additional years under the same terms and conditions as the 2018 contract, except as provided by their revised pricing schedule, a copy of which shall be **ATTACHED** to the original Minutes of this meeting;

NOW, THEREFORE, BE IT RESOLVED, That Troy City Council hereby **EXERCISES** the fiveyear option to renew contracts for Municipal Testing Services with *Intertek PSI of Troy, MI* and *Testing Engineers & Consultants, Inc (TEC) of Troy, MI*, under the same terms and conditions as the 2018 contract and their respective revised pricing schedules, which includes 3% annual adjustments.

J-5 PA 152 – Publicly Funded Health Care

Suggested Resolution Resolution #2023-02-

WHEREAS, Public Act 152 of 2011 allows for a Local Government Opt-Out alternative; and,

WHEREAS, Choosing the Opt-Out alternative allows the City to continue to offer medical insurance to all full-time employees with the premium contribution percent established in current collective bargaining agreements;

THEREFORE, BE IT RESOLVED, That the Troy City Council hereby **SELECTS** the Local Unit Opt-Out for plan year 2023/24.

J-6 Traffic Committee Recommendations and Minutes – January 18, 2023

Suggested Resolution Resolution #2023-02-

4. Request for Traffic Control – Cidermill Drive at Country Ridge Drive

RESOLVED, That the intersection of Cidermill Drive at Country Ridge Drive be **MODIFIED** from UNCONTROLLED on the Cidermill Drive approach to STOP control on the Cidermill Drive approach to the intersection.

J-7 City of Troy Investment Policy and Establishment of Investment Accounts

Suggested Resolution Resolution #2023-02-

RESOLVED, That Troy City Council hereby **APPROVES** the *Investment Policy and Establishment of Investment Accounts* as outlined in the memorandum and revised by Chief Financial Officer, Robert C. Maleszyk, dated February 13, 2023; a copy of which shall be **ATTACHED** to the original Minutes of this meeting.

J-8 Private Agreement – Contract for Installation of Municipal Improvements – Springhill Suites – Project No. 19.914.3

Suggested Resolution Resolution #2023-02-

RESOLVED, That Troy City Council hereby **APPROVES** the Contract for the Installation of Municipal Improvements (Private Agreement) between the City of Troy and *Stellar Hospitality Troy, LLC* for the installation of Water Main, Storm Sewer, Concrete Sidewalk and Pavement, and Underground Detention System, and the Mayor and City Clerk are **AUTHORIZED** to execute the documents; a copy of which shall be **ATTACHED** to the original Minutes of this meeting.

J-9 Private Agreement – Contract for Installation of Municipal Improvements – Forum Flats – Project No. 22.921.3

Suggested Resolution Resolution #2023-02-

RESOLVED, That Troy City Council hereby **APPROVES** the Contract for the Installation of Municipal Improvements (Private Agreement) between the City of Troy and *F Squared, LLC* for the installation of Water Main, Storm Sewer, Sanitary Sewer, and Underground Detention System, and the Mayor and City Clerk are **AUTHORIZED** to execute the documents; a copy of which shall be **ATTACHED** to the original Minutes of this meeting.

TROY YOUTH ASSISTANCE ANNUAL REPORT 2021-2022

From The Co-Chairs:

Troy Youth Assistance continues to make changes to ensure we are serving the community and meeting their needs. The needs of families since the pandemic have changed a bit and we want to make sure that our resources change with it. Now more than ever we are seeing youth exhibiting signs of anxiety, depression, and other mental health issues. We continue to provide support to those families through family education, grants, and other services.

Troy Youth Assistance was able to provide a Boost Grant. This grant is designed to help students overcome obstacles and continue their journey toward reaching their professional and academic goals. We have also provided families with donations and resources for housing, groceries, gas, and utilities to help lessen the impact on youth with parents that were financially impacted during the pandemic.

Troy Youth Assistance continues to be a vital organization dedicated to the protection and advancement of at-risk youth throughout our city. We are committed to the prevention of juvenile delinquency, child neglect, and abuse through community involvement and family education. Through the collaboration of our capable staff and volunteers, Troy Youth Assistance continues to advocate for our youth.

On behalf of everyone associated with Troy Youth Assistance, it is our privilege to present the 2021-2022 Annual Report, which highlights just a sampling of the important functions we provide to our deserving constituents.

Thank you for your continued support!

Kristin Meldrum & Shari Pawlus Co-Chairpersons

Youth Involvement

Youth Involvement is geared toward empowering our youth and developing their unique skill sets through a variety of activities focusing on showing kindness, comforting others in need, and being a positive influence in the community.

During the 2021-22 school year, Youth Involvement of Troy Youth Assistance

Hill Huskies carrying books for Drop Everything and Read

invested in supporting Red Pillar initiatives at the preschool and elementary level within the Troy School District. The Red Pillar ensures a focus on equity and wellbeing for every member of our school community. Our 13 schools, including the 12 Elementary Schools and the TSD Preschool, have committed time and resources around the work of equity, inclusive practices, and ensuring a sense of belonging throughout the school year.

Each building determined how the Troy Youth Assistance resources could be meaningfully allocated to positively impact the school community. Some investment of funds included purchasing consumable materials for service-learning projects throughout the community, contributing to March Is Reading Month shared experiences for each child to receive the same book, and partnerships with social emotional learning programs to name a few. Participants expressed gratitude for the opportunity to allocate resources targeted toward enhancing the focus on equity and sense of belonging of all members of their school community.

Camp/Skill Building

Our Camp/Skill Building program was developed to help youth benefit from positive learning experiences designed to enhance self-esteem or develop a specific skill. For the 2021-22 school year, financial assistance was awarded to 28 children ages 7-17 years old to attend programs such as soccer, football, baseball, karate, an 8th grade field trip, tutoring, and summer camps. Scholarships ranged from \$80 to \$300. Per Troy Youth Assistance policy, parents were required to pay part of the cost, as well as meet financial requirements.

Children at Summer Camp in Troy

Thank You!

Our work is only possible because of the support Troy Youth Assistance received from our donors, sponsors, and volunteers. We are very grateful for the generous

financial contributions from the Troy Police Department, City of Troy, Troy School District, Troy Women's Association, Troy Community Foundation, private donors, and Troy families. To our volunteers, we are grateful for the gift of time and talents that you share with us.

In June we honored and thanked our cherished volunteer, Robin Beltramini, as she stepped down from Troy Youth Assistance. As one of our key volunteers, Robin has been an advocate and supporter of Troy Youth Assistance for many years most recently chairing our Youth Recognition Committee. Robin made an impact at Troy Youth Assistance by making valuable improvements to our programs with her great ideas, knowledge, and enthusiasm. Thank you, Robin, we will miss your wisdom!

Robin Beltramini

LEADING A PATH TO A BRIGHTER FUTURE

HPCK HPCK BUILDEN

Wyatt Lucas with a participant

Troy High School student Wyatt Lucas founded Hockey Mentors for Special Olympians to provide opportunities for special needs people to experience hockey and ice skating. A Boost Grant from Troy Youth Assistance enabled Wyatt to host an afternoon of free hockey and ice skating for individuals with any type of special needs (cognitive, physical or emotional), along with their family and caregivers. This family friendly event took place on Saturday, June 11 at the Troy Sports Center in two of the ice rinks and included skate rental, hockey equipment, lunch, t-shirts for those skating, and a jersey for guests trying out hockey.

Wyatt recruited volunteers to help guests learn to skate and

play a friendly hockey scrimmage. Guests also watched exhibition games of teams consisting of people with different abilities. Wyatt worked hard to solicit additional sponsors for his event, and was extremely thankful to Troy Youth Assistance for the Boost Grant. Be sure to visit Wyatt's website at www.hockeymentors.net

Hockey Mentors for Special Olympians Event, June 11, 2022

Family Education

Since many students were returning to the classroom for the first time in over a year, Family Education of Troy Youth Assistance offered a new workshop focused on anxiety for middle school students titled *Students Coping With Post-COVID-19 Challenges*. The workshop was facilitated by a presenter new to Troy Youth Assistance, Alyx Deaner, MA, LLPC, NNC, CATP. Feedback from the attendees was very positive.

Additionally, Family Education offered our always popular youth workshops: Girls Stand Strong and Overcoming Frustration & Anger. Both are 4-week workshops geared towards youth in grades 4-6 where a parent/guardian attends the final session. Girls Stand Strong was offered virtually and Overcoming Frustration & Anger was an in-person workshop.

To keep our programs tailored to today's issues, the Family Education Committee reached out to the Troy School District principals, assistant principals, counselors, and social workers, and the School Resource Officers with a survey to determine current school and mental health issues to consider for future program topics.

The Family Education Committee welcomes new members to join in supporting Troy Youth Assistance's mission. The committee meets monthly, August thru June, on the 3rd Thursday morning of the month. Please consider joining us and sharing your expertise. Please reach out to the Troy Youth Assistance office for more information.

Mentors Plus

Troy Youth Assistance and Oakland County run a program that connects a child in need with a caring adult called Mentors Plus. The young people in the program benefit from having positive adult figures in their lives. This helps them develop the skills and confidence to believe more in themselves and to resist getting drawn into negativity that is sometimes around them. The motto is to be a friend, show the way.

Mentoring is fun, creates new friendships, and allows volunteers to share their lives with a child who needs attention and support. The time commitment is only 2 hours per week for a year. The mentors choose their own ways of connecting with the young person. Activities and meetings are planned on a one-to-one basis by the mentor and mentee.

This truly is a rewarding experience for both parties. Oakland County Youth Assistance provides an orientation, where they share information about the program and discuss the Mentor relationship and the roles. It is our sincere hope that you will feel the same excitement as we do about the difference a caring adult can make in a child's life. Please reach out to the Troy Youth Assistance office for more information.

Mission Statement

Troy Youth Assistance is committed to strengthening youth and families by preventing and reducing juvenile delinquency, child neglect and child abuse through community involvement.

Troy Youth Assistance is a volunteer-driven 501(c)(3) non-profit organization. It is one of 26 Youth Assistance programs in Oakland County. Each local Youth Assistance office is trisponsored by the Oakland County Circuit Court-Family Division, the local school district, and the city therein. The Oakland County Board of Commissioners provides major funding for a professional counselor in each unit. Volunteers work with the professional counselor to plan and sponsor local prevention programs for youth and their families.

I-6 Standard Purchasing Resolutions 1 and 2 for a Special Assessment District for Bituminous Asphalt Paving of Middlesex Country Homesites – Devonwood, Lenox and Sussex (Introduced by: Kelly Timm, City Assessor, and Scott Finlay, City Engineer)

(a) <u>Standard Resolution #1</u>

Resolution #2023-01-017 Moved by Baker Seconded by Hamilton

WHEREAS, The City Council deems it necessary and proposes to make the following described public improvements: Bituminous Asphalt Paving of Middlesex Country Homesites Devonwood, Lenox & Sussex-Section 7 SAD #22.101.1; and,

WHEREAS, It appears that part or all of the cost of said public improvement shall be defrayed by special assessment:

NOW, THEREFORE, BE IT RESOLVED, That:

- 1. The matter of said public improvement is referred to the City Manager, who shall prepare, or cause to be prepared, **plans showing the improvement** and the location thereof and as estimate of the cost thereof, and also maps and plans of the work.
- 2. Upon completion of the same, the same shall be presented to the City Council.

RESOLVED, That Troy City Council hereby **ADOPTS** Standard Resolution #1 to authorize the preparation of plans and cost estimates by the City Manager and whether to pay all or part of the cost of Bituminous Asphalt Paving of Middlesex Country Homesites in Section 7, SAD No. 22.101.1, all pursuant to Sections 1.1 and 1.2 of Chapter 5 of the Code of the City of Troy.

(b) <u>Standard Resolution #2</u>

WHEREAS, The City Council has ordered the City Manager to prepare or cause to be prepared, plans showing the improvement and the location thereof and an **estimate of the cost** thereof, and also maps and plans of the work of the following described public improvement: Bituminous Asphalt Paving of Middlesex Country Homesites Devonwood, Lenox & Sussex-Section 7 SAD #22.101.1; and,

WHEREAS, The City Manager has prepared the same and has presented the same to the City Council;

NOW, THEREFORE, BE IT RESOLVED, That:

- The plans and estimate of the cost of said public improvement in the amount of \$2,831,400.00 and the other materials pertaining to said public improvement prepared by the City Manager are hereby adopted and approved.
- 2. The City Council hereby determines and orders that the public improvement described in the preamble hereto shall be made.
- 3. The City Council determines that **\$513,162.50** of the cost of said public improvement shall be defrayed by special assessment to be levied against each and every lot and parcel of land in the Special Assessment District hereinafter set forth.
- 4. The City Council hereby determines that the following described lots and parcels of land constitute the Special Assessment District against which the special assessment for said public improvement shall be levied.

5. The City Assessor is hereby ordered and directed to prepare a Special Assessment Roll and shall assess against the lots and parcels of land in the Special Assessment District, as herein established, that portion of the cost of said public improvement to be paid from special assessments as herein determined.

The Assessor, in preparing said Special Assessment Roll, shall assess the amount to be assessed against the Special Assessment District according to benefits. In preparing said Special Assessment Roll the City Assessor shall follow the procedures and requirements established by the provisions of Chapter 5 of the Code of the City of Troy, as amended.

6. The City Assessor, when she shall have completed said Special Assessment Roll, shall report the same with her certificate attached thereto to the City Council.

RESOLVED, That Troy City Council hereby **ADOPTS** Standard Resolution #2 to authorize the City Assessor to prepare the Special Assessment Roll and Amortization Schedule.

BE IT FURTHER RESOLVED, That the City Assessor is hereby **ORDERED** and **DIRECTED** to prepare a Special Assessment Roll in accordance with Chapter 5 of the Code of the City of Troy.

RESOLVED, That in the best interest of the City, Troy City Council hereby **WAIVES** the bid process and **AWARDS** a contract to *Allied Building Services* of *Detroit, MI* for Fire Station 2 Roof Ventilation Repairs for an estimated cost of \$66,502.73, with a 10% contingency, as

detailed in the attached proposal per the Sourcewell Cooperative Purchasing Contract # MI-GRP-GC-C-050118-ABS; not to exceed budgetary limitations.

BE IT FURTHER RESOLVED, That the award is **CONTINGENT** upon the submission of properly executed contract documents, insurance certificates, and all other specified requirements.

J-5 2023 Poverty Exemption Guidelines (Changes From Previous Year)

Resolution #2023-01-018-J-5

WHEREAS, The adoption of guidelines for poverty exemptions is required of the City Council; and,

WHEREAS, The principal residence of persons, who the Assessor and Board of Review determines by reason of poverty to be unable to contribute to the public charge, is eligible for exemption in whole or in part from taxation under Public Act 253 of 2020 (MCL 211.7u); and,

WHEREAS, Pursuant to PA 253 of 2020, the City of Troy, Oakland County adopts the following guidelines for the Board of Review to follow. The guidelines shall include but not be limited to the specific income and asset levels of the claimant and all persons residing in the household, including any property tax credit returns, filed in the current or immediately preceding year;

To be eligible, a person shall do all the following on an annual basis:

- 1) Own and occupy the property as a principal residence.
- 2) File Form 5737 Application for MCL 211.7u Poverty Exemption with the Assessor/Board of Review, accompanied by federal and state income tax returns for the current or immediately preceding year, including any property tax credits, for all persons **residing in the principal residence** (disclosure of the income of an owner who is not residing in the principal residence is not required). Federal and state income tax returns are not required for a person residing in the principal residence if that person was not required to file a federal or state income tax return. Instead, Form 4988, *Poverty Exemption Affidavit* may be filed for all persons residing in the residence who were not required to file federal or state income tax returns in the current or immediately preceding year.
- 3) Produce a valid driver's license or other form of identification, if requested.
- 4) Produce a deed, land contract, or other evidence of ownership of the property, if requested.
- 5) Meet the federal poverty income guidelines published in the prior calendar year in the Federal Register by the United States Department of Health and Human Services <u>or</u> alternative guidelines adopted by the local assessing unit. The Alternative guidelines cannot provide income eligibility requirements less than the federal guidelines.
- 6) Meet the asset level test adopted by the local assessing unit.

Local governing bodies are required to adopt guidelines that set income levels for their poverty exemption guidelines and those income levels **shall not be set lower** by a city than the federal

poverty guidelines updated annually by the U.S. Department of Health and Human Services. Following are the federal poverty guidelines for use in setting poverty exemption guidelines for 2023 assessments:

Size of Family Unit	Poverty Guidelines
1	\$13,590
2	\$18,310
3	\$23,030
4	\$27,750
5	\$32,470
6	\$37,190
7	\$41,910
8	\$46,630
For each additional person	\$4,720

According to the United States Census Bureau "income" includes, but is not limited to:

- Money, wages, salaries before deductions, regular contributions from persons not living in the residence
- Net receipts from non-farm or farm self-employment (receipts from a person's own business, professional enterprise, or partnership, after business expense deductions)
- Regular payments from social security, railroad retirement, unemployment, worker's compensation, veteran's payments, public assistance, supplemental security income (SSI)
- Alimony, child support, military family allotments
- Private and governmental retirement and disability pensions, regular insurance, annuity payments
- College or university scholarships, grants, fellowships, assistantships
- Dividends, interest, and net income from rentals, royalties, estates, trusts, gambling or lottery winnings

The Michigan homestead property tax credit **cannot** be considered as income for purposes of the poverty exemption.

Asset Test Guidelines

Used in the Determination of Poverty Exemptions for 2023

As required by PA 253 of 2020, all guidelines for poverty exemptions established by the governing body of the local assessing unit must include an asset level test. This asset test must clearly state the maximum value of all assets allowable to be eligible for the poverty exemption. This means that the guidelines must state a total dollar amount and the value of all assets cannot exceed the total dollar amount.

The purpose of an asset test is to determine the resources available: cash, fixed assets or other property that could be converted to cash and used to pay property taxes in the year the poverty exemption is filed. The local unit asset test **cannot include** the value of the principal residence.

The following asset test shall apply to all applications for poverty exemption:

- •The applicant(s) shall not have assets exceeding the amount shown in the chart below based on the size of the family unit.
- •The asset Guideline (test) shall exclude the value of the principal residence subject to the poverty exemption request and exclude the value of one automobile. If multiple automobiles are owned, then the least valuable automobile will be excluded from the asset guideline.
- •The applicant(s) shall not have total assets (excluding the value of the principal residence subject to the exemption request and excluding the value of one automobile) more than the guidelines set below. Assets exceeding the amounts stated below will result in a denial of the poverty exemption.

Size of Family Unit	Asset Guidelines
1	\$5,000
2	\$10,000
3	\$15,000
4	\$20,000
5	\$20,000
6	\$20,000
7	\$20,000
8	\$20,000
For each additional person	N/A

All asset information, as requested in the Application for Poverty Exemption, must be completed in total. The Board of Review may request additional information and verification of assets, if the Board of Review determines it to be necessary and may deny an application if the assets are not properly identified.

The following is a list of assets that are included in the asset test:

- A second home, land, vehicles
- Recreational vehicles such as campers, motor-homes, boats and ATV's
- Buildings other than the residence
- Jewelry, antiques, artworks
- Equipment, other personal property of value
- Bank accounts (over a specified amount), stocks
- Money received from the sale of property, such as, stocks, bonds, a house or car (unless a person is in the specific business of selling such property)
- Withdrawals of bank deposits and borrowed money
- Gifts, loans, lump-sum inheritances and one-time insurance payments
- Food or housing received in lieu of wages and the value of food and fuel produced and consumed on farms
- Federal non-cash benefits programs such as Medicare, Medicaid, food stamps and school lunches

NOW, THEREFORE, BE IT HEREBY RESOLVED, That the Board of Review shall follow the above stated policy, federal guidelines, and asset test in granting or denying an exemption. The Board of Review is not permitted to deviate from the adopted policy and guidelines.

The foregoing resolution offered by City Council Member ______ and supported by City Council Member ______.

The City Clerk declared the resolution _____.

XXX, Clerk Date

J-6 Amendment and Renewal of Contract with Somerset Collection

Resolution #2023-01-018-J-6

BE IT RESOLVED, That Troy City Council hereby **APPROVES** the attached Restated and Amended Agreement between the City of Troy and Somerset Collection for Assignment of Police Officer Positions and Reimbursement to the City of Troy for Costs.

BE IT FURTHER RESOLVED, That the Troy Police Chief is **AUTHORIZED** the execute this Agreement on behalf of the City of Troy.

J-7 Fireworks Permit for Mon Jin Lau 2023

Resolution #2023-01-018-J-7

RESOLVED, That Troy City Council hereby **ISSUES** a firework permit to Mon Jin Lau of Troy, Michigan, for the public display of fireworks during the annual celebration of Chinese New Year; fireworks to be discharged, on Thursday January 29, 2023, from 6:00PM to 9:00PM.

BE IT FURTHER RESOLVED, That the Troy Fire Department **WILL INSPECT** the fireworks to be displayed in advance, and **WILL ALSO REVIEW** the proposed discharge location(s) and site, and **MAY TAKE ANY ACTION** to assure safety and compliance with applicable codes and standards for such a fireworks display.

J-8 Contract Extension – Legal Services – Labor Attorney

Resolution #2023-01-018-J-8

WHEREAS, On February 20, 2017, City Council approved McGraw Morris to provide outside labor counsel for the City at the hourly rate of \$200.00, (Resolution# 2017-02-023); and,

WHEREAS, McGraw Morris is a legal firm providing specialized professional labor counsel services for the City of Troy and the hourly rate has remained unchanged since 2017; and,

WHEREAS, Based on cost and performance, McGraw Morris continues to be competitive and the best value for the City;

NOW, THEREFORE, BE IT RESOLVED, That in the best interest of the City, Troy City Council hereby **APPROVES** a contract extension with *McGraw Morris, P.C. of Troy MI* for outside labor counsel services at the current hourly rate of \$200.00 for an additional three (3) year term; contract expiring February 28, 2026.

J-9 R W Development LLC v City of Troy et. al.

Resolution #2023-01-018-J-9

RESOLVED, That Troy City Council **AGREES** to vacate the platted easements and **APPROVES** the attached Release of Platted Easement for the property at 1700 Stutz, which is necessary for the proposed Harrison Poolside Troy development, and **AUTHORIZES** the Troy City Clerk to execute this document on behalf of the City.

BE IT FURTHER RESOLVED, That the Troy City Council **AUTHORIZES** the City Attorney to execute the attached Stipulated Order Consenting to the Vacation of Easements and For Dismissal in the *R W Development, LLC.* v. *City of Troy, et. al.* (Oakland County Circuit Court Case No. 2022-196369-CH) case, and take any further action necessary to conclude this replat lawsuit.

P. COUNCIL COMMENTS:

P-1 Council Comments

Council Member Hamilton commented on the issue of the Volunteer Firefighter Incentive Plan, and said that the new plan is just a proposed plan, and that City Council and City Administration will work hard to find a solution that will benefit our volunteers who are vital to the City of Troy.

Mayor Baker commented that all of Council cares about our volunteer firefighters, and they are one of our number one priorities, and he said that we will continue to figure out the best solution to this issue. He said that these volunteer firefighters are our neighbors, they are a part of our community, and the City supports them.

CITY COUNCIL AGENDA ITEM

- Date: February 13, 2023
- To: Mark F. Miller, City Manager
- From: Robert J. Bruner, Assistant City Manager Robert C. Maleszyk, Chief Financial Officer Dee Ann Irby, Controller Brian Goul, Recreation Director Kurt Bovensiep, Public Works Director Dennis Trantham, Facilities and Grounds Operations Manager Emily Frontera, Purchasing Manager
- Subject: Standard Purchasing Resolution 4: OMNIA Partners Cooperative Purchasing Contract Stage Nature Center Boardwalk Replacement Phase I and Standard Purchasing Resolution 5: Approval to Expend Budgeted Funds – Stage Nature Center Boardwalk Replacement Additional Materials, Equipment and Installation

<u>History</u>

- The Stage Nature Center is a 23-acre nature preserve that is operated by the Troy Nature Society. Its mission is to provide resources and education to inspire the appreciation and preservation of nature.
- Within the nature preserve is approximately 6,800 feet of boardwalk that serves as a trail through the various terrains.
- Over the years the boardwalk has been repaired many times, however the existing substructure is failing requiring the complete replacement.
- The boardwalk will be completely replaced over the next several years, with this project being Phase I.
- The replacement will be completed with in-house Public Works Staff.

Purchasing

- Pricing for the Stage Nature Center Boardwalk Replacement Phase I materials has been secured from *Home Depot* through the OMNIA Partners Cooperative Purchasing Contract #16154 as detailed in the attached quotes H2706-248868 and H2706-248362.
- City Council authorized participation in the Cooperative Purchasing Programs on November 14, 2022 (Resolution #2022-11-157).

Financial

Funds in the amount of \$60,000 are budgeted and available in the Nature Center Capital Fund under Project Number 2023C0051 for the 2023 fiscal year. Expenditures will be charged to account number 401.771.771.7975.

CITY COUNCIL AGENDA ITEM

Recommendation

City Management recommends waiving the bid process and awarding a contract for the purchase of materials for Phase I reconstruction of the boardwalk at the Stage Nature Center for an estimated cost of \$29,224.96 as detailed in the attached quotes and as per the OMNIA Partners Cooperative Purchasing Contract #16154 with a 10% contingency.

City Management further recommends expending capital funds for additional materials, equipment and installation as required to complete the in-house replacement by Public Works Staff; not to exceed budgetary limitations.

CITY COUNCIL AGENDA ITEM

Date:	February 6, 2023
To:	Mark F. Miller, City Manager
From:	Robert J. Bruner, Assistant City Manager Rob Maleszyk, Chief Financial Officer Dee Ann Irby, Controller Kurt Bovensiep, Public Works Director Emily Frontera, Purchasing Manager
Subject:	Standard Purchasing Resolution 4: State of Michigan MiDeal Cooperative Purchasing Contract - 4 Ton Falcon Asphalt Recycler Hot Box Trailer

<u>History</u>

The Streets and Drains Division is responsible for maintaining the city's major, industrial, and local road surfaces. These surfaces require maintenance to ensure the safety of vehicular traffic. When the pavement surface fails causing a pothole, the city responds by installing a cold patch material. The Streets Division warms this material in a Hot Box Trailer for better placement and increases the adhesives properties. This particular Hot Box Trailer will also allow the Streets Division to use excess asphalt stock piled at the Department of Public Works Yard to a useable material to replace the purchased cold patch. This will reduce the amount of expenditures for the cold patch material.

Purchasing

- Pricing to purchase a 4-ton Asphalt Recycler & Hot Box Trailer including various options on the trailer unit has been provided by *Falcon Asphalt Repair Equipment of Midland, MI*, the awarded low bidder for the State of Michigan MiDEAL Cooperative Contract #071B7700092, for an estimate total cost of \$22,979.43 which includes a \$5,000 trade-in allowance for a 2013 Falcon 4 Ton, as detailed in the attached quote #OZ01112023-017.
- City Council authorized participation in the Cooperative Purchasing Programs on November 14, 2022 (Resolution #2022-11-157).

Financial

Funds are budgeted and available in the Streets General Equipment Capital Fund under Project Number 2023C0117 for the 2023 fiscal year. Expenditures will be charged to account number 401.447.479.7978.010.

Recommendation

City Management recommends awarding a contract to purchase one (1) 4-Ton Falcon Asphalt Recycler & Hot Box Trailer including various options from *Falcon Asphalt Repair Equipment. of Midland, MI,* for an estimated total cost of \$22,979.43, at prices contained in quote #OZ01112023-017, as per the State of Michigan MiDeal Cooperative Contract #071B7700092 and reflects a trade in allowance of \$5,000 for a 2013 Falcon 4 Ton.

Why Falcon?	
 It's Versatile Recycle leftover asphalt, chunks and millings (a dual burner unit is required to recycle millings) Transport asphalt and keep it hot all day and hold it overnight Heat and re-heat cold patch It's Cost-Effective When used as a hot box, it eliminates asphalt waste that occurs in the back of an unheated truck bed When used as a recycler, it recycles leftover asphalt and asphalt chunks torn up from the pavement Independently certified 92% fuel efficiency – uses less than 3 gallons of fuel per 8-hour shift 	
 It's Reliable VIP Technology (patent pending) – Protects burner components by automatically preventing burner from operating with low battery voltage A Falcon is designed to allow the burner to run while in tow - preventing material from cooling while being transported Heat management system is engineered to provide even hopper temperatures – eliminating material scorching from hot spots and material hardening from cold spots Standard 2-year machine warranty and lifetime frame warranty

From:	Mark F. Miller, City Manager Robert J. Bruner, Assistant City Manager Robert Maleszyk, Chief Financial Officer Emily Frontera, Purchasing Manager Beth Tashnick, Office Manager
Subject:	Standard Purchasing Resolution 10: Travel Authorization and Approval to Expend Funds for Troy City Council Member Travel – 2023 Michigan Municipal League Cap Con

<u>History</u>

In advance of conferences and workshops city council members have expressed interest, management prepares a standard purchasing resolution that will authorize the travel expenses that may be incurred.

Purchasing

Administrative memo 1-PU-9 "Travel Authorization and Approval to Expend Funds for Troy City Council Members' Travel Requests – Standard Purchasing Resolution 10" requires approval by resolution of travel by council members.

Financial

Registration for this event is \$325 (early bird discount) plus any additional activities selected (see registration worksheet attached). Airfare or mileage, car rental, lodging and food are additional expenses that may be incurred. Funds are available in the 2022/23 General Fund – City Council – Education and Training account.

Recommendation

It is recommended that City Council authorize and approve the expenditure of funds on travel expenses for Council Members who wish to attendance this event.

CITY COUNCIL AGENDA ITEM

Date:	February 6,	2023
-------	-------------	------

- To: Mark F. Miller, City Manager
- From: Robert J. Bruner, Assistant City Manager Rob Maleszyk, Chief Financial Officer Dee Ann Irby, Controller Brian Goul, Recreation Director Kurt Bovensiep, Public Works Director Dennis Trantham, Facilities and Grounds Operations Manager Emily Frontera, Purchasing Manager
- Subject: Standard Purchasing Resolution 2: Award to Low Bidder Meeting Specifications -Demolition of Buildings and Structures – 109 Lange

<u>History</u>

- On January 24, 2005 Troy City Council approved an agreement between Harriet Barnard and the City of Troy for the donation of her house located at 5945 Livernois (Resolution #2005-01-046). The agreement required the home to be relocated within five years.
- For the City of Troy to move forward with relocating the Barnard House, additional property needed to be acquired.
- On March 21, 2005 Troy City Council approved the agreement to purchase 109 Lange having Sidwell #88-20-16-478-026 (Resolution# 2005-03-133).
- Over the years 109 Lange has been used as storage for election materials and storage for the Historic Village.
- The city has maintained the site since acquisition.

Purchasing

- On January 26, 2023 a bid opening was conducted as required by City Charter/Code for the demolition of all buildings and structures at 109 Lange.
- The bid was posted on the MITN Purchasing Group website; www.bidnetdirect.com//city-of-troy-mi.
- Three hundred and twenty two (322) vendors were notified via the MITN system.
- Five (5) bid responses were received. Below is a detailed summary of potential vendors for the bid opportunity:

Companies notified via MITN				
Troy Companies notified via MITN	10			
Troy Companies notified - Active email Notification	8			
Troy Companies - Active Free				
Companies that viewed the bid				
Troy Companies that viewed the bid	0			

<u>MITN</u> provides a resourceful online platform to streamline the procurement process, reduce costs, and make it easier and more transparent for vendors to do business with the City of Troy.
Active MITN members with a current membership and paying annual dues receive automatic electronic notification which allows instant
access to Bids, RFPS and Quote opportunities with the City. Active MITN <i>non-paving</i> members are responsible to monitor and
check the MITN website for opportunities to do business with the City.
<u>Inactive MITN member</u> status can occur when a company does not renew their account upon expiration. Inactive members cannot be notified of solicitations or access any bid information.
•

CITY COUNCIL AGENDA ITEM

Purchasing (continued)

• The Adams Group indicated that they could not meet the completion date as specified because the State of Michigan requires a minimum 10 working day notification prior to commencement of demolition. City Staff agrees and therefore, *The Adams Group, Inc of Rochester Hills, MI* is the low bidder meeting specifications and is being recommended for award.

Financial

Funds are budgeted and available in the Museum Capital Fund under Project Number 2023C0060 for the 2023 fiscal year. Expenditures will be charged to account number 401.804.804.7975.900.

Recommendation

City Management recommends awarding a contract for the demolition of all buildings and structures at 109 Lange to the low bidder meeting specifications, *The Adams Group Inc.* of *Rochester Hills, MI,* for an estimated total cost of \$16,950; not to exceed budgetary limitations.

CITY COUNCIL AGENDA ITEM

Date:	February 7, 2023
То:	Mark F. Miller, City Manager
From:	Robert Bruner, Assistant City Manager Robert C. Maleszyk, Chief Financial Officer Kurt Bovensiep, Public Works Director G. Scott Finlay, City Engineer
Subject:	Standard Purchasing Resolution #1: Award to Low Bidder Contract 23-02 – Beach Road Pavement Rehabilitation

History

Pavement rehabilitation on three (3) miles of Beach Road from Wattles to South Blvd. is necessary due to the pavement's deteriorated condition. This project includes milling (grinding off) the surface of the existing pavement and then placing a new asphalt pavement surface. Also included is complete removal and replacement of failed pavement areas and miscellaneous manhole repairs. Work is anticipated to start in April 2023 and all work including restoration is to be completed by November 1st, 2023.

Purchasing

Bids were received and publicly read on February 1, 2023. The low bid of \$1,378,054.50 was submitted by Pro-Line Asphalt Paving Corp., 11797 29 Mile Road, Washington, MI 48095 as shown on the attached tabulation summary.

Work was competitively bid and publicly opened with six (6) bidders responding. The award is contingent upon submission of proper contract and bid documents, including bonds, insurance certificates and all specified requirements.

Financial

Funds for this work are included in the 2023 Major Roads Fund. The budgeted amount includes funds for construction, inspection, testing and contingencies.

Recommendation

It is recommended that City Council award the Beach road Pavement Rehabilitation contract to Pro-Line Asphalt Paving Corp., 11797 29 Mile Road, Washington, MI 48095, for their low bid of \$1,378,054.50.

In addition, we are requesting authorization to approve additional work, if needed, not to exceed 20% of the original project cost due to unknown quantities of repair work that may be needed after milling the asphalt surface.

A copy of the bid tabulation shall be attached to the original Minutes of this meeting.

G:\Contracts\Contracts - 2023\23-02 - Beach Road Pavement Rehabilitation\Bid Award.docx

February 6, 2023

Mr Scott Finlay, PE, City Engineer City of Troy 500 W Big Beaver Rd Troy, MI 48084

Re: Beach Rd Rehabilitation, Contract 23-02 Contractor Recommendation

Dear Mr Finlay:

Six contractor bids were electronically received at the City Clerk's Office for the Beach Rd Rehabilitation Contract 23-02 and publicly read aloud via Zoom on February 1, 2023 at 10:00 am. The six bids ranged from \$1,378,054.50 to \$1,707,050.44 (with inspection days). **Pro-Line** Asphalt Paving Corporation was the lowest bidder with an amount of \$1,378,054.50 (\$1,348,054.50 not including inspection days) which was 32% lower than the Engineer's estimate. **Pro-Line**'s bid was \$153,021.93 (10%) less than the second lowest bid submitted by Asphalt Specialists, Inc (ASI). We have checked the results and attached the Bid Tabulation (including inspection days) for your review and information.

Based on our past experience working with **Pro-Line**, they are qualified to perform the proposed work on Beach Rd. OHM has a good working relationship with this contractor.

If you wish to discuss this recommendation, please call me at 734-466-4485.

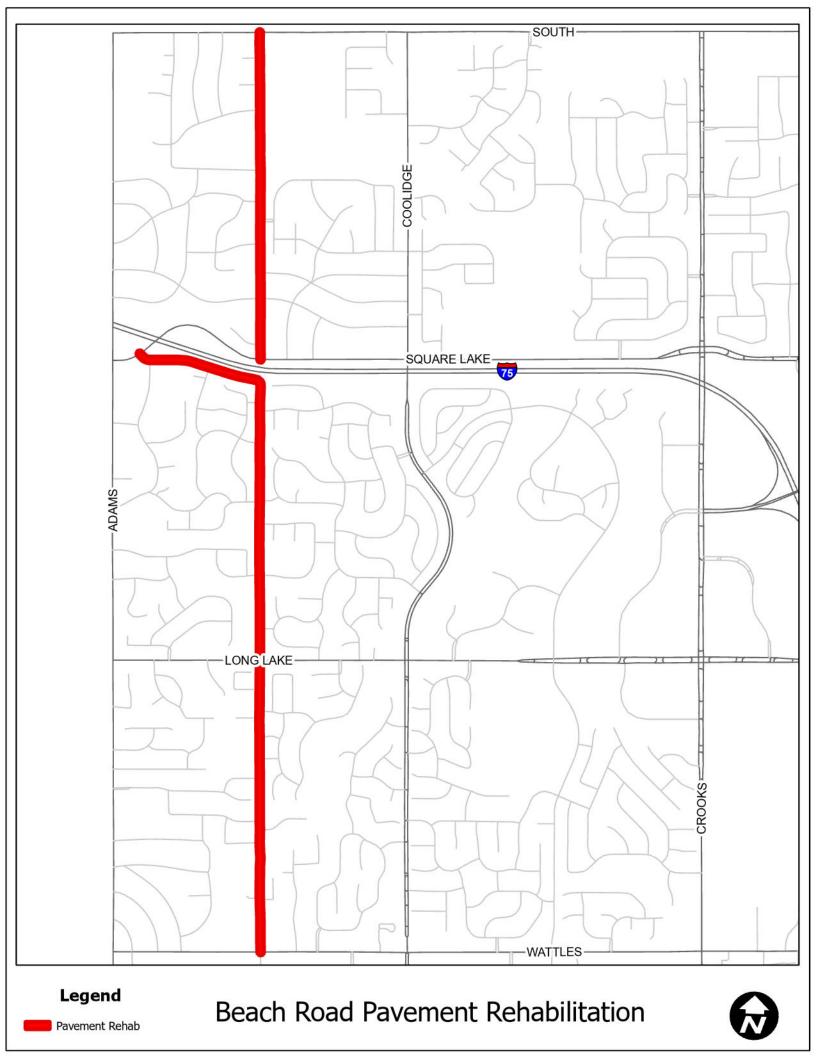

Sincerely, OHM ADVISORS

Kirk BCox

Kirk B Cox, PE Senior Project Manager

CITY COUNCIL AGENDA ITEM

Date: February 8, 2023

- To: Mark F. Miller, City Manager
- From: Robert J. Bruner, Assistant City Manager Rob Maleszyk, Chief Financial Officer Dee Ann Irby, Controller Frank Nastasi, Police Chief Kurt Bovensiep, Public Works Director Dennis Trantham, Facilities and Grounds Operations Manager Joshua Jones, Police Captain David Quaiatto, Police Lieutenant Emily Frontera, Purchasing Manager
- Subject: Standard Purchasing Resolution 4: Sourcewell and Oakland County Cooperative Purchasing Contracts – Report Area Renovation, Troy Police Department Standard Purchasing Resolution 5: Approval to Expend Budgeted Funds – Police Department Report Area Painting and Wall Repairs

<u>History</u>

The report writing area in the Troy Police Department is a shared workspace and used by all patrol officers for completing reports, conducting investigations, and contacting witnesses or suspects related to those investigations. The configuration and furniture are part of the original construction of the police addition, completed in August, 2003. The furnishings in this area are also original. After nearly 20 years of constant use in a 24 hour a day, 7 day a week operation, the furniture has reached the end of its useful life. Also, the existing layout no longer meets the needs of the patrol officers.

The report writing area is situated so that it is the first area visitors pass through when entering the secured portion of the building from the lobby or main employee entrance. In order to maintain a positive first impression for those entering the Troy Police Department, it is important the report writing area by updated.

The scope of this project would be to reconfigure the layout with new office furnishings that would provide a more efficient workspace for officers while preventing unauthorized individuals from accessing and viewing criminal justice information as required by the Michigan Law Enforcement Information Network (LEIN), Michigan State Police and FBI Security Policy Section 5.9.1.5.

The report area renovation is expected to be completed by June 2023.

Purchasing

• Pricing for the furniture has been secured by NBS Commercial Interiors of Troy, MI (via Steelcase) per Sourcewell Cooperative Purchasing Contract #19Z08621 for an estimated cost of \$36,039.11 as detailed in the attached quote #334843.

CITY COUNCIL AGENDA ITEM

Purchasing (continued)

- Pricing for electrical and network installation has been secured by *Shaw Service & Maintenance of Southfield, MI* per Oakland County Extended Purchasing Program Contract #008405 for an estimated cost of \$19,217.00 as detailed the attached quote #SCOT221229001.
- City Council authorized participation in the Cooperative Purchasing Programs on November 14, 2022 (Resolution #2022-11-157).

Financial

Funds are budgeted and available in the Police Department Buildings and Improvements Capital Fund under Project Number 2023C0120 for the 2023 fiscal year with a total available budget of \$35,000.00. Estimated total cost for this project will be \$67,339.11 which includes an allowance of \$8,000.00 for painting and wall repairs. Additional funds are available in the Police Department Capital Fund to cover the shortfall of \$32,339.11 from Project Number 2023C0011 (Property Room HVAC \$60,000) which will not be used. The expenditures will be charged to account number 401.301.11.315.7978.010

Report Area		Project	
Renovations	Cost	Number	Budget
NBS Commercial Interiors	\$ 36,039.11		
Shaw Service Maintenance	\$ 19,217.00		
Wall Repairs & Painting	\$ 8,000.00	2023C0120	\$ 35,000
Contingency 15%	\$ 4,083.00		
		2023C0011	\$ 60,000
Total Cost	\$ 67,339.11		\$95,000

Recommendation

City Management recommends, in the best interest of the City, waiving the bid process and awarding contracts to *NBS Commercial Interiors of Troy, MI (via Steelcase)* for the report area renovation furniture for an estimated cost of \$36,039.11 as detailed in the attached quote as per the Sourcewell Cooperative Purchasing Contract #19Z08621 and to *Shaw Service & Maintenance of Southfield, MI* for the electrical and network installation for an estimated cost of \$19,217.00 with a 15% contingency, as detailed in the attached quote and as per the Oakland County Extended Purchasing Program Contract # 008405

City Management recommends granting the authority to expend budgeted capital funds for the painting and wall repairs at the Police Department report area for an estimated cost of \$8,000 and a 15% contingency.

CITY COUNCIL AGENDA ITEM

Date:	February 7, 2023
To:	Mark F. Miller, City Manager
From:	Robert J. Bruner, Assistant City Manager Dee Ann Irby, Controller G. Scott Finlay, City Engineer Emily Frontera, Purchasing Manager
Subject:	Standard Purchasing Resolution 3: Exercise Renewal Option – Municipal Testing Services

<u>History</u>

Geotechnical testing services are used primarily by the Engineering Department for obtaining information on the physical properties of soils and for quality assurance testing of materials during construction projects. On a typical road reconstruction project, the testing consultant would do soil borings, make design recommendations and provide testing on a wide range of materials such as concrete, asphalt, sand and gravel. This testing provides the engineer with information to determine whether or not the materials provided by the contractor comply with construction specifications. Testing is an indispensable part of the quality control and quality assurance process that applies to all infrastructure projects.

Troy has been using Intertek PSI and Testing Engineers & Consultants (TEC) for testing services since 2006. Previously, TEC had provided testing services to Troy for more than 30 years. In 2006 our testing consultants were expanded to two with the addition of Intertek PSI. This move helped address a growing demand for testing services and assured that all anticipated testing services could be provided between the two consultants.

Both consultants are well qualified with experienced staffs ready to meet the City's needs on all types of infrastructure projects. We believe that the City benefits from a greater availability of all testing services, so that no matter our project load, our needs are always covered.

City Council awarded five-year contracts to both testing firms with an option to renew for an additional five years (Resolution #2018-03-027-J-4b) on March 5, 2018.

Over the last five (5) years, total expenditures for municipal testing services has been approximately \$308,000: PSI \$227,000 and TEC \$81,000. The services provided cover a wide variety, including soil borings, make design recommendations and provide testing on a wide range of materials such as concrete, asphalt, sand and gravel for construction associated with private development; and on city capital projects.

500 West Big Beaver Troy, MI 48084 troymi.gov

CITY COUNCIL AGENDA ITEM

Purchasing

The City of Troy on January 16, 2018, issued a Request for Proposal (RFP-COT 18-09) for Professional Municipal Testing Services which resulted in a best value award and Professional Services Agreement to the top two ranked firms; Testing Engineers & Consultants (TEC) and Intertek PSI (PSI) (Resolution #2018-03-027-J-4b). The 5-year contract expires March 31, 2023 and includes an option to renew for an additional five (5) years. Both consultants were asked if they were willing to extend their contract for an additional five (5) years under the same terms and conditions. While both firms are interested in renewing; they are reluctant to do so at the current hourly rate schedule. As with other industries and the current economic situation, providing a competitive wage is a priority to recruiting and maintaining highly qualified employees.

A market survey was performed and the fee schedules requested are competitive and inline with current market rates. City Management is in mutual agreement with the proposed rate increases and 3% annual escalation as the City has benefited from 2018 rates for the past five (5) years. By renewing contracts with the current contracted testing consultants, the City will continue to benefit from continuity of service and exceptionally high level of engineering testing services on an as needed basis, meeting all the needs of the Engineering Department. The contracts, consultant performance and contract billing will continue to be monitored closely.

Financial

The cost of geotechnical testing services is included in the capital budget for each infrastructure project. Funding for testing services on private developments comes from cash deposits for material and construction testing services in the amount of one and one-half $(1\frac{1}{2})$ percent of the estimated construction cost of public improvements. These deposits are part of the Private Agreements that are approved by City Council prior to the start of construction.

Recommendation

City Management recommends exercising the five-year option to renew contracts for Municipal Testing Services with *Intertek PSI of Troy, MI* and *Testing Engineers & Consultants, Inc. (TEC) of Troy, MI*; under the same terms and conditions, and revised pricing schedules; contracts to expire March 31, 2028.

CITY COUNCIL AGENDA ITEM

Date:	February 6, 2023
То:	Mark F. Miller, City Manager
From:	Robert J. Bruner, Assistant City Manager Robert Maleszyk, Chief Financial Officer Jeanette Menig, Human Resources Director
Subject:	PA 152 - Publicly Funded Health Care

<u>History</u>

Public Act 152 of 2011 established limits on the amount that public employers pay toward employee medical benefit plans. Coinciding with each medical insurance plan year (the City's plan year begins April 1), we must address the alternatives and affirm the City's direction in this matter with a City Council resolution.

The alternatives are:

 Hard Cap - The hard cap limits the amount a public employer can contribute to employee health insurance costs; the employer cannot pay more of the annual costs for health insurance than a total amount equal to:

\$ 7,399.47 - times the number of employees with one-person coverage
\$ 15,474.60 - times the number of employees with two-person coverage
\$ 20,180.43 - times the number of employees with family coverage

- 80/20 The 80/20 option states the employer may not pay more than 80% of the total annual costs of all the medical benefit plans it offers or contributes to for its employees.
- Opt-Out The opt-out allows the local unit of government to exercise its discretion to determine what premium share contribution is desired for their organization.

Since the inception of PA 152, the Troy City Council has voted to opt-out each year.

Financial

The financial impact of each option is estimated below:

Estimated Cost Allocation by Option (2023/24 Plan Year Rates)

PA 152 Option	Employee Share	City Share	Total
Opt-Out	350,450	6,658,556	7,009,006
Hard Cap	1,459,854	5,549,152	7,009,006
80/20	1,401,801	5,607,205	7,009,006

Note that our current medical plan is self-funded; accordingly, actual costs (experience) will likely differ somewhat from illustrative rates used in the above table.

While overall cost is one consideration, the impact on each individual is another. This year, the effect of PA 152 options on an individual City employee cost share would be as follows:

Type of Coverage	Current 5% (Opt-Out)	Hard Cap*	80/20
1 person	\$ 428	\$ 1,113	\$ 1,712
2 person	\$ 1,026	\$ 4,955	\$ 4,104
Family	\$ 1,284	\$ 5,356	\$ 5,136

Annual Employee Premium Share (2023/24 Plan Year Rates)

* Hard Cap may be allocated alternatively

It should be noted that any option change would only affect non-union, full-time employees enrolled in medical coverage (currently 138 employees) until each union collective bargaining agreement expires and contribution rates can be changed for those groups.

The City's excellent medical insurance benefits help to separate us from other employers; a secondary benefit of our model is the reduced hesitation to seek treatment for health concerns since our subscribers are not burdened by high deductibles and large out of pocket co-pays.

Recommendation

We recommend that City Council continues to affirm the City's direction in this matter by selecting the PA 152 opt-out alternative for plan year 2023/24.

CITY COUNCIL AGENDA ITEM

Date:	January 23, 2023
То:	Mark F. Miller, City Manager
From:	Robert J. Bruner, Assistant City Manager G. Scott Finlay, City Engineer/Traffic Engineer
Subject:	Traffic Committee Recommendations and Minutes – January 18, 2023

At the Traffic Committee meeting of January 18, 2023, the following recommendations were made for City Council approval:

4. Request for Traffic Control – Cidermill Drive at Country Ridge Drive

RESOLVED, that the intersection of Cidermill Drive at Country Ridge Drive be **MODIFIED** from UNCONTROLLED on the Cidermill Drive approach to STOP control on the Cidermill Drive approach to the intersection.

Minutes of the meeting are attached.

GSF/G:\Traffic\aaa Traffic Committee\2023\01_January 18\City Council\20230118 Traffic Committee Recommendation and Minutes.docx

A regular meeting of the Troy Traffic Committee was held Wednesday, January 18, 2023 in the Lower Level Conference Room at Troy City Hall. Pete Ziegenfelder called the meeting to order at 7:30 p.m.

1. Roll Call

Present:	Shama Kenkre Cindy Nurak Cynthia Wilsher Pete Ziegenfelder Abi Swaminathan
	Tyler Koralewski, Student Representative
Absent:	Richard Kilmer Al Petrulis

Also present: G. Scott Finlay, City Engineer Lt. Chuck Roberts, Fire Department Lt. Charlie Noonan, Fire Department

2. Minutes – November 16, 2022

Resolution # 2023-01-01 Moved by Wilsher Seconded by Nurak

To approve the November 16, 2022 minutes as printed.

Yes: Kenkre, Nurak, Swaminathan, Wilsher, Ziegenfelder, Koralewski No: None Absent: Kilmer, Petrulis

MOTION CARRIED

PUBLIC HEARINGS

3. No Public Hearings

REGULAR BUSINESS

4. Request for Traffic Control – Cidermill Drive at Country Ridge Drive

Lawrence Younan of 6219 Carriage Trail requests that the intersection of Cidermill Drive at Country Ridge Drive be reviewed for purposes of traffic control at the uncontrolled intersection. He stated that the existing uncontrolled intersection is dangerous, cars turning off Cidermill, turn without looking and the view is partially blocked. This creates a hazardous situation for

drivers.

Traffic Engineering received one (1) email in opposition of changing the Traffic Control, as follows:

Hi Mr. Finlay,

My residence is 6169 Country Ridge DR. I won't be able to attend the meeting on the 18th. Regarding adding a traffic control sign at Cidermill and Country Ridge Dr, I am against it. It is a ridiculous idea to have a traffic control sign there. The traffic is very minimum, hardly any traffic. And it is a common driving knowledge that any vehicle turns yields. There is absolutely no need to have a sign there. It would be a waste of tax payers' money.

Thank you!

Yifan Ji

Cindy Nurak, stated that Cidermill was a very short street and was not sure any control was needed. She wished the requester was present so she could asked specifically what the concern was. She also stated she was no opposed to providing traffic control at the intersection.

Cynthia Wilshire concurred with Cindy Nurak's comments.

Pete Ziegenfelder stated he prefers stops signs at all intersection to control traffic

Resolution # 2023-01-02 Moved by Ziegenfelder Seconded by Wilsher

RESOLVED, that the intersection of Cidermill Drive at Country Ridge Drive be **MODIFIED** from UNCONTROLLED on the Cidermill Drive approach to STOP control on the Cidermill Drive approach to the intersection.

Yes: Kenkre, Nurak, Swanimathan, Wilsher, Ziegenfelder No: Koralewski Absent: Kilmer, Petrulis

MOTION CARRIED

5. Public Comment

There was no further public comment at the meeting.

8. Other Business

Lt. Charlie Noonan was introduced as the new Fire Department representative to the Traffic Committee. Lt. Chuck Roberts is retiring next week.

Several members inquired about the left turn signals at intersections in Troy. Why they were different, some with the protected left turn first and some with the protected left turn last and some lefts turns stayed red, while others went to flashing red or yellow. The general though was they should be consistent and the lefts that stayed red should turn to flashing yellow.

City Engineer/Traffic Engineer will contact RCOC and report back at the next meeting.

9. <u>Adjourn</u>

The meeting adjourned at 7:48 PM.

Pete Ziegenfelder, Chairperson

G. Scott Finlay, City Engineer/Traffic Engineer

CITY COUNCIL AGENDA ITEM

Date:	February 1, 2023
То:	Mark F. Miller, City Manager
From:	Robert Bruner, Assistant City Manager Robert C. Maleszyk, Chief Financial Officer Dee Ann Irby, Controller Kyle Vieth, Financial Compliance Manager
Subject:	City of Troy Investment Policy and Establishment of Investment Accounts

<u>History</u>

The current investment policy was initially approved in January, 2022. The current policy has served us well and is in compliance with Act 20 PA 1943, as amended.

Financial

We would also like to update our resolution authorizing the establishment of investment accounts at the following institutions: Comerica; Bank of America; Citizen's Bank; First Merchants Bank, Independent Bank; Fifth Third Bank; Flagstar Bank; Huntington Bank; JP Morgan Chase & Co.; Robinson Capital; UBS; Michigan Class-MBIA; Bank of NY Mellon; Morgan Stanley; and PNC Financial Services.

This policy is established in order to provide for the safety and diversification of investment accounts.

Legal Considerations

The investment policy is in compliance with Act 20 PA 1943, as amended.

Recommendation

It is recommended that City Council approve the attached investment policy and listing of approved investment institutions.

CITY OF TROY INVESTMENT POLICY

To Comply with Act 20 PA 1943, as amended

Purpose: It is the policy of the City of Troy to invest its funds in a manner which will provide a high level of security of principal while meeting the daily cash flow needs of the City and providing a reasonable rate of return along with compliance with all State statutes.

Scope: This investment policy applies to all financial assets of the City. These assets are accounted for in the various funds of the City and include the general fund, special revenue funds, debt service funds, and capital project funds (unless bond ordinances and resolutions are more restrictive), enterprise funds, internal service funds, trust and agency funds, and any new fund established by the City.

Objectives: The primary objectives, in priority order, of the City's investment activities shall be:

<u>Safety</u> – Safety of principal is the foremost objective of the investment program. Investments shall be undertaken in a manner that seeks to insure the preservation of capital in the overall portfolio.

<u>Diversification</u> – The investments will be diversified by security type and institution in order that potential losses on individual securities do not exceed the income generated from the remainder of the portfolio.

<u>Liquidity</u> – The investment portfolio shall remain sufficiently liquid to meet all operating requirements that may be reasonably anticipated.

<u>Return on Investment</u> – The investment portfolio shall be designed with the objective of obtaining a rate of return throughout the budgetary and economic cycles, taking into account the investment risk constraints and the cash flow characteristics of the portfolio.

Delegation of Authority to Make Investments: Authority to manage the investment program is derived from the following: City of Troy City Council's most current resolution establishing investment accounts (2022-01-018-J-5). Management responsibility for the investment program is hereby delegated to the Chief Financial Officer who shall establish written procedures and internal controls for the operation of the investment program consistent with this investment policy. Procedures should include references to safekeeping, cash purchase or delivery vs. payment, investment accounting, repurchase agreements, wire transfer agreements, collateral/depository agreements and banking service contracts. No person may

engage in an investment transaction except as provided under the terms of this policy and the procedures established by the Chief Financial Officer. The Chief Financial Officer shall be responsible for all transactions undertaken and shall establish a system of controls. The Investment Policy shall be reviewed and approved by the City Council annually.

List of Authorized Investments: The Chief Financial Officer is limited to investments authorized by Act 20 of 1943, as amended, and may invest in the following:

- (a) Bonds, securities, and other obligations of the United States or an agency or instrumentality of the United States.
- (b) Certificates of deposit, savings accounts, deposit accounts, or depository of a financial institution. Authorized depositories shall be designated by the City of Troy City Council.
- (c) Commercial paper rated at the time of purchase with the highest classifications established by not less than two standard rating services and that matures not more than 270 days after the date of purchase.
- (d) Repurchase agreements consisting of instruments listed in (a).
- (e) Bankers' acceptances of United States banks.
- (f) Obligations of this state or any of its political subdivisions that at the time of purchase are rated investment grade by not less than one standard rating service.
- (g) Investment pools through an interlocal agreement under the urban cooperation act of 1967, 1987 (Ex Sess) PA 7, MCL 124.501 to 124.512
- (h) Investment pools organized under the surplus funds investment pool act, 1982 PA 367, 129.111 to 129.118.
- (i) The investment pools organized under the local government investment pool act, 1986 PA 121, MCL 129.141 to 129.150.

Safekeeping and Custody: All security transactions, including collateral for repurchase agreements and financial institution deposits, entered into by the Chief Financial Officer may be on a cash basis or a delivery vs. payment basis as determined by the Chief Financial Officer. Securities may be held by a third party custodian designated by the Chief Financial Officer and evidenced by safekeeping receipts as determined by the Chief Financial Officer.

Prudence: Investments shall be made with judgment and care, under circumstances then prevailing, which persons of prudence, discretion, and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital as well as the probable income to be derived.

Internal Controls for Operations

- The Treasurer's Office maintains cash flow worksheets for its General Fund and Trust & Agency Funds. Excess cash above established thresholds are invested when beneficial and interest rates are favorable. Established thresholds are determined by the City Treasurer and the Chief Financial Officer.
- Excess cash is invested based on future cash flow projections. Funds needed for day-to-day operations are invested in a stable local government investment pool that offers daily liquidity. Funds held for future expenditures are invested in long-term instruments.
- Bank balances are tracked daily by the City Treasurer, and cash flow worksheets are updated to determine cash needs and how much money is available to invest.
- The Chief Financial Officer, City Treasurer, and/or the Controller can execute investment transactions. The Finance Department records, reconciles, and reports all investment activity.

Subject:	Private Agreement – Contract for Installation of Municipal Improvements Springhill Suites - Project No. 19.914.3

<u>History</u>

Stellar Hospitality Troy, LLC proposes to develop Springhill Suites located East Side of Rochester Road, South of Big Beaver Road.

Troy Planning Commission recommended preliminary site plan approval on May 14th, 2019.

Site grading and utility plans for this development were reviewed and recently approved by the Engineering Department. The plans include municipal improvements, which will be constructed by Stellar Hospitality Troy, LLC on behalf of the City of Troy including: Water Main, Storm Sewer, Concrete Sidewalk and Pavement, and Underground Detention System. The required fees and refundable escrow deposits in the form of a Check, that will assure completion of the municipal improvements, have been provided by Stellar Hospitality Troy, LLC (see attached Private Agreement).

Financial

See attached summary of required deposits and fees for this Private Agreement.

Recommendation

Approval of the Contract for Installation of Municipal Improvements (Private Agreement) is recommended.

City Of Troy Contract for Installation of Municipal Improvements (Private Agreement)

Project No.: 19.914.3	Project Location:	NW 1/4 Section 26
Resolution No:	Date of Council Ap	pproval:

This Contract, made and entered into this <u>1st</u> day of <u>February</u>, <u>2023</u> by and between the City of Troy, a Michigan Municipal Corporation of the County of Oakland, Michigan, hereinafter referred to as "City" and <u>Stellar Hospitality Troy, LLC</u> whose address is <u>2600 Auburn Road</u>, <u>Suite 240</u>, <u>Auburn Hills, MI 48326</u> and whose telephone number is <u>(248) 419-5556</u> hereinafter referred to as "Owners", provides as follows:

FIRST: That the City agrees to permit the installation of <u>Water Main, Storm Sewer, Underground</u> <u>Storm Water Detention, Concrete Sidewalk & Approaches</u> in accordance with plans prepared by <u>Triumph Engineering & Design, Inc.</u> whose address is <u>10775 S. Saginaw St, Suite D, Grand Blanc, MI</u> <u>48439</u> and whose telephone number is <u>(810) 584-7364</u> and approved prior to construction by the City in accordance with City of Troy specifications.

SECOND: That the Owners agree to provide the following securities to the City prior to the start of construction, in accordance with the Detailed Summary of Required Deposits & Fees (attached hereto and incorporated herein):

Refundable escrow deposit equal to the estimated construction cost of \$ <u>225,446.00</u>. This amount will be deposited with the City in the form of (check one):

Cash/Check Certificate of Deposit & 10% Cash Irrevocable Bank Letter of Credit & 10% Cash Performance Bond & 10% Cash

Refundable cash deposit in the amount of \$ <u>77,528.00</u>. This amount will be deposited with the City in the form of (check one):

X

Cash 🛛 Check

Non-refundable cash fees in the amount of \$650.00. This amount will be paid to the City in the form of (check one):

Cash 🛛 Check 🔀

Said refundable escrow deposits shall be disbursed to the Owners after approval by the City. The City reserves the right to retain a minimum of ten (10) percent for each escrowed item until the entire site/development has received final inspection and final approval by all City departments. Refundable cash deposits shall be held until final approval has been issued. Disbursements shall be made by the City within a reasonable time, after request for refund of deposits is made by the Owners.

City Of Troy

Contract for Installation of Municipal Improvements (Private Agreement)

THIRD: The owners shall contract for construction of said improvement with a qualified contractor. Owners, or their agents, and contractor(s) agree to arrange for a pre-construction meeting with the City Engineer prior to start of work. All municipal improvements must be completely staked in the field under the direct supervision of a registered civil engineer or registered land surveyor, in accordance with the approved plans. Revisions to approved plans required by unexpected or unknown conflicts in the field shall be made as directed by the City.

FOURTH: Owners agree that if, for any reason, the total cost of completion of such improvements shall exceed the sums detailed in Paragraph SECOND hereof, that Owners will immediately, upon notification by the City, remit such additional amounts in accordance with Paragraph SECOND hereof. In the event the total cost of completion shall be less than the sums as detailed in Paragraph SECOND hereof, City will refund to the Owners the excess funds remaining after disbursement of funds.

FIFTH: Owners agree to indemnify and save harmless City, their agents and employees, from and against all loss or expense (including costs and attorneys' fees) by reason of liability imposed by law upon the City, its agents and employees for damages because of bodily injury, including death, at any time resulting therefrom sustained by any person or persons or on account of damage to property, including work, provided such injury to persons or damage to property is due or claimed to be due to negligence of the Owner, his contractor, or subcontractors, employees or agents, Owner further agrees to obtain and convey to the City all necessary easements and/or right-of-way for such public utilities as required by the City Engineer.

Project Construction

1) Secure a permit from the City of Troy prior to the commencement of construction or maintenance operations. If a subcontractor is to perform the construction or maintenance entailed in this application, he shall be responsible, along with the applicant, for any provisions of this application and plans which apply to him.

2) Any and all construction proposed under this application will meet all requirements of the City, together with the Supplemental Specifications set forth on this application for permit.

3) Save harmless the City against any and all claims for damage arising from operations covered by this application and furnish proof of insurance coverage for the term of the permit issued. Insurance coverage shall be for general liability, property damage and workman's compensation at limits deemed acceptable to the City of Troy. The City of Troy to be named as additional insured on the general liability.

4) Surrender the permit herein applied for and surrender all rights there under whenever notified to do so by the City of Troy because of its need for the area covered by the permit or because of a default in any of the conditions of this permit.

5) Immediately remove, alter, relocate or surrender the facility of which this application is granted if requested by the City of Troy to do so upon termination of this application and upon failure to do so, will reimburse the City of Troy for the cost of removing, altering or relocating the facility. SUPPLEMENTAL SPECIFICATIONS:

1) INTENT: Since a permit will have to be secured from the City prior to the start of any construction or maintenance operations proposed by this application, it is the intent of these supplemental specifications to be incorporated as part of the plans or specifications required for this proposed work.

2) EXCAVATION AND DISPOSAL OF EXCAVATED MATERIAL: The City shall specify if trenches or excavations under or adjacent to the road surface shall be sheeted, shored and/or braced in such a manner as to prevent caving, loss, or settlement of foundation material supporting the pavement. Excavated material shall be stocked in such locations that it does not obstruct vision on the traveled portion of the road and in such a manner that it will interfere as little as possible with the flow of traffic. Sod and topsoil shall be stocked separately from other excavated material. The applicant shall dispose of all surplus and unsuitable material outside of the limits of the highway unless the permit provides for disposal at approved locations within the right-of-way. In the latter case, the material shall be leveled and trimmed in an approved manner.

3) BACKFILLING AND COMPACTING BACKFILL: All trenches, holes and pits, where specified, shall be filled with sound earth or with sandgravel if so provided, placed in successive layers not more than six (6) inches in depth, loose measure, and each layer shall be thoroughly compacted by tamping and all backfill subject to check by the Controlled Density Method (minimum 95%). Grass shall be restored with sod and topsoil in accordance with the City of Troy Standard Specifications for Turf Restoration.

Sand-gravel backfill material shall consist of approved bank-run sand or gravel or a mixture of approved and or stone screenings in the mixture. All of the material shall be of such size that it will pass through a screen having two and one-half $(2 \frac{1}{2})$ inch square openings, unless otherwise authorized.

Any excavation within the right-of-way, outside the traveled portion of the road, must be maintained until all settlement has occurred and must be re-shaped and temporarily seeded for soil erosion control. Grass areas shall be restored in accordance with the City of Troy Standard Specifications for Turf Restoration.

All excavation within the traveled portion of the road must be backfilled with sand and compacted. Special requirements are to be determined by the surface type.

4) CROSSING ROADBED BY TUNNELING: When the pipe is installed by tunneling, boring or jacking without cutting the existing pavement, the backfill shall be made by tamping a dry mix of lean concrete into place so as to completely fill any voids, remaining around the installation. The concrete shall be composed of one (1) part Portland cement and ten (10) parts sand-gravel by volume. Sand-gravel shall conform to the requirements given in Paragraph 3.

5) CROSSING BY CUTTING GRAVEL ROAD: All trenches are to be backfilled with approved material to within twelve (12) inches of the surface within the limits of the roadbed. Backfill methods will be as described in Paragraph 3. All surplus excavated material will be disposed of as described in Paragraph 2. The top twelve (12) inches within the roadbed will be backfilled with eight (8) inches of 4A limestone or slag topped with four (4) inches of processed road gravel (MDOT 22A). Trenches outside of the roadbed will be backfilled in accordance with Paragraph 3. 6) CROSSING BY CUTTING PAVEMENT AND TRENCHING: When this method is used, the pavement shall be cut back so that the opening is at least twelve (12) inches wider on each side than the width of the trench. In all concrete surfaces or bases, edges of trenches shall be formed by the use of a concrete saw. The pavement shall be broken in such a manner as to allow the reinforcing steel, if any, to protrude a sufficient distance for lapping or tying with similar reinforcement in the pavement patch. Backfill shall be in accordance with Paragraph 3. After the backfill has been thoroughly compacted, the pavement shall be replaced with processed road gravel (MDOT 22A) stabilized with chloride until such time as the pavement can be replaced with new pavement by the permit licensee. Maintenance of the temporary pavement will be assumed by the City if the contractor fails to do so and cost incurred will be deducted from the permit licensee's deposit.

7) DEPTH OF COVER MATERIAL: Pipes shall be placed to a depth that will provide not less than four (4) feet of cover between the top of roadway surface and the pipe.

8) TREE TRIMMING OR REMOVAL: A special permit will be required for any proposed tree trimming or removal.

9) Any proposed operation in the right-of-way not covered in the above specifications, submitted with this application shall be done in accordance with additional specifications or instructions deemed necessary by the City or its duly authorized representatives.

10) The following must be attached to the application when applicable: a} Map; b} Plans, specifications and location of facility; c} Traffic plan in cases of street closure; d} Proof of insurance; e} City Council resolution granting a franchise or permit to operate a cable television system, telecommunications system or to install other public utilities in the City of Troy.

Date:	February 10, 2023
To:	Mark F. Miller, City Manager
From:	Robert Bruner, Assistant City Manager R. Brent Savidant, Community Development Director G. Scott Finlay, City Engineer
Subject:	Private Agreement – Contract for Installation of Municipal Improvements Forum Flats - Project No. 22.921.3

<u>History</u>

F Squared, LLC proposes to develop Forum Flats located South Side of Kirts Blvd, West of Livernois.

Troy Planning Commission recommended preliminary site plan approval on October 25th, 2022.

Site grading and utility plans for this development were reviewed and recently approved by the Engineering Department. The plans include municipal improvements, which will be constructed by F Squared, LLC on behalf of the City of Troy including: Water Main, Storm Sewer, Sanitary Sewer, and Underground Detention System. The required fees and refundable escrow deposits in the form of a Performance Bond and 10% Cash, that will assure completion of the municipal improvements, have been provided by F Squared, LLC (see attached Private Agreement).

Financial

See attached summary of required deposits and fees for this Private Agreement.

Recommendation

Approval of the Contract for Installation of Municipal Improvements (Private Agreement) is recommended.

City Of Troy Contract for Installation of Municipal Improvements (Private Agreement)

Project No.: 22.921.3	Project Location:	NE 1/4 Section 28
Resolution No:	Date of Council Ap	pproval:

This Contract, made and entered into this <u>6th</u> day of <u>February</u>, <u>2023</u> by and between the City of Troy, a Michigan Municipal Corporation of the County of Oakland, Michigan, hereinafter referred to as "City" and <u>F Squared, LLC</u> whose address is <u>280 West Maple Road, Suite 230</u>, <u>Birmingham, MI 48009</u> and whose telephone number is <u>248-540-9300</u> hereinafter referred to as "Owners", provides as follows:

FIRST: That the City agrees to permit the installation of <u>Water Main, Storm Sewer, Sanitary Sewer,</u> <u>and Underground Detention System</u> in accordance with plans prepared by <u>PEA Group</u> whose address is <u>1849 Pond Run, Auburn Hills, MI 48326</u> and whose telephone number is <u>844-813-2949</u> and approved prior to construction by the City in accordance with City of Troy specifications.

SECOND: That the Owners agree to provide the following securities to the City prior to the start of construction, in accordance with the Detailed Summary of Required Deposits & Fees (attached hereto and incorporated herein):

Refundable escrow deposit equal to the estimated construction cost of \$ <u>1,085,606.00</u>. This amount will be deposited with the City in the form of (check one):

Cash/Check				
Irrevocable Ba	Deposit & 10% Cash nk Letter of Credit & 10% Bond & 10% Cash	Cash □ □ □ □ □ □ □ □ □ □ □ □ □	← 10% Cash	\$108,561

Non-refundable cash	fees in the amount of \$ 1	,307.00. This amou	unt will be paid	I to the City in

the form of (check one):

Cash 🛛 Check

Said refundable escrow deposits shall be disbursed to the Owners after approval by the City. The City reserves the right to retain a minimum of ten (10) percent for each escrowed item until the entire site/development has received final inspection and final approval by all City departments. Refundable cash deposits shall be held until final approval has been issued. Disbursements shall be made by the City within a reasonable time, after request for refund of deposits is made by the Owners.

 \boxtimes

City Of Troy

Contract for Installation of Municipal Improvements (Private Agreement)

THIRD: The owners shall contract for construction of said improvement with a qualified contractor. Owners, or their agents, and contractor(s) agree to arrange for a pre-construction meeting with the City Engineer prior to start of work. All municipal improvements must be completely staked in the field under the direct supervision of a registered civil engineer or registered land surveyor, in accordance with the approved plans. Revisions to approved plans required by unexpected or unknown conflicts in the field shall be made as directed by the City.

FOURTH: Owners agree that if, for any reason, the total cost of completion of such improvements shall exceed the sums detailed in Paragraph SECOND hereof, that Owners will immediately, upon notification by the City, remit such additional amounts in accordance with Paragraph SECOND hereof. In the event the total cost of completion shall be less than the sums as detailed in Paragraph SECOND hereof, City will refund to the Owners the excess funds remaining after disbursement of funds.

FIFTH: Owners agree to indemnify and save harmless City, their agents and employees, from and against all loss or expense (including costs and attorneys' fees) by reason of liability imposed by law upon the City, its agents and employees for damages because of bodily injury, including death, at any time resulting therefrom sustained by any person or persons or on account of damage to property, including work, provided such injury to persons or damage to property is due or claimed to be due to negligence of the Owner, his contractor, or subcontractors, employees or agents, Owner further agrees to obtain and convey to the City all necessary easements and/or right-of-way for such public utilities as required by the City Engineer.

Project Construction

1) Secure a permit from the City of Troy prior to the commencement of construction or maintenance operations. If a subcontractor is to perform the construction or maintenance entailed in this application, he shall be responsible, along with the applicant, for any provisions of this application and plans which apply to him.

2) Any and all construction proposed under this application will meet all requirements of the City, together with the Supplemental Specifications set forth on this application for permit.

3) Save harmless the City against any and all claims for damage arising from operations covered by this application and furnish proof of insurance coverage for the term of the permit issued. Insurance coverage shall be for general liability, property damage and workman's compensation at limits deemed acceptable to the City of Troy. The City of Troy to be named as additional insured on the general liability.

4) Surrender the permit herein applied for and surrender all rights there under whenever notified to do so by the City of Troy because of its need for the area covered by the permit or because of a default in any of the conditions of this permit.

5) Immediately remove, alter, relocate or surrender the facility of which this application is granted if requested by the City of Troy to do so upon termination of this application and upon failure to do so, will reimburse the City of Troy for the cost of removing, altering or relocating the facility. SUPPLEMENTAL SPECIFICATIONS:

1) INTENT: Since a permit will have to be secured from the City prior to the start of any construction or maintenance operations proposed by this application, it is the intent of these supplemental specifications to be incorporated as part of the plans or specifications required for this proposed work.

2) EXCAVATION AND DISPOSAL OF EXCAVATED MATERIAL: The City shall specify if trenches or excavations under or adjacent to the road surface shall be sheeted, shored and/or braced in such a manner as to prevent caving, loss, or settlement of foundation material supporting the pavement. Excavated material shall be stocked in such locations that it does not obstruct vision on the traveled portion of the road and in such a manner that it will interfere as little as possible with the flow of traffic. Sod and topsoil shall be stocked separately from other excavated material. The applicant shall dispose of all surplus and unsuitable material outside of the limits of the highway unless the permit provides for disposal at approved locations within the right-of-way. In the latter case, the material shall be leveled and trimmed in an approved manner.

3) BACKFILLING AND COMPACTING BACKFILL: All trenches, holes and pits, where specified, shall be filled with sound earth or with sandgravel if so provided, placed in successive layers not more than six (6) inches in depth, loose measure, and each layer shall be thoroughly compacted by tamping and all backfill subject to check by the Controlled Density Method (minimum 95%). Grass shall be restored with sod and topsoil in accordance with the City of Troy Standard Specifications for Turf Restoration.

Sand-gravel backfill material shall consist of approved bank-run sand or gravel or a mixture of approved and or stone screenings in the mixture. All of the material shall be of such size that it will pass through a screen having two and one-half $(2 \frac{1}{2})$ inch square openings, unless otherwise authorized.

Any excavation within the right-of-way, outside the traveled portion of the road, must be maintained until all settlement has occurred and must be re-shaped and temporarily seeded for soil erosion control. Grass areas shall be restored in accordance with the City of Troy Standard Specifications for Turf Restoration.

All excavation within the traveled portion of the road must be backfilled with sand and compacted. Special requirements are to be determined by the surface type.

4) CROSSING ROADBED BY TUNNELING: When the pipe is installed by tunneling, boring or jacking without cutting the existing pavement, the backfill shall be made by tamping a dry mix of lean concrete into place so as to completely fill any voids, remaining around the installation. The concrete shall be composed of one (1) part Portland cement and ten (10) parts sand-gravel by volume. Sand-gravel shall conform to the requirements given in Paragraph 3.

5) CROSSING BY CUTTING GRAVEL ROAD: All trenches are to be backfilled with approved material to within twelve (12) inches of the surface within the limits of the roadbed. Backfill methods will be as described in Paragraph 3. All surplus excavated material will be disposed of as described in Paragraph 2. The top twelve (12) inches within the roadbed will be backfilled with eight (8) inches of 4A limestone or slag topped with four (4) inches of processed road gravel (MDOT 22A). Trenches outside of the roadbed will be backfilled in accordance with Paragraph 3. 6) CROSSING BY CUTTING PAVEMENT AND TRENCHING: When this method is used, the pavement shall be cut back so that the opening is at least twelve (12) inches wider on each side than the width of the trench. In all concrete surfaces or bases, edges of trenches shall be formed by the use of a concrete saw. The pavement shall be broken in such a manner as to allow the reinforcing steel, if any, to protrude a sufficient distance for lapping or tying with similar reinforcement in the pavement patch. Backfill shall be in accordance with Paragraph 3. After the backfill has been thoroughly compacted, the pavement shall be replaced with processed road gravel (MDOT 22A) stabilized with chloride until such time as the pavement can be replaced with new pavement by the permit licensee. Maintenance of the temporary pavement will be assumed by the City if the contractor fails to do so and cost incurred will be deducted from the permit licensee's deposit.

7) DEPTH OF COVER MATERIAL: Pipes shall be placed to a depth that will provide not less than four (4) feet of cover between the top of roadway surface and the pipe.

8) TREE TRIMMING OR REMOVAL: A special permit will be required for any proposed tree trimming or removal.

9) Any proposed operation in the right-of-way not covered in the above specifications, submitted with this application shall be done in accordance with additional specifications or instructions deemed necessary by the City or its duly authorized representatives.

10) The following must be attached to the application when applicable: a} Map; b} Plans, specifications and location of facility; c} Traffic plan in cases of street closure; d} Proof of insurance; e} City Council resolution granting a franchise or permit to operate a cable television system, telecommunications system or to install other public utilities in the City of Troy.

REGULAR BUSINESS

4. Request for Traffic Control – Paddington at Wendover

FINAL

O-01b

Eve Marston of 3416 Wendover requests that the intersection of Paddington Drive at Wendover Street be reviewed for purposes of replacing the existing YIELD sign with a STOP sign on the Wendover Street approach to the intersection. She stated that the existing Yield sign does not stop traffic or slow vehicles at the intersection. This creates a hazardous situation for drivers and pedestrians. She has indicated that there are three new families on the other corners of the intersection with young children.

Traffic Engineering received four (4) emails in support of changing the Traffic Control, as follows:

Hello,

I'm writing from 3393 Paddington Dr. The actual corner house on Paddington and Wendover. We have two young boys that love to play in the street and would highly benefit from the yield sign being switched to a full stop. Cars drive very fast up Wendover Rd and a stop sign would definitely be one way to prevent any accidents from happening. I am not sure if a full 4 way stop would be considered...but that would be another step towards preventing any tragedies.

Thank you so much for your consideration, we, as a neighborhood, all are very much looking forward to this stop sign,

Danielle Rothery

Hello,

I am writing in favor of the stop sign request at Paddington Dr at Wendover Street.

Please let me know if there is any other information you need.

Holly Patrick 3376 Paddington Dr

address-3463 paddington, 48084

thank you for the notification regarding changing the sign to a 2 way stop.

Although a stop sign will be annoying when traveling east on Wendover, traffic heading west does not consistently yield to Paddington traffic, so probably safest to replace 2 yields with 2 stops.

please also additionally consider a "cross traffic does not stop" yellow rectangle on the westbound wendover side. this is the traffic most likely to ignore the yield, endangering kids playing and biking.

thx, michelle lakocy

My daughter and my four and five-year-old grandsons live at this intersection. A stop sign is very much needed to slow down the traffic. There are many children that live in this area

Traffic Committee Minutes – November 16, 2022

and by placing a new stop sign could prevent an accident. Please consider that this is a necessary request. Thank you, Joan Duhaime

Stephanie Force of 3419 Paddington is in support of the stop sign(s) being installed to help slow down the heavy traffic flow. Just at this corner there are 6 children under the age of 7. The yield sign is ignored and there have been lots of close calls/near misses from cars coming down Wendover and not slowing down. She is worried for the children's safety.

Eve Marston of 3416 Wendover stated that Wendover is used as a drive-thru to Caswell, and people use it to miss the light at Big Beaver and Adams. They are constantly speeding and do not slow down. She started paying closer attention to the thru traffic after witnessing a few kids almost getting hit by a car at Wendover and Paddington, and she kept watching more after that. While paying closer attention she states that none of the traffic slows down when heading down Wendover until they hit Newgate.

Al Petrulis asked for clarification on what signs would be modified he lives in this neighborhood and uses these roads and sees that it is very well traveled. Al's concern is that past data shows that a Stop sign will not slow traffic down, and it doesn't mean people will stop. It could potentiall be more dangerous because it's a wide intersection and they can see it's clear as they approach the intersection so speeding won't slow down.

Pete Ziegenfelder states often stop signs do not fix speeding but that he is also in favor of stop signs over yield signs, stop signs remove the ambiguity.

Sgt. Brian Warzecha stated he is in favor, but wants to the residents to know it could cause more frustration because speeding/not stopping may continue, and the police won't always be there. In the past, after a new stop sign has been added we will go out and work it but majority of the people pulled over are residents, who ironically supported the sign being put in.

Eve Marston asked what the downside is to having the stop sign installed.

Pete Ziegenfelder states that people may ignore it, and speeds may increase between stop signs.

Eve Marston asked if the amount of cars would change.

Sgt. Brian Warzecha stated it won't change because it's a habit people have cutting thru that area.

Stephanie Force stated she think's it'll help because people will at least slow down.

Al Petrulis added that Paddington traffic doesn't see traffic from Wendover.

Pete Ziegenfelder added that there have not been any crashes within 5 years.

Cynthia Wilsher asked if a 4-way Stop Sign would be better.

Al Petrulis states that the yield sign is adequate but with the amount of support it has gotten, he will move it forward to be motioned.

Resolution # 2022-11-22 Moved by Petrulis Seconded by Wilsher

RESOLVED, that the intersection of Paddington Drive at Wendover Street be **MODIFIED** from YIELD control on the Paddington Drive approach to STOP control on the Wendover Street approach to intersection.

Yes:Kenkre, Nurak, Petrulis, Wilsher, ZiegenfelderNo:NoneAbsent:Kilmer, Swaminathan

MOTION CARRIED

5. 2023 Traffic Committee Meeting Schedule

According to the City of Troy Traffic Committee By-Laws, Article IV - Meetings:

"Regular meetings will be held on the third Wednesday of each month at 7:30 p.m. at the Troy City Hall, 500 West Big Beaver Road, Troy, Michigan."

There are no other by-laws or procedures that establish the actual dates of the meetings, but an annual calendar of meetings is published by the City so meeting dates need to be set for this purpose.

Resolution # 2021-11-23 Moved by Ziegenfelder Seconded by Nurak

RESOLVED, that the Traffic Committee SHALL HOLD Regular Meetings in 2023 according to the following schedule at 7:30 PM:

- Wednesday, January 18
- Wednesday, February 15
- Wednesday, March 15
- Wednesday, April 19
- Wednesday, May 17
- Wednesday, June 21
- Wednesday, July 19
- August NO MEETING
- Wednesday, September 20
- Wednesday, October 18

• Wednesday, November 15

• December – NO MEETING

Yes: Kenkre, Nurak, Petrulis, Wilsher, Zigenfelder No: None

Absent: Kilmer, Swaminathan

MOTION CARRIED

6. Establish Fire Lanes at 177 Wilshire Drive

The Michigan Vehicle Code and Section 503 of the International Fire Code (2015), provides for the establishment of fire lanes on private property. The Fire Department recommends that the fire lanes shown on the attached sketch be provided to allow proper deployment of and travel by emergency vehicles (fire, police and medical). The property owner has already complied with this requirement and has posted the appropriate signs delineating the required fire lane.

Lt. Chuck Roberts shows us on a GIS map the purposed fire lane, and he explained that a fire truck would not have the clearance to safely use the bucket ladder, let alone let anymore emergency vehicles past the truck because of the cars being parked in this area. The Police Department has been writing tickets, and the property management company is going to hire a tow company to post signs.

Sgt. Brian Warzecha stated they have written countless tickets, but that the court does not have recourse so the tenants are not paying the parking tickets. The Police Department is unable to request the vehicles to be towed since it is on private property but the property management company is working on getting the signs posted so they can have cars towed away in the future.

Cynthia Wilsher agreed that towing will help.

Cindy Nurak agreed as well.

Pete Ziegenfelder asked for a motion and moved to pass.

Resolution # 2022-11-24 Moved by Ziegenfelder Seconded by Wilsher

RESOLVED, that the fire lanes be **APPROVED** at 177 Wilshire.

Yes: Kenkre, Nurak, Petrulis, Wilsher, Zigenfelder No: None Absent: Kilmer, Swaminathan

7. Public Comment

There was no further public comment at the meeting.

8. Other Business

9. <u>Adjourn</u>

The meeting adjourned at 8:08 PM.

Pete Ziegenfelder Chairperson

G. Scott Finlay, City Engineer/Traffic Engineer

Gitraffic\aaa Traffic Committee\2022\11_November 16_2023 MEETING SCHEDULE\20221116_Minutes_Traffic Committee_FINAL.docx

Chair Lambert called the Regular meeting of the Troy City Planning Commission to order at 7:01 p.m. on January 10, 2023, in the Council Chamber of the Troy City Hall. Chair Lambert and Vice Chair Perakis presented opening remarks relative to the role of the Planning Commission and procedure of tonight's meeting.

1. ROLL CALL

<u>Present:</u> Toby Buechner Carlton M. Faison Tyler Fox Michael W. Hutson Tom Krent David Lambert Lakshmi Malalahalli Marianna Perakis John J. Tagle

Also Present:

R. Brent Savidant, Community Development Director Ben Carlisle, Carlisle Wortman Associates Julie Quinlan Dufrane, Assistant City Attorney Kathy L. Czarnecki, Recording Secretary

2. <u>APPROVAL OF AGENDA</u>

Mr. Savidant announced the applicant for a potential Planned Unit Development application that was postponed at the December 13, 2022 meeting to tonight's agenda would like to postpone the item indefinitely for personal reasons.

Resolution # PC-2023-01-001

Moved by: Faison Support by: Tagle

RESOLVED, To approve the Agenda as prepared.

Yes: All present (9)

MOTION CARRIED

3. <u>APPROVAL OF MINUTES</u> – December 13, 2022

Resolution # PC-2023-01-002

Moved by: Fox Support by: Buechner

RESOLVED, To approve the minutes of the December 13, 2022 Regular meeting as submitted.

Yes: Buechner, Faison, Fox, Hutson, Krent, Lambert, Malalahalli, Tagle Abstain: Perakis

MOTION CARRIED

4. <u>PUBLIC COMMENT</u> – For Items Not on the Agenda

There was no one present who wished to speak.

ZONING ORDINANCE TEXT AMENDMENT

5. <u>PUBLIC HEARING – ZONING ORDINANCE TEXT AMENDMENT (File Number ZOTA 257)</u> – Places of Worship

Ms. Dufrane introduced proposed revisions to the Zoning Ordinance relating to places of worship because of a Zoning Board of Appeals litigation decision. She stated a Federal District Court Judge made known that portions of Sections 4.21 and 6.21 of the Zoning Ordinance are not enforceable as written. Ms. Dufrane emphasized the proposed revised text is not a directive from the Court but that the proposed revisions were drafted by the administration after a comprehensive review.

There was discussion, some comments related to:

- Proposed revisions as relates to the protection of residentially zoned properties; i.e., parking, setbacks, frontage and access to major or minor arterial roads.
- Zoning Ordinance definition of places of worship.
- Charge of the Zoning Administrator to interpret the Zoning Ordinance.
- Intent is to apply similar treatment to both religious institutions and nonreligious places of assembly and institutions.

Ms. Perakis stated she is not personally prepared this evening to recommend the text revisions as proposed.

PUBLIC HEARING OPENED

There was no one present who wished to speak.

PUBLIC HEARING CLOSED

Resolution # PC-2023-01-003

Moved by:	Faison
Seconded by:	Tagle

RESOLVED, That the Planning Commission hereby recommends to the City Council that Articles 4 and 6 of Chapter 39 of the Code of the City of Troy, which includes provisions related to places of worship, be amended as printed on the proposed Zoning Ordinance Text Amendment.

Discussion on the motion on the floor.

Chair Lambert said he is happy the City came forth with language that both eliminates some of the discriminatory language in the City's Zoning Ordinance and at the same time protects the residential areas that might be impacted.

Vote on the motion on the floor.

Yes: Buechner, Faison, Fox, Hutson, Krent, Lambert, Malalahalli, Tagle No: Perakis

MOTION CARRIED

SPECIAL USE AND PRELIMINARY SITE PLAN APPROVALS

6. <u>SPECIAL USE APPROVAL AND PRELIMINARY SITE PLAN REVIEW (File Number SU</u> <u>JPLN2022-0004)</u> – Proposed 2690 Crooks Road Apartments, East side of Crooks, South of Big Beaver (2690 Crooks), Section 28, Currently Zoned BB (Big Beaver) District

Mr. Carlisle reviewed the Special Use and Preliminary Site Plan application for 2690 Crooks Road Apartments. The applicant proposes to repurpose the existing 4-story Lindsey Center building and construct a new 5-story multiple family residential building. Mr. Carlisle addressed the number of units, access and circulation, site arrangement, shared parking with 911 and 999 W. Big Beaver sites, waiver to relocate required parking lot trees and architectural features. Mr. Carlisle explained the Special Use Approval relates to the proposed residential use on the first floor not facing a public right of way. He reported the application includes a traffic study reviewed by both the City Traffic Consultant OHM Advisors and Oakland County Road Commission (OCRC). Mr. Carlisle said OHM and OCRC representatives are present this evening to address traffic and proposed shared parking.

(*Mr.* Savidant exited the meeting at 7:31 p.m.; returned at 7:33 p.m.)

Mr. Carlisle said as part of the deliberation, the Planning Commission should consider compliance with Section 5.04E Big Beaver Design Standards, Section 8.06 Site Plan Review Standards and Section 9.02.D Special Use Standards, as well the required transparency for the east, north and south elevations, parking lot tree location, proposed shared parking and consideration of providing a three-dimensional (3-D) rendering of the entire development.

Mr. Carlisle reported any approval this evening should be subject to the conditions identified in his report dated January 4, 2023 as part of Final Site Plan approval. Mr. Carlisle reminded the Board there was no public comment at the Public Hearing conducted at their December 13, 2022 meeting.

Board members expressed confusion in the review and deliberation of this application because of its relationship to Agenda item # 7 on tonight's agenda.

It was determined the Planning Consultant would give a review on Agenda item #7, 911 and 999 W. Big Beaver Special Use Approval and Preliminary Site Plan application prior to taking any action on the 2690 Crooks Road application.

Applicant Jordan Jonna said the ownership structure of the subject parcels dictated the submission of individual applications. He noted that the south site (2690 Crooks) has sufficient parking to stand alone whether the north site (911 and 999 W. Big Beaver) is developed or not.

There was discussion, some comments related to:

- Building heights.
- Green recreational space deficiency.
- Shared parking.
 - o Coordination of parking during construction phases.
 - Dynamics of shared parking among the various uses.

*Refer to page 6, Agenda item #7 for additional comments that relate to both applications.

Resolution # PC-2023-01-xxx (motion withdrawn)

Moved by:	Krent
Seconded by:	Faison

RESOLVED, The Planning Commission hereby approves a reduction in the total number of required parking spaces for the proposed 2690 Crooks Road residential development to 221 when a total of 312 spaces are required on the site based on the off-street parking space requirements for multi-family residential. This 91-space reduction is sufficient to meet parking demands based on shared parking provided on the abutting site to the north; and,

RESOLVED, That Special Use Approval and Preliminary Site Plan Approval for the proposed 2690 Crooks Road Apartments, east side of Crooks, south of Big Beaver (2690 Crooks), Section 28, Currently Zoned BB (Big Beaver) District, be granted, subject to the following conditions:

- 1. Increase the drive-aisle width to at least 26 feet.
- 2. Improve pedestrian circulation based on OHM's comments.
- 3. Confirm existing screening of trash enclosure.
- 4. Confirm building lighting.
- 5. Verify unit numbers.
- 6. Provide a shared parking agreement to the satisfaction of the City Attorney prior to Final Site Plan Approval.
- 7. Provide transparency calculations.

Discussion on the motion on the floor.

Concerns discussed were:

- Required landscape trees in parking lot; impact to number of parking spaces.
- Non-friendly pedestrian walkability of site.
- Enhancement of green space.
- Improvements to access, circulation, and shared parking.

Mr. Krent withdrew his motion from the floor. Mr. Faison was in support of its withdrawal.

Resolution # PC-2023-01-004

Moved by:	Tagle
Seconded by:	Krent

RESOLVED, To postpone 2690 Crooks Road Apartments application so that the applicant may comply with the Zoning Ordinance requirements of interior parking lot landscaping, enhance the pedestrian walkways and to provide information to this Commission with regard to the distance to the parking spots for the residential units in excess of what is currently around the building.

Yes: All present (9)

MOTION CARRIED

 PUBLIC HEARING - SPECIAL USE APPROVAL AND PRELIMINARY SITE PLAN REVIEW (File Number SU JPLN2022-0004) – Proposed 911 and 999 W. Big Beaver Mixed Use Development, Southeast corner of Big Beaver and Crooks (PIN 88-20-28-101-032, -034 and -047), Section 28, Currently Zoned BB (Big Beaver) District.

Mr. Carlisle reviewed the Special Use Approval and Preliminary Site Plan application for 911 and 999 W. Big Beaver that proposes to convert the existing Kelly Services site as a mixed use. He said the Special Use Approval relates to 1) a potential use of a financial institution drive-through, and 2) proposed residential use on the first floor not facing a public right of way. Mr. Carlisle said the applicant is seeking waivers for required setbacks for Buildings A and C. He noted the parking for Building E must be adjacent to the building.

Mr. Carlisle addressed access and site circulation, architectural features and deficiencies in the landscaping.

Mr. Carlisle reported as part of the deliberation, the Planning Commission should discuss compliance with Section 5.04.E Big Beaver Design Standards, Section 8.06 Site Plan Review Standards and Section 9.02D Special Use Standards, as well, architectural features, parking lot tree location, shared parking and setback waivers for placement of two buildings.

Mr. Carlisle said OHM and OCRC representatives are present this evening to address traffic and proposed shared parking.

Mr. Jonna addressed the relationship with Kelly Services Headquarters, complementary architectural features among buildings, development phases, current state of office space, parking deck and recreational amenities for all users of the sites. He addressed legal implications in the ownership structure of the subject parcels. Mr. Jonna said the project team is very comfortable with the proposed shared parking and briefly addressed parking calculations for both applications.

There was discussion, some comments related to:

- Shared parking and parking deck.
 - Distance to residential.
 - Location of parking deck for all users.
 - Parking calculations.
 - 2690 Crooks sufficient parking on its own.
- Improve walkability for pedestrians.
- Alternative site arrangement; access, circulation.
- Drive-through for financial institution.
- Open space deficiencies.
- Requirement for parking lot trees to break up pavement, create islands.
- Environmental resources.
- Recorded easement(s).
- Trash collection.

Project Architect Kevin Biddison addressed the subject parcels as relates to the residential use, public amenities and walking community.

Julie Kroll of Fleis & Vanderbrink addressed the parking study and analysis for both applications as relates to parking space calculations and number of parking spaces. She stated they are comfortable with the parking numbers.

PUBLIC HEAR OPENED

There was no one present who wished to speak.

PUBLIC HEARING CLOSED

Stephan Maxe of OHM Advisors addressed OHM comments on the traffic impact study as identified in their memorandum dated December 22, 0222 and their comments relating to the improvement of pedestrian circulation between the developments.

Resolution # PC-2023-01-005

Moved by: Fox Seconded by: Buechner

RESOLVED, To postpone 911 and 999 W. Big Beaver Mixed Use Development application per the reasons discussed in the previous motion and including conditions as listed in the proposed Resolution (number one through nine) and that the applicant come back with a simplistic explanation and diagrams of the shared parking and circulation plans that clearly shows pedestrian amenities and how the subject sites are tied together.

Discussion on the motion on the floor.

- Easement to Tower Center Drive and to neighboring properties as relates to flow and connectivity.
- Drive-through facility as relates to environment, green space, walkability.
- Location of parking deck pursuant to Zoning Ordinance requirements.
- Concerns with pedestrian and vehicular circulation.
- Alternative commercial/retail uses other than drive-through financial institution.

Vote on the motion on the floor.

Yes: All present (9)

MOTION CARRIED

OTHER ITEMS

8. <u>ELECTION OF OFFICERS</u>

Chair Lambert opened the floor for nominations for Chair.

Ms. Perakis nominated David Lambert. Mr. Krent supported the nomination.

Acknowledging there were no further nominations, Chair Lambert closed the floor to nominations.

Roll Call vote on the nomination for David Lambert as Chair.

Yes: All present (9)

Chair Lambert opened the floor for nominations for Vice Chair.

Chair Lambert nominated Marianna Perakis. Mr. Buechner supported the nomination.

Acknowledging there were no further nominations, Chair Lambert closed the floor to nominations.

Roll Call vote on the nomination on the floor for Marianna Perakis as Vice Chair.

Yes: All present (9)

Chair Lambert opened the floor for nominations for Zoning Board of Appeals Representative.

Chair Lambert nominated Tyler Fox. Mr. Krent supported the nomination.

Acknowledging there were no further nominations, Chair Lambert closed the floor to nominations.

Roll Call vote on the recommendation of appointment for Tyler Fox as ZBA Representative.

Yes: All present (9)

9. <u>PUBLIC COMMENT</u> – For Items on the Agenda

There was no one present who wished to speak.

10. PLANNING COMMISSION COMMENT

There were general comments, some relating to:

- Welcome to Planning Commissioner Fox.
- Well wishes for the New Year.
- Potential future study on sustainability.

Ms. Dufrane gave an update on litigation of the Tollbrook (McClure and Alpine) matters.

11. ADJOURN

The Regular meeting of the Planning Commission adjourned at 9:45 p.m.

Respectfully submitted,

David Lambert, Chair

Kathy L. Ozarnecki, Recording Secretary

Interim Financial Report 2nd Quarter For The Six Months Ended December 31, 2022

CITY OF TROY QUARTERLY REPORT SIX MONTHS ENDED DECEMBER 31, 2022 HIGHLIGHTS

General Fund

<u>Revenues</u>

Total revenues are \$48.7 million to date and represent 77.8% of total budgeted revenues and other sources. This is an increase of \$3.5 million or 7.8% compared to the same time period in the prior year and includes recognition of total annual tax revenues of \$38.4 million. Tax revenue increased \$2.3 million or 6.3%. Grant Revenue including State Shared Revenue is currently at \$4.2 million, which is an increase of \$0.4 million from the prior year.

Expenditures

Total General Fund expenditures to date are \$30.1 million or 44.5% of the annual budget. This is an increase of \$2.7 million or 10.0% compared to the same time period in the prior year. Currently, all departments appear to be within expected budgetary parameters to date.

Capital Fund

<u>Revenues</u>

Total revenues are \$11.0 million to date and represent 35.4% of total budgeted revenues and other sources. Grant revenue is currently at \$201 thousand; however, this is expected to see a significant increase as the fiscal year progresses as the ARPA funds and the MDOT Rochester Road Project funds will be expended and grant revenue will be recognized.

Expenditures

Expenditures for capital projects of \$10.0 million represent 25.6% of budgeted projects. This is up approximately \$3.3 million from the prior year, which is expected based on the significant increase in the Capital Fund budget (Approximately \$10.5 million greater than prior year) for the current fiscal year.

Major Streets Fund

<u>Revenues</u>

Total revenues of \$2.6 million represent 34.3% of total budgeted revenues. This is an increase of \$0.1 million from the prior year and the amount is consistent with expectations. Current trends indicate that the fund will generate budgeted amounts by the end of the fiscal year.

Expenditures

Total expenditures of \$3.1 million represent 41.8% of total budgeted expenditures. This is a decrease of \$0.3 million over the prior year amount or 10.1%, which is primarily due to the budgeted transfers out for the current fiscal year being reduced by \$1.0 million.

Local Streets Fund

<u>Revenues</u>

Total revenues of \$1.8 million represent 40.2% of total budgeted revenues. This is an increase of \$54 thousand from the prior year and the amount is consistent with expectations. Current trends indicate that the fund will generate budgeted amounts by the end of the fiscal year.

Expenditures

Total expenditures of \$2.0 million represent 37.8% of total budgeted expenditures. This is consistent with the prior year amount of \$2.1 million.

Aquatic Center

Revenues

Total revenues of \$351 thousand represent 59.4% of total budgeted revenues. This is a decrease of approximately 17.6% from the prior year, which is primarily driven by a \$70 thousand reduction in charges for services.

Expenses

Expenses of \$336 thousand or 43.0% compared to budget are lower than the prior year amount to date of \$478 thousand due to reduced capital expenditures as planned.

Sanctuary Lake Golf Course

Revenues

Revenues of \$1.4 million are up \$0.2 million or 17.9% compared to the prior year for the same time period. Total year to date rounds are 26,200 representing an increase of approximately 2,446 rounds from the prior year. Average revenue per round is \$55.34 compared to the prior year of \$51.77.

Expenses

Total expenditures of \$1.3 million are up \$91 thousand or 7.3% compared to the prior year, which is in line with expectations. Golf Course operating expenses are covered by the day-to-day revenues; however, similar to previous years, the fund cannot cover its annual debt requirements. As a result, the General Fund pays the remaining portion.

Sylvan Glen Golf Course

<u>Revenues</u>

Revenues of \$1.1 million are up slightly compared with the prior year to date amount of \$1.0 million. Total year to date rounds are 29,182 representing an increase of approximately 1,120 rounds from the prior year. Average revenue per round is \$34.16 compared to the prior year of \$31.24.

Expenses

Total expenditures of \$0.7 million are flat compared to prior year but are in line with expectations. As of 12/31/22, the cash advance to Sanctuary Lake remains at \$2.8 million which is consistent with last year.

Sanitary Sewer Fund

<u>Revenues</u>

Sanitary Sewer fund revenues of \$8.3 million are up \$0.6 million or 7.3% from the prior year to date due primarily from consumption (sold 263,039 mcf, up 20,774 mcf or 8.6%). Note: Sewer disposal charges are based upon water consumption.

Expenses

Sanitary Sewer fund expenses of \$10.1 million are up approximately \$1.0 million from the prior year to date due primary to the capital debt prepayment of \$4.0 million of the City's share of the Oakland County Evergreen/Farmington Corrective Action Plan.

Water Fund

<u>Revenues</u>

Water fund revenues of \$12.6 million are up \$1.4 million or 12.9% primarily due to an increase in consumption (sold 263,039 mcf, up 20,774 mcf or 8.6%). Weather patterns can have a significant impact on consumption over the summer months.

Expenses

Water fund total expenses of \$9.4 million are down \$2.9 million from the prior year to date. The decrease is primarily due to the timing of billings as the November billing was not received until late January and the December bill is yet to be received.

CITY COUNCIL AGENDA REPORT

Date:	February 13, 2023
To:	Mark F. Miller, City Manager
From:	Robert J. Bruner, Assistant City Manager Brian Goul, Recreation Director Nikki McEachern, Assistant Recreation Director
Subject:	Recreation Administration Staff Retreat Report

Thirteen staff gathered for a Recreation Administration Staff Retreat on Tuesday, January 17, 2023 11:30am-4pm at the Sanctuary Lake Golf Course Club House. The last in-person Recreation Administration Staff Retreat was held in December 2019.

During the retreat, staff reflected on 2022 goal outcomes, determined 2023 goals, and conducted team building exercises. The following goals and associated tasks were identified for 2023:

GOAL 1: INCREASE DOCUMENTATION FOR KEY ORGANIZATIONAL FUNCTIONS

- 1. Establish a Who to Ask List for common questions for other City departments, and train administration team. Establish an annual process for reviewing and updating List.
- Create Standard Operating Procedures (SOPs) for common RecTrac tasks and train all front desk and administration staff on SOPs. Establish an annual process for reviewing and updating SOPs.
- 3. Create SOPs for common registration payment tasks (including refunds, waitlists, and cancellations), and train all front desk and administration staff on SOPs. Establish an annual process for reviewing and updating SOPs.
- 4. Create SOPs for regular job duties for each FT position, assign a back up person, and train back up person on SOPs. Establish an annual process for reviewing and updating SOPs.
- 5. Establish a new file organization system for the shared G-drive server, clean up G-drive, train staff, and create a monitoring process to maintain new system.

GOAL 2: UPDATE EMERGENCY ACTION PLANS (EAPs)

- 1. Update facility EAP for Troy Community Center and Troy Family Aquatic Center. Collect existing program-specific EAP's and review for consistency with facility EAP. Establish an annual process for reviewing and updating EAP.
- 2. Create and offer staff training and drills for Troy Community Center and Troy Family Aquatic Center. Create an annual training and drill schedule.

500 West Big Beaver Troy, MI 48084 troymi.gov

CITY COUNCIL AGENDA REPORT

GOAL 3: IMPROVE STAFF ENGAGEMENT

- 1. Offer 2 field trips at parks, Historic Village, Nature Center, or other City departments. Plan 2 optional social events off hours for staff.
- 2. Schedule and coordinate DEI trainings for staff (1 for FT staff and 1 for PT staff).
- 3. Schedule, plan, and execute two Innovation Brainstorm sessions to improve existing programs and create new programs. Include Recreation Supervisors and Marketing Team at Brainstorm sessions.

GOAL 4: EXPAND COMMUNITY OUTREACH

- 1. Create a public comment form online. Update paper comment form to match. Establish a monitoring process for paper and online comments.
- 2. Remove Community Center TV/displays/maps. Plan and execute replacement TVs/display. Establish a process for updating displays.
- 3. Plan and execute Open House event to attract customers to programs and services (aim for 100 attendees).
- 4. Create and distribute a sponsorship packet to attract new sponsor partners and increase revenue. Establish an annual packet process.
- 5. Plan and execute new Parent Expo event to attract new customers to our programs and services.
- 6. Utilize social media and Survey Monkey to poll and survey monthly.

Each task has been assigned a leader, a minimum of two supporters, and target deadlines. Quarterly status updates will be required to hold each task leader accountable.

Overall, staff appreciated the opportunity to make recommendations for organizational improvements through the Staff Retreat exercises. Staff plans to hold an Admin Staff Retreat annually going forward.

CITY COUNCIL AGENDA ITEM

Date:	February 1, 2023
To:	Mark F. Miller, City Manager
From:	Robert J. Bruner, Assistant City Manager Brian Goul, Recreation Director
Subject:	Troy Historical Society Annual Report for Fiscal Year Ending 2022 and Financial Statements for Fiscal Year Ending 2022

The Troy Historical Society, established as a 501.c.3 nonprofit corporation in 1966, administers the Troy Historic Village for the City of Troy through a renewable management agreement. Troy Historical Society provides engaging education and enrichment programs at the city-owned Troy Historic Village as well as outreach programs for schools and adult groups. Nearly 30,000 guests visit the Village each year, including 15,000 students, chaperones, and teachers from public, private and charter schools in southeast Michigan. The Troy Historical Society is committed to expanding awareness of the Village as an outstanding center for history education, arts and culture, and inclusive community engagement.

The Troy Historical Society provides a welcoming environment that:

- Engages visitors in positive learning experiences and social interactions
- Respects the significance of history as we seek knowledge, understanding and relevance in our lives
- Recognizes artifacts as social objects and catalysts for sharing information and ideas
- Embraces innovative and creative interpretive programs
- Encourages civil discussion and objective analysis and evaluation of controversial issues
- Promotes a stewardship and adherence to the highest standards of historic preservation; manages resources with integrity and transparency; and treats all peoples with dignity and respect

Attached is the Troy Historical Society's Annual Report for FYE 2022 and Financial Statements for FYE 2022.

Annual Report Fiscal Year Ending June 30, 2022

AROUND THE VILLAGE

The Board of Trustees of the Troy Historical Society (THS) and staff of the Troy Historic Village (Village) present this Annual Report for the Fiscal Year ending June 30th, 2022 (FYE2022). Almost exactly two years since the onset of the Covid Pandemic, accessibility to vaccines and relief to public health systems allowed schools to lift restrictions. School groups began to return in March and have been consistently booking ever since. Attendance to other programs has been slowly climbing and Covid disruptions have diminished. Thanks to the support from the city, county, and state, we are now combining new programs and ideas developed during the pandemic with proven school programs as staffing and facility capacity allows.

PROGRAM HIGHLIGHTS

Entering the fall of 2021, we knew that Covid restrictions would continue to impact school field trips. We continued to offer online field trips, however most schools seemed to be waiting for the traditional experience. By February and March, teachers called daily to book the field trips they had missed as restrictions were lifted. In the second half of the school year, 51 of 76 days were booked with trips including the return of Civil War Days for Troy and Lake Orion 8th grade students. In addition, we provided 26 scout and home school programs. We served a total of 6,884 students, chaperones, and teachers in the 2021-22 school year.

Our core Adult Program, Thursday Teas, returned to a regular schedule with topics from Food Fads & Funky Dishes to Troy in the Roaring Twenties. The Women of Copper Country Great Michigan Read inspired "The Art of Coppersmithing" hands-on experience, a screening of the film Red Metal: The Copper Country Strike of 1913, and a Keweenaw History talk in addition to book discussions. Our Cheddar Preschool Story Time continued to welcome the youngest Villagers with their parents and grandparents in tow. Monthly Preservation Conversations and Constitution Cafes rounded out our robust programming.

This year we expanded immersive experiences for all ages. We presented fall and spring radio show-style programs bringing back a nostalgic way to tell entertaining stories. Families joined us for Civil War Saturday-an exploration into what life may have been like in the 1860's. In the winter we celebrated an 1865 Victorian Christmas at the Village. We continued to offer Blacksmithing classes in the Wagon Shop and added watercolor classes in the restored Niles-Barnard House.

Community Events including Trick-or-Treat, Cocoa & Crafts with Santa, and spring Egg Hunt for children and families continued to be popular events at the Village-using our unique setting for safe, hands-on activities. We continued to build Healthy Communities through yoga, weekly walking groups, and longer Saturday Hikes as well as fun summer and winter fitness challenges that wove together history and activities. We also offered fun social events for adults like Plaidurday Happy Hour, a Roaring 20's Night, and Yoga and Wine. In total, 16,105 people of all ages joined us for this wide range of programs, activities and events in the FYE 2022.

People attended hands on Workshops in 2021-2022

AROUND THE VILLAGE

STAFF AND VOLUNTEER SUPPORT

THS employs three full-time and twelve part-time staff members to fulfill its mission to engage the community and enable life-long exploration of history by sharing and preserving our stories, artifacts, and buildings through creative, meaningful experiences. We do that at the Village and offsite with Village resources and collections. While we love objects, one of our most valued resources is the experience, expertise, and creativity of the professional staff. Not only did staff continue to

produce quality programming, but they continued to develop community partnerships. Our Adult Program Director, Youth Program Director, and History Interpreters take the lead in programming. They have support from the Curator (who also maintains the City's collection), Volunteer Coordinator, Business Manager, and Community Development Director. We have expanded our rental offerings as both a revenue stream and Village experience and employ an Events Manager and Facilities Attendant to facilitate rentals. We continue to work with Excel for contracted cleaning services.

Through the pandemic it was difficult to engage our dedicated volunteers. With grant support, we rehired a Volunteer Coordinator in November and started regularly welcoming back volunteers. We have reinstated our monthly volunteer committee meetings on the first Tuesday of every month and started a bi-monthly Volunteer Newsletter to improve communication to those who can't regularly be at the Village. We

continue to find creative ways to engage volunteers who are not ready to come back and volunteer in person: volunteers have helped research at home for our collections,

cut out and prepared crafts from the comfort of their couch, and prepped maintenance materials in their garages. We are so thankful for the folks who stayed with us during the pandemic but happy to start seeing volunteers in person again!

CAPITAL IMPROVEMENTS

The **Caswell House** received a new roof! Additional exterior work was completed, replacing some rotted boards and painting the entire building. Work in the basement has improved drainage and removed the constant dampness. The **Wagon Shop** also received a new roof. Before working on the roof, an engineering study determined additional roof bracing and the removal of the loft (not original to the building) was

needed. We appreciate extending the life of a well-used, well-loved building that probably never expected to be around so long! Other small projects included replacing rotted pieces of the Gazebo and removing cabinets in the

Church basement to replace them with a movable worktable. THS appreciates the big and small projects taken on by the City. Preserving historic buildings can be tedious

and we are thrilled to be able to use these historic spaces for a variety of programs.

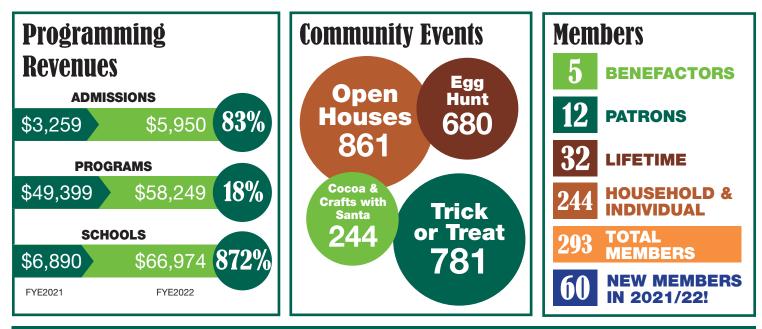

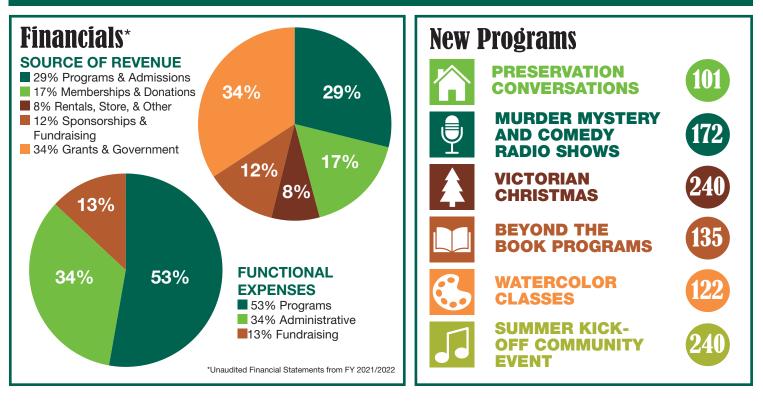

CONTINUED GROWTH AND COMMUNITY ENGAGEMENT

2022 July 2021-June 2022

"We are thrilled to see school busses rolling up the driveway and kids excited for sometimes their first field trip ever, it feels like an old friend returning." ~Jen Peters, Executive Director

22,989 total visitors and people served including 6,884 students, chaperones, and teachers

FINANCIALS

FINANCE

THS successfully completed its eleventh fiscal year operating the Village through its renewable management agreement with the City of Troy. The current agreement will end in 2026. With most schools still restricted from taking field trips, we continued a conservative approach of creating two 6-month budgets for the 2021-2022 fiscal year. This along with close monitoring of cash flow and profit and loss reports helped us maintain staff and programming at realistic levels. It also allowed us to immediately expand as we began to see indications of returning school groups. Overall, our budget again relied on COVID relief funds, but better than expected programming and strong donor and sponsor support brought our total gross receipts to \$443,908. In addition, a generous bequest enabled THS to create a self-governed endowment which will add to the long-term stability of Village operations.

GRANTS

The following grant funds were received in FYE2022:

Michigan Arts and Culture Council (formerly the

Financial Snapshot

Revenue

Field Trips, Programs, & Admissions	\$131,173
Memberships & Private Donations	\$75,575
Rentals, Village Store, & Other	\$35,933

Grants	\$43,251
City of Troy Operations Support	\$106,000

Expenses

Salaries and Related Fees	\$349,037
Artists and Professional Fees	\$53,058
Program Expenses	\$27,489
Fundraising Expenses	\$14,213
Administrative & Overhead Expenses	\$36,354

- Michigan Council for Arts and Cultural Affairs) awarded THS a \$19,500 General Operations grant. An additional \$2500 was added to the award later in the year from remaining COVID funds.
- THS received a \$13,500 MI H.O.P.E. grant from the *Michigan Humanities Council* and *National Endowment for the Humanities* through the Coronavirus Aid, Relief and Economic Security (CARES) Act to support staff salaries and rehire a Volunteer Coordinator.
- ✓ Kresge Foundation allocated \$5,000 from a three-year grant of \$15,000 to support general operations.
- Michigan Humanities Council awarded \$721 for Great Michigan Read programs related to the book "Women of Copper Country." They also awarded THS a \$2,500 Michigan Museum Recovery grant for support of general operations.
- ✓ Troy Community Foundation awarded a \$500 grant to support our Winter Explorers Challenge.
- Home Depot and Walmart awarded \$1000 and \$750 respectively to support community events including Trick-or-Treat, Cocoa & Crafts with Santa, Egg Hunt, and more.
- THS received a \$750 Keep Michigan Beautiful Grant towards building an outhouse that will enhance the historic landscape of the Village.
- The City of Troy appropriated \$100,000 to support general operations in the Village and \$6,000 to support Eastern Michigan University's Historic Preservation Field School. This is in addition to work completed through the Facilities & Grounds department to maintain and upgrade Village buildings and grounds.

The Endowment Fund to benefit the Troy Historic Village administered by the Troy Community Foundation reached a balance of \$30,322.59 as of June 30, 2022.

As of the end of the fiscal year, the funds received from the estate of beloved Villager Judy Siess were still being reorganized into a THS-governed endowment. The goal of this endowment will be to support operations of the Village as the THS Board and Village Executive Director deem most beneficial.

Phillip & Elizabeth Filmer Memorial Charitable Trust

OAKLAND COUNTY

BAR FOUNDATION

COLLECTIONS

Staff Curator, Elizabeth Thornburg, and volunteers worked on the following projects during FYE2022:

- Reorganized collection spaces in the General Store and Parsonage; emptied Lange Street storage space; installed black out curtains in the Archive.
- Collected images for Victorian Christmas display; researched and installed flags from the collection for the History Unfurled exhibit.
- Began updating interpretive plans for the Parsonage (early 1920s) and Town Hall (1926).
- Volunteers began creating narratives about each of the Troy schools from founding to consolidation using collections and clipping files; Poppleton, Log Cabin, Stiles, Niles, Stone School, Leonard, and Big Beaver have been completed.
- WMU Intern Peter Moon digitized several collections, including newspaper clippings from the Rochester Era (1945-1949) and the Frontier Gal social columns written by Troy resident Juanita Bonino.
- Volunteer David Grocki began researching Troy happenings in local digitized newspapers and creating searchable online spreadsheets.
- Volunteer Hannah Krebs began organizing the Gloria Anderlie collection including newspaper articles, photographs, letters, audio cassettes, and other documents about Troy from the 1940s to the 1990s.

The following items were accessioned into the Collection:

- Fractional District No. 10 (Stone School) Teacher's ledger Orion Historical Society
- James Bailey's walking stick (1802-1887), Zilpha Bailey's school bell used at Stone School – Hartland Smith
- Victorian feather wreath Marcy Dwyer
- Set of bedroom furniture including a bed, washstand, dresser, lamps, and a barrister bookcase – Helen Gach and family
- A City of Troy commemorative coin Jeff Osborne
- Coin Bank, a church donation box, several mechanical tin toys, rolling toys, a spelling toy, a gyroscope, wooden horse "snowshoe", an overshot coverlet, a brass police whistle, and two pairs of 19th-century glasses – Sharon Base
- Promotional materials about the Ford Tractor Plant (once located in Troy) – T&I Credit Union

- Caswell Family Bible c.1855, maintained with family names and dates into the 1960s, Caswell Family Photo Album c. 1870s-1890s, Caswell Grandson Jesse Caswell's Glasses, Violin, Bow and Case and a newspaper article about playing for Henry Ford – Christine Caswell Greene
- Photographic Christmas Cards from Governor G Mennen Williams and Senator Phil Hart – Nancy Rogers
- Children's Magic Lantern and slides Alfred Ostrowski
- Big Beaver Class materials Don Mouch
- Candle Stick Telephone Douglas Thornburg

The following items were accepted into the THS Education collection:

- ✓ Late 19th Century Folding Chair Maureen Caldwell
- Handbell and 19th Century Schoolbook Connie Warren

Deaccessions:

- Many items of clothing (77.204, 77.207, 89.5.6.1, 79.66.6, 78.334, 77.205, 84.16.1, 81.49.2, 81.51, 75.10.1, 82.41.2, 68.62, 70.21.23, 76.212, 76.838, 76.836, 79.33.3, 79.0.21, 76.199, 78.850.1, 82.41.5, 80.23.22, 96.005.001.012, 96.005.001.006-010) due to extensive deterioration, including several dresses, gowns, vests, blouses, jackets, a lap robe, and several duplicate police uniform pieces. The Troy Police Department has been consulted on the responsible disposal of police uniform components.
- Small serving dish (82.47.7) rendered irreparable due to breakage; it had no known ties to Troy.
- ✓ 68 reproduction tin cans (2008.28.1-68) in the General Store that were not historic.
- ✓ Pin cushion (76.251.1) due to major rodent damage.
- 13 large picture frames (2009.13.2-26, even numbers only) which were accessioned separately from their photographs were deaccessioned.
- Several small boxes of nails which do not appear to be accessioned were repurposed.

COLLABORATIONS

THS was happy to be a part of more community events in the FYE2022 including the Troy Farmer's Market and Movies in the Park. We also participated in Troy Recreation's Fall Fest and Spring Fest Events. As more community events return, we love to showcase the Village and support community members whenever possible! We were able to hold more activities at the Village with community partners. The Troy Garden walk returned in July 2021 using the Village for their plant sale and craft boutique while showcasing their flower beds. The Kiwanis held a Fall Leadership event at the Village that included a fun scarecrow building contest and leadership talks. The Village also hosted a Summer Kick-Off Open House with community partners to showcase all the activities residents could find in Troy through the summer.

We were thrilled to be able to put on the Troy Traffic Jam in 2021! After being off for a year, we felt comfortable holding the event and welcomed more than 200 cars and 4,000 visitors. This is a great community event as well as a Village fundraiser and we couldn't make it happen without support from the City of Troy, Kirco, and the Columbia Center.

In the fall of 2021, we welcomed Eastern Michigan University's Historic Preservation Field School to the Village. Graduate students dug into the archives to research buildings, learned the newest scanning and mapping techniques, worked with an engineer to assess buildings, and got hands on with the Pioneer Room windows to make them fully functional again. In the spring, Executive Director Jen Peters taught Oakland University's Museum Studies Course for undergraduates—a way to bring our resources to the next generation of museum professionals.

We continue to seek out artists and skilled tradespeople to share their skills through classes and demonstrations at the Village. In addition to metalsmith Rose Weiss' blacksmithing and coppersmithing classes and MI Folk School classes, we brought Megan Swoyer back to the Village to teach watercolor classes in the Niles-Barnard House. We also welcomed back skilled reenactors for Civil War Days and Civil War Saturday. A volunteer reenacting troupe, Bonnets and Crooked Hats, brought the Village to life for new Victorian Christmas event in December and a Victorian Strawberry Festival in June.

LOOKING FORWARD

The return of school groups in the spring of 2022 was more than just a boost to the bottom line, it had a huge positive impact on the dedicated staff. The energy those busloads of children brought back to the Village was immeasurable. Now that our core programming is returning to pre-pandemic levels, we can think about more than survival, we can think about expanding. We imagine days where we teach onsite and offsite school groups in the morning, then host dynamic programming for adults or small groups in the afternoon.

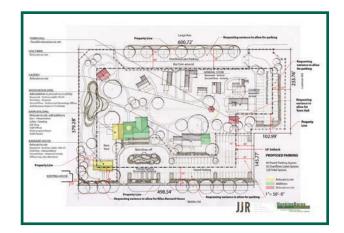

The Board of Trustees spent the spring of 2022 developing a new

Troy Historical Society Strategic Plan. This work had been put on hold in 2020. Guided by a consultant from the Nonprofit Network, the Board spent time visioning and setting organizational goals. This was a growing point for the board as they embraced becoming a Governance Board rather than Working Board.

Troy Historical Society 2022-2027 Strategic Plan Goals:

- 1. Establish and maintain short-term and long-term financial stability
- 2. Prepare for changes within the community, environment, and economy
- 3. Ensure diversity within the board, staff, and those served
- 4. Establish THV as a cultural asset/resource to the Troy community and surrounding region
- 5. Optimize resources including a) the talent of board, staff, and volunteers b) artifacts and knowledge and c) facilities

Board members also identified a number of objectives and strategies within these goals, but ultimately board and staff members will work within committees and small work groups to identify the steps to achieve these goals over the next 3-5 years. As part of this work, the Historical Society is realigning their committees to match their identified goals and values.

One very exciting step identified by the Historical Society Board was to work with the City on updating the Village Master Plan. The City was able to incorporate the cost of this work in their 2022-2023 budget. A new Master Plan will enable the Village staff to better utilize existing and new spaces, maximize capacity, and improve curb appeal and accessibility. All of this is to further the mission of the Troy Historical Society to engage the community and enable life-long exploration of history by sharing and preserving our stories, artifacts, and buildings through creative, meaningful experiences.

Independent Auditor's Report

To the Board of Directors of Troy Historical Society

Opinion

We have audited the accompanying financial statements of Troy Historical Society (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Troy Historical Society as of June 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Troy Historical Society and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Troy Historical Society's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Troy Historical Society's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Troy Historical Society's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Note 1 – Nature of Activities and Significant Accounting Policies

Organization

Troy Historical Society (the Organization) is tax exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code as an organization that is not a private foundation. The Organization's mission is to engage the community and enable life-long exploration of history by sharing and preserving its stories, artifacts, and buildings through creative, meaningful experiences. The Organization's vision is to enhance knowledge and historic context through the resources and activities centered at the Troy Historic Village. The Organization provides opportunities for community development, social interaction, and open dialogue on issues of importance. The Organization enriches lives by connecting its experiences of the past to one another. The Organization was formed in order to foster and encourage the collection and preservation of historical artifacts and to study and conduct historical research. It has grown from this foundation of preservation to preservation and education. The Organization is located in Troy, Michigan.

The City of Troy has a contract with the Organization that allows the Organization to operate, manage, and use the Troy Historic Village and its buildings for the purpose of the Organization's mission. See Note 4.

Nature of Activities

The Organization develops and offers history-related public educational programs to children and families, school fieldtrips, and senior citizens. The Organization operates the Historic Village and works with the City of Troy to maintain the accompanying buildings and artifacts. Fees are charged for most educational and group-taught programs. Other sources of income include local government support, donations, fundraising events, and special-event rentals.

Basis of Presentation

The Organization reports information regarding its financial position and activities according to two classes of net assets that are based upon the existence or absence of restrictions on use that are placed there by its donors: net assets without donor restrictions and net assets with donor restrictions.

Net assets without donor restrictions are resources available to support operations and not subject to donor restrictions. The only limits on the use of net assets without donor restrictions are the broad limits resulting from the nature of the Organization, the environment in which it operates, the purposes specified in its corporate documents and its application for tax-exempt status and any limits resulting from contractual agreements with creditors and others that are entered into in the course of its operations.

Net assets with donor restrictions are subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, such as those that the donor stipulates that resources be maintained in perpetuity.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Actual results could differ from those estimates

Cash and Cash Equivalents

For purposes of the statement of cash flows, highly liquid investments with maturities of three months or less when purchased are considered cash equivalents and recorded at cost, which approximates fair value.

June 30, 2022

Note 1 – Nature of Activities and Significant Accounting Policies (Continued)

Accounts Receivable

The Organization considers accounts receivable to be fully collectible as of June 30, 2022; accordingly, no allowance for doubtful accounts is required. If amounts become uncollectible, they will be charged to operations when that determination is made.

Grants Receivable

Grants and contributions are recognized at fair value as revenues in the period in which there is sufficient evidence that an unconditional promise was received. Conditional promises are recognized when the conditions on which they depend are substantially met. Unconditional promises to give that are expected to be collected within one year are recorded at their net realizable value. The allowance for uncollectible amounts is estimated based upon historical collection rates and specific identification of uncollectible amounts. As of June 30, 2022, there was no allowance required for grants receivable.

Inventory

The Organization maintains an inventory of books, posters, and other mission related products, purchased for resale, that are sold in The Village Store. Inventory is valued at the lower of cost or market.

Property and Equipment

Property and equipment is carried at cost or, if donated, at fair market value at the time of donation. Depreciation is provided on a straight-line basis over the estimated useful lives of 3 to 27.5 years. The Organization's policy is to capitalize acquisitions of \$2,500 or more. For the year ended June 30, 2022, depreciation expense was \$593.

Investments

Investments for which market quotations are readily available are valued at the quoted market price.

Deferred Revenue

Deferred revenue consists of advances for future programs, events, rentals, and grants. The Organization recognizes revenue once the program, event, or rental has concluded. Grants are recognized in conjunction with agreement terms when any imposed conditions have been met.

Contribution Revenue

Contributions of cash and other assets, including unconditional promises to give in the future, are reported as revenue when received and are measured at fair value. Contributions that are restricted by the donor are reported as an increase in net assets without donor restriction if the restriction expires in the reporting period in which the contributions are recognized. Contributions with donor-imposed time or purpose restrictions are reported as support with donor restrictions. All other contributions are reported as support without donor restrictions.

Unconditional promises to give with payments due in future periods are assumed to have an implicit time restriction. Those restrictions are released as contributions when collected or when allocations or grants are made to recipient organizations based on those future collections. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and the promises become unconditional. There were no conditional promises to give recognized as of June 30, 2022.

June 30, 2022

Note 1 – Nature of Activities and Significant Accounting Policies (Continued)

Contributed Services

The Organization pays for most services requiring specific expertise. However, many individuals donate their time in performing a variety of tasks to assist the Organization's operations. The donated hours and value of these contributed services have not been included in these financial statements, as they do not meet the criteria for recognition and were estimated for the year ended June 30, 2022 to be 4,280 hours valued at approximately \$124,116.

Concentrations of Credit Risk

The Organization derives most of its revenues from local government support, donations, and various fundraising events. For the year ended June 30, 2022, local government support was approximately 12% of total revenues.

Functional Allocation of Expenses

Costs of providing the program, management and general, and fundraising services have been reported on a functional basis in the statement of functional expenses. The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses required allocation on a reasonable basis that is consistently applied. Depreciation is allocated on the basis of the program or support service that uses the fixed asset. Costs have been allocated between the various programs and support services based on estimates determined by management. Although the methods of allocation used are considered appropriate, other methods could be used that would produce different amounts.

Adoption of New Accounting Pronouncement

In September 2020, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2020-07, *Not-for-Profit Entities (Topic 958): Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*, which was issued in order to improve transparency in the reporting of contributed nonfinancial assets, also known as gifts-in -kind, for not-for-profit organizations. The new guidance is effective for the Organization's year-ended June 30, 2022. See Note 6.

Upcoming Accounting Pronouncement

The FASB issued ASU No. 2016-02, Leases, which will supersede the current lease requirements in ASC 840. The ASU requires lessees to recognize a right-of-use asset and a related lease liability for all leases, with a limited exception for short-term leases. Leases will be classified as either finance or operating, with the classification affecting the pattern of expense recognition in the statement of activities. Currently, leases are classified as either capital or operating, with only capital leases recognized on the statement of financial position. The new guidance will be effective for the Organization's year-ending June 30, 2023 and will be applied using a modified retrospective transition method to the beginning of the earliest period presented. The effects on the results of operations are not expected to be significant.

Subsequent Events

The financial statements and related disclosures include evaluation of events up through and including January 4, 2023, which is the date the financial statements were available to be issued.

June 30, 2022

Note 2 – Fair Value Measurement

Fair Value Measurement

Accounting standards require certain assets and liabilities be reported at fair value in the financial statements and provide a framework for establishing that fair value. The framework for determining fair value is based on a hierarchy that prioritizes the inputs and valuation techniques used to measure fair value.

The following table presents information about the Organization's assets measured at fair value on a recurring basis at June 30, 2022 and the valuation techniques used by the Organization to determine those fair values.

Fair values determined by Level 1 inputs use quoted prices in active markets for identical assets that the Organization has the ability to access.

Fair values determined by Level 2 inputs use other inputs that are observable, either directly or indirectly. These Level 2 inputs include quoted prices for similar assets in active markets and other inputs, such as interest rates and yield curves that are observable at commonly quoted intervals.

Level 3 inputs are unobservable inputs, including inputs that are available in situations where there is little, if any, market activity for the related asset. These Level 3 fair value measurements are based primarily on management's own estimates using pricing models, discounted cash flow methodologies, or similar techniques taking into account the characteristics of the asset.

In instances whereby inputs used to measure fair value fall into different levels in the above fair value hierarchy, fair value measurements in their entirety are categorized based on the lowest level input that is significant to the valuation. The Organization's assessment of the significance of particular inputs to these fair value measurements requires judgment and considers factors specific to each asset.

The following table presents information about the Organization's assets measured at fair value on a recurring basis at June 30, 2022:

	Assets Measured at Fair Value on a Recurring Basis at June 30, 2022			
	Quoted Prices in Active Markets for Identical Assets (Level 1)		Balance at June 30, 2022	
Investments:				
Money market funds	\$	15,766	\$	15,766
Fixed income securities		160,550		160,550
Equity securities		220,484		220,484
Total investments at fair value	\$	396,800	\$	396,800

Total investments at fair value of \$396,800 were donated to the Organization during the year ended June 30, 2022. This donation is included within Donations and Grants on the Statement of Activities and Changes in Net Assets for the year ended June 30, 2022.

Notes to Financial Statements

June 30, 2022

Note 3 – Investment Income

Investment income (loss) is composed of the following for the year ended June 30, 2022:

Interest and dividends	\$ 3,568
Net realized and unrealized losses	 (45,480)
Total	\$ (41,912)

Note 4 – City of Troy

Effective in March 2011, the City of Troy approved an operational agreement with the Organization to operate the Troy Historic Village located in Troy, Michigan, which allows the Organization non-exclusive use of the property. The agreement was renewed on July 1, 2016, and it expires on June 30, 2026.

In conjunction with this agreement, the City of Troy includes the Organization in its annual budget within the City's Recreation and Culture Department for building and ground routine maintenance as well as annual appropriations out of its General Fund for Organization operations, insurance, and operations-related maintenance and utilities. For the year ended June 30, 2022, the City of Troy provided the Organization with an appropriation for organizational operations in the amount of \$106,000. The appropriation in the amount of \$106,000 is recorded as Local Government Support on the Statement of Activities and Changes in Net Assets for the year ended June 30, 2022.

Note 5 – Community Foundation Endowment

Effective December 1, 2017, The Organization established an endowment agreement with North Woodward Community Foundation (the Community Foundation) by an irrevocable transfer of funds in the amount of \$5,000 to the Community Foundation. The purpose of the endowment is to provide support to the Organization in its operating and management of the Troy Historic Village, owned by the City of Troy, as directed by the Community Foundation. The Community Foundation has the power to retain, invest, and reinvest the assets of the endowment to further the charitable or other exempt purposes of the Organization. The Community Foundation also has variance power over the endowment in that the Community Foundation's principles and procedures for advised funds provide that the commitments, grants, or expenditures from the funds shall be made to the Organization at such time or times and in such amount or amounts as determined by the Community Foundation. If the Organization ceases to operate and manage the Troy Historic Village, the endowment fund would continue to provide support to the Troy Historic Village by distributions to the next operator of the Troy Historic Village.

Annually, the Organization can request five percent of the average endowment fund balance of the preceding four quarters in the form of a distribution. As of June 30, 2022, the North Woodward Community Foundation reported an approximate fair value of \$30,323 for the endowment fund. As of June 30, 2022, a request for distribution has not been made by the Organization.

Note 6 – In-kind Donations

The Organization received various in-kind donations for its programs and in support of the Organization in general. The in-kind donations were used during the year-ended June 30, 2022, and there were no donor-imposed restrictions associated with the contributed non-financial assets. Fair value of the contributed non-financial assets was determined based on the market value cost of a given item or service. In-kind donations for the year-ended June 30, 2022 are as follows:

Description		Value	
Advertising, promotional services, and sponsorship	\$	758	
Village and program supplies (items include but are not limited to round tables,			
presentation folders, baking supplies)		2,175	
Total	\$	2,933	
44			

Notes to Financial Statements

June 30, 2022

Note 7 – Liquidity and Availability of Financial Resources

The Organization has \$221,317 of financial assets available within one year of the statement of financial position date to meet cash needs for general expenditure consisting of cash and cash equivalents and receivables. None of the financial assets are subject to donor or other contractual restrictions that make them unavailable for general expenditure within one year of the statement of financial position date with the exception of \$11,853 to be used for donor restricted purposes. The Organization has a goal to maintain financial assets, which consist of cash and cash equivalents and receivables, on hand to meet 60 days of normal operating expenses, which are, on average approximately \$83,000. The Organization has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

PLANNING COMMISSION 2022 ANNUAL REPORT

The Michigan Planning Enabling Act requires that municipal planning commissions prepare an annual written report to the legislative body concerning operations and the status of planning activities undertaken during the calendar year. In accordance, the following information has been compiled:

PLANNING COMMISSION

In 2022 the Planning Commission consisted of Dave Lambert (Chair), Marianna Perakis (Vice Chair), Toby Buechner, Carlton Faison, Michael Hutson, Tom Krent, Lakshmi Malalahalli, Sadek Rahman, John Tagle.

Lakshmi Malalahalli was Zoning Board of Appeals (ZBA) Representative.

The Planning Commission held 20 meetings during the year.

John Tagle and Michael Hutson served on the Sustainable Design Review Committee.

Planning Commission Training

Planning Commission members Krent and Buechner attended training sessions at the Michigan Association of Planning (MAP) Annual Conference, held in October, 2022. Planning Commission member Buechner completed the Citizen Planner course.

Planning Commission Sub-Committee Meetings

Planning Commission Chair Lambert appointed a 4-member Sub-Committee with the task of studying the Neighborhood Nodes and preparing a draft Neighborhood Node section as part of the Master Plan amendment effort. Appointed members were Dave Lambert, Marianna Perakis, Carlton Faison and Tom Krent. Meetings were held on April 5, April 13 and May 25 and were open to the public.

CITY COUNCIL AGENDA ITEM

Date:	February 13, 2023
То:	Mark F. Miller, City Manager
From:	Robert J. Bruner, Assistant City Manager Emily Dumas, Library Director
Subject:	Troy Public Library Annual Report

Each year Michigan public libraries submit a report to the state that documents the data and statistics collected throughout the previous fiscal year. The compiled data includes performance indicators such as door count, circulation, program attendance, number of library card holders, and more. It also records general budgetary data for the fiscal year, and demographic data for the area the library services. This form provides a comprehensive overview of the library, and this information is collected and shared by the Library of Michigan.

This report is a requirement to receive state aid, funding that is allocated to public libraries each year under an appropriation of general funds from the Michigan legislature.

The reporting period for submittal of this data to Library of Michigan runs from October 1st through February 1st. Libraries must submit their reports within this timeframe to be eligible to receive state aid.

The information collected for the 2021-23 state report, as well as additional items of interest, is compiled into the attached report in a form that is presentable to the Council and the public.

Year in Review

Statement from our Director

What a year for Troy Public Library! When I took the position of Director in early 2021 while in the height of COVID-19, the Library building was closed to the public and offering only curbside services and virtual programming. It's been incredible to be a part of the Troy Public Library's transition back to normal times...and "normal" around here is certainly busy, lively, and

vibrant! I'm so thankful to be part of this flourishing and growing period in TPL's history. I also want to join our wonderful TPL staff in welcoming our beloved community back into the Library.

Over the past year there have been many changes and improvements. TPL was finally able to return to Friday operating hours after a ten-year hiatus, and our doors are now open seven days, 65 hours a week to better serve our Troy community. Along with our operating hours, there were also many updates to our services, and I am very proud to present a list of many of the new resources in this report. I invite you to take a moment to look through TPL's year in review, and to please take advantage of all of the fantastic opportunities your Library has to offer. The staff, myself, and the whole TPL family are so glad to welcome you in!

With warmest regards,

anly Dureas

Emily Dumas Library Director

"Troy Public Library is a magical place...We truly appreciate TPL and its wonderful staff."

–Kristin Kender, Patron

"There has never been a time when I reached out to our TPL team when they did not exceed my expectations. We love our public library!"

–Toni Isaac Troy High School Media Specialist B.S., M.L.S. "Everyone in the Library [has] tried to help [us] in every possible way, especially in becoming acquainted with the community, finding the right books on different stages of living, finding movies for fun and for learning, magazines, newspapers, etc.

We hope to still attend this great library in the future and wish for the Library to have many new patrons in the future too."

-Kanivets Family, Patrons

BUSHNELL • SUMMER ALE CITY

CITY COUNCIL REPORT

Date: February 6, 2023

To: Mark Miller, City Manager

From: Robert Bruner, Assistant City Manager Robert C. Maleszyk, Chief Financial Officer Dee Ann Irby, Controller G. Scott Finlay, City Engineer

Subject: Federal Funding for Major Road Work Rochester Road, Elmwood to Maple

At the Oakland County Federal Aid Funding Committee meeting of January 24, 2023, \$417,000 in federal funds were awarded for a pavement rehabilitation (3-inch mill & overlay) on Rochester Road, from Elmwood to Maple in 2027. The total project cost is estimated at \$750,000. The City share of this amount is 44% or \$333,000.

A future cost participation agreement will be presented to City Council for approval once the federal funds are available to obligate.

The project award of \$750,000, in 2027, brings the total approved amount of funding for major roads in Troy to approximately \$27,000,000. Troy's match to these funds is approximately \$5,500,000 with the remaining \$21,500,000 in federal, state, RCOC or other agency funds. Projects included in this total are:

- 2021 Rochester, Barclay to Trinway Right-of Way
- 2021 Adams, Long Lake to Square Lake Construction
- 2022 14 Mile, I75 to Dequindre Construction
- 2023 Rochester, Barclay to Trinway Construction
- 2024 Rochester, Trinway to South Boulevard Construction
- 2027 Rochester, Elmwood to Maple Construction

CITY MANAGER CITY OF TROY, OAKLAND COUNTY 500 W. BIG BEAVER ROAD TROY, MI 48084

STATE OF MICHIGAN BEFORE THE MICHIGAN PUBLIC SERVICE COMMISSION NOTICE OF HEARING FOR THE GAS CUSTOMERS OF DTE GAS COMPANY CASE NO. U-21271

O-05

- DTE Gas Company requests Michigan Public Service Commission for approval of a Gas Cost Recovery Plan, 5-year Forecast and Monthly Gas Cost Recovery Factor for the 12 months ending March 31, 2024.
- The information below describes how a person may participate in this case.
- You may call or write DTE Gas Company, One Energy Plaza, Detroit, MI 48226, (800) 477-4747, for a free copy of its application. Any person may review the documents at the offices of DTE Gas Company or on the Commission's website at: <u>michigan.gov/mpscedockets</u>.

• A pre-hearing will be held:

DATE/TIME:	Tuesday, February 14, 2023 at 9:30 AM	
BEFORE:	Administrative Law Judge Katherine Talbot	
LOCATION:	Video/Teleconferencing	
PARTICIPATION:	Any interested person may participate. Persons needing any assistance to participate should contact the Commission's Executive Secretary at (517) 284-8096, or by email at <u>mpscedockets@michigan.gov</u> in advance of the hearing.	

The Michigan Public Service Commission (Commission) will hold a pre-hearing to consider DTE Gas Company's (DTE Gas) December 16, 2022 application requesting the Commission to: 1) approve a maximum base Gas Cost Recovery (GCR) factor of \$4.21 per Mcf that can be adjusted to a new maximum GCR rate by the monthly NYMEX-based contingency factor matrix, to be reflected in DTE Gas's monthly gas customer billings beginning April 1, 2023, and continuing through March 31, 2024, and further approve a Supplier of Last Resort (SOLR) Reservation Charge of an additional \$0.40 per Mcf that is billed to GCR customers while the Reservation Charge billed to Gas Customer Choice customers will be \$0.27 per Mcf; 2) determine that DTE Gas's 5-Year (April 2023–March 2028) Forecast of Gas Requirements, Supplies and Costs, and Gas Supply Plan does not include any cost items that the Commission would be unlikely to permit DTE Gas to recover in the future; 3) grant DTE Gas other and further relief.

All documents filed in this case shall be submitted electronically through the Commission's E-Dockets website at: <u>michigan.gov/mpscedockets</u>. Requirements and instructions for filing can be found in the User Manual on the E-Dockets help page. Documents may also be submitted, in Word or PDF format, as an attachment to an email sent to: <u>mpscedockets@michigan.gov</u>. If you require assistance prior to e-filing, contact Commission staff at (517) 284-8090 or by email at: <u>mpscedockets@michigan.gov</u>.

Any person wishing to intervene and become a party to the case shall electronically file a petition to intervene with this Commission by February 7, 2023: (Interested persons may elect to file using the traditional paper format.) The proof of service shall indicate service upon DTE Gas Company's attorney, Carlton D. Watson, One Energy Plaza, Detroit, MI 48226.

The prehearing is scheduled to be held remotely by video conference or teleconference. Persons filing a petition to intervene will be advised of the process to participate in the hearing.

Any person wishing to participate without intervention under Mich Admin Code, R 792.10413 (Rule 413), or file a public comment, may do so by filing a written statement in this docket. The written statement may be mailed or emailed and should reference Case No. **U-21271**. Statements may be emailed to: <u>mpscedockets@michigan.gov</u>. Statements may be mailed to: Executive Secretary, Michigan Public Service Commission, 7109 West Saginaw Hwy. Lansing, MI 48917. All information submitted to the Commission in this matter becomes public information, thus available on the Michigan Public Service Commission's website, and subject to disclosure. Please do not include information you wish to remain private. For more information on how to participate in a case, you may contact the Commission at the above address or by telephone at (517) 284-8090.

Requests for adjournment must be made pursuant to Michigan Office of Administrative Hearings and Rules R 792.10422 and R 792.10432. Requests for further information on adjournment should be directed to (517) 284-8130.

For more information on how to participate in a case, you may contact the Commission at the above address or by telephone at (517) 284-8090.

The Utility Consumer Representation Fund has been created for the purpose of aiding in the representation of residential utility customers in various Commission proceedings. Contact the Chairperson, Utility Consumer Participation Board, Department of Licensing and Regulatory Affairs, P.O. Box 30004, Lansing, Michigan 48909, for more information.

Jurisdiction is pursuant to 1909 PA 300, as amended, MCL 462.2 et seq.; 1919 PA 419, as amended, MCL 460.54 et seq.; 1939 PA 3, as amended, MCL 460.1 et seq.; 1969 PA 306, as amended, MCL 24.201 et seq.; 1982 PA 304, as amended, MCL 460,6h et seq.; and Parts 1 & 4 of the Michigan Office of Administrative Hearings and Rules, Mich. Admin Code, R 792,10106 and R 792.10401 through R 792.10448.

STATE OF MICHIGAN

BEFORE THE MICHIGAN PUBLIC SERVICE COMMISSION

NOTICE OF HEARING

FOR THE CUSTOMERS OF CONSUMERS ENERGY COMPANY

CASE NO. U-21269

 Consumers Energy Company requests Michigan Public Service Commission's approval of a gas cost recovery plan and authorization of gas cost recovery factors for the 12 months ending March 31, 2024.

The information below describes how a person may participate in this case.

 You may call or write Consumers Energy Company, One Energy Plaza, Jackson, MI 49201, 517-788-0550 for a free copy of its application. Any person may review the documents at the offices of Consumers Energy Company or on the Commission's website at: <u>michigan.gov/mpscedockets</u>.

A pre-hearing will be held:

DATE/TIME: Tuesday, February 14, 2023 at 9:00 AM

BEFORE: Administrative Law Judge Sharon Feldman

LOCATION: Video/Teleconferencing

PARTICIPATION: Any interested person may participate. Persons needing any assistance to participate should contact the Commission's Executive Secretary at (517) 284-8090, or by email at <u>mpscedockets@michigan.gov</u> in advance of the hearing

The Michigan Public Service Commission (Commission) will hold a pre-hearing to consider Consumers Energy Company's (Consumers Energy) December 27, 2022 Application requesting the Commission to: 1) authorize monthly Gas Cost Recovery (GCR) factors for the period April 2023 through March 2024 consisting of the sum of two parts: (a) a base factor of \$5.2773 per Mcf; plus, (b) additional amounts contingent upon future events, determined using the GCR Factor Ceiling Price Adjustment (Contingency) Mechanism, as proposed, or such higher factors as may be lawful and reasonable; 2) review Consumers Energy's plans and projections through March 2028, find that the five-year plan is reasonable and determine that there are no cost items which the Commission would be unlikely to permit Consumers Energy such other and further relief as is lawful and appropriate, including approval of higher GCR factors than requested in Consumers Energy's initial filing if circumstances warrant.

All documents filed in this case shall be submitted electronically through the Commission's E-Dockets website at: <u>michigan.gov/mpscedockets</u>. Requirements and instructions for filing can be found in the User Manual on the E-Dockets help page. Documents may also be submitted, in Word or PDF format, as an attachment to an email sent to: <u>mpscedockets@michigan.gov</u>. If you require assistance prior to e-filing, contact Commission staff at (517) 284-8090 or by email at: <u>mpscedockets@michigan.gov</u>.

Any person wishing to intervene and become a party to the case shall electronically file a petition to intervene with this Commission by February 7, 2023. (Interested persons may elect to file using the traditional paper format.) The proof of service shall indicate service upon Consumers Energy Company's Legal Department – Regulatory Group, One Energy Plaza, Jackson, MI 49201.

The prehearing is scheduled to be held remotely by video conference or teleconference. Persons filing a petition to intervene will be advised of the process to participate in the hearing.

Any person wishing to participate without intervention under Mich Admin Code, R 792.10413 (Rule 413), or file a public comment, may do so by filing a written statement in this docket. The written statement may be mailed or emailed and should reference Case No. U-21269. Statements may be emailed to: <u>Executive</u> Secretary, Michigan Public Service Commission, 7109 West Saginaw Hwy, Lansing, MI 48917. All information submitted to the Commission in this matter becomes public information, thus available on the Michigan Public Service Commission's website, and subject to disclosure. Please do not include information you wish to remain private. ETHAN BAKER | MAYOR

500 West Big Beaver Troy, MI 48084 Ethan.Baker@troymi.gov troymi.gov

Date: February 13, 2023

To: Mayor Pro Tem Rebecca Chamberlain-Creanga Council Member Edna Abrahim Council Member Theresa Brooks Council Member Ann Erickson Gault Council Member David Hamilton Council Member Ellen Hodorek City Manager Mark Miller City Attorney Lori Bluhm

From: Mayor Ethan Baker

Subject: State of the City 2023

My fellow Troy City Council Members, City Manager Miller, and City Attorney Bluhm:

I am excited to announce this year's State of the City Address ("SOTC") for the residents and businesses of Troy. The 2023 SOTC will be in the evening on Wednesday, May 3, 2022, with an official start time and location to be determined.

As it was the past two years, this will be a partnership between the City of Troy and the Troy Chamber of Commerce. I have been working with Tara Tomcsik-Husak, President and CEO of the Troy Chamber and Cindy Stewart, Community Affairs Director for the City of Troy for the planning and execution of this community event. It is my hope that you all will be able to attend in person again this year, and we will be opening up in-person invitations to the broader community.

The SOTC will address this last year in the City of Troy, including our execution of the FY 2022/23 budget, and will discuss the City's plans for FY 2023/24. It is my expectation that we will be on the precipice of approving our FY 2023/24 budget, which will give a good opportunity to discuss our upcoming priorities.

Cindy, Tara, and I have already been working on the plans for this SOTC and we will ensure it is a great representation of our wonderful city. I look forward to working with each of you to enhance the SOTC address and the presentation of our priorities.
