REGULAR BUSINESS

4. Request for Traffic Control – Cidermill Drive at Country Ridge Drive

Lawrence Younan of 6219 Carriage Trail requests that the intersection of Cidermill Drive at Country Ridge Drive be reviewed for purposes of traffic control at the uncontrolled intersection. He stated that the existing uncontrolled intersection is dangerous, cars turning off Cidermill, turn without looking and the view is partially blocked. This creates a hazardous situation for

drivers.

Traffic Engineering received one (1) email in opposition of changing the Traffic Control, as follows:

Hi Mr. Finlay,

My residence is 6169 Country Ridge DR. I won't be able to attend the meeting on the 18th. Regarding adding a traffic control sign at Cidermill and Country Ridge Dr, I am against it. It is a ridiculous idea to have a traffic control sign there. The traffic is very minimum, hardly any traffic. And it is a common driving knowledge that any vehicle turns yields. There is absolutely no need to have a sign there. It would be a waste of tax payers' money.

Thank you!

Yifan Ji

Cindy Nurak, stated that Cidermill was a very short street and was not sure any control was needed. She wished the requester was present so she could asked specifically what the concern was. She also stated she was no opposed to providing traffic control at the intersection.

Cynthia Wilshire concurred with Cindy Nurak's comments.

Pete Ziegenfelder stated he prefers stops signs at all intersection to control traffic

5. Public Comment

There was no further public comment at the meeting.

8. Other Business

Lt. Charlie Noonan was introduced as the new Fire Department representative to the Traffic Committee. Lt. Chuck Roberts is retiring next week.

Several members inquired about the left turn signals at intersections in Troy. Why they were different, some with the protected left turn first and some with the protected left turn last and some lefts turns stayed red, while others went to flashing red or yellow. The general thought was they should be consistent and the lefts that stayed red should turn to flashing yellow.

City Engineer/Traffic Engineer will contact RCOC and report back at the next meeting.

9. Adjourn

The meeting adjourned at 7:48 PM.

Pete Ziegenfelder, Chairperson

G. Scott Finlay, City Engineer/Traffic Engineer
