Subject: Amendments to Chapter 98

---

Based on new state legislation concerning criminal offenses charged under municipal ordinances, as well as some decisions in recent cases, the City Attorney’s Office is proposing amendments to Chapter 98 of the City Code – Criminal Code. Although many of these provisions remain on the books, they were not able to be enforced for different reasons. Our office has finally had a chance to complete a comprehensive review of Chapter 98 to incorporate developments since the enactment of the ordinance. We have attached a redlined version showing the proposed amendments we recommend and a clean copy showing Chapter 98 as it would appear if City Council approves it.

**PROVISIONS AFFECTED BY CONSTITUTIONAL LAW RULINGS AND PREVIOUS REPEALS**

**Sections 98.03.03 and 98.14.02**

Sections 98.03.03 and 98.14.02 make it illegal to “utter vile, profane or obscene language in any public place’ and to “use profane, indecent, vulgar, or immoral language or indulge in indecent or immoral conduct on school property.” Both Federal and Michigan court decisions have held that such provisions are unconstitutionally vague because they fail to provide sufficient notice as to what is specifically prohibited. Thus, to strengthen the validity of these provisions, the proposed amendments would make such language or conduct illegal only if it also causes a disturbance of the peace, which is consistent with Michigan case law.

**Section 98.05.16**

Section 98.05.16 previously provided regulations related to fireworks. As a result of the Michigan Fireworks Safety Act, MCL 28.451, the City placed all its fireworks provisions in different sections - 98.15.01 – 03. However, the reference to Section 98.05.16 was not removed. Instead it was amended to read “See Section 98.15.01.” The proposed comprehensive amendment would remove the reference to Section 98.15.01 and then continue to keep the section numbers sequential and renumber the following provisions accordingly.

### **Section 98.05.17**

This section of Chapter 98 makes it illegal to “beg in public.” This provision should be deleted based on case law. The proposed comprehensive amendment would repeal this provision but keep the section numbers sequential and renumber the following provisions accordingly.

### **Section 98.10.04**

Section 98.10.04 has the heading “Under 21 Refuse PBT” and underneath there is language indicating this section was deleted in November 2009. It was deleted as a result of a Michigan Court of Appeals case that specifically invalidated the City’s ordinance provisions related to minors refusing to take a preliminary breath test (PBT). At that time, the City revised Section 98.10.03(3) to set forth allowable regulations to request minors submit to a PBT. The proposed comprehensive amendment removes the heading and language in Section 98.10.04 but keeps the section numbers sequential and renumbers the following sections accordingly. The proposed amendment also changes the references in the following sections to refer to the appropriate sections based on the renumbering.

## **PROVISIONS AFFECTED BY CHANGES IN MARIHUANA LAWS**

### **Section 98.11.01**

Section 98.11.01 prohibits the use and possession of marihuana and imposes misdemeanor penalties for a violation. The proposed comprehensive amendment revises this section based on the Michigan Regulation and Taxation of Marihuana Act, MCL 333.27951, *et seq.*, (MRTMA) and the Michigan Medical Marihuana Act, MCL 33.26421 *et seq.*, (MMA). As revised, this section no longer prohibits the general use and possession of marihuana by adults. Consistent with state law, the use and possession of marijuana by persons under 21 and the possession of more than 2.5 ounces of marihuana, plus the visible growing of plants are now civil infractions. Consumption of marihuana in a vehicle on a public road or way, and possession or use of marihuana on school grounds is a misdemeanor, consistent with the state statutes. Under MRTMA, there are also more serious sanctions for repeat offenders and for persons possessing larger quantities, but these are not incorporated, since these would likely be prosecuted under state law, rather than city ordinance.

## **PROVISIONS AFFECTED BY CHANGES IN TOBACCO LAWS**

As a result of amendments to the Youth Tobacco Act, MCL 722.642 *et seq.*, the age that a person can legally use tobacco, alternative nicotine products, and vapor products has changed from age 18 to age 21. To be consistent with state law, the proposed comprehensive amendment to Chapter 98 includes the revisions outlined below.

### **Section 98.01.02.1 – Definitions**

The proposed comprehensive amendment adds definitions for “Alternative Nicotine Product,” “Tobacco Product” and “Vapor Product” consistent with the Youth Tobacco Act.

### **Section 98.12.01**

The proposed amendment to Section 98.12.01 reflects the statutory change prohibiting persons under 21 from possessing and using tobacco. The penalty for a violation remains a misdemeanor subject to a \$50 fine, but as amended, this section authorizes the Court to impose participation in a health program and/or community service as a sanction for a violation.

### **Section 98.12.01a**

The proposed amendment adds a new Section 98.12.01a, specifically identifying vapor and alternative nicotine products as part of the prohibition for persons under 21 years old. Possession or use would be a civil infraction but the Court could also require participation in a health program and/or community service as a sanction for a violation. A third offense would be a misdemeanor subject to a \$50 fine, and possible participation in a health program and/or community service.

### **Section 98.12.02**

The proposed amendment to 98.12.02 would make it a misdemeanor to sell or furnish tobacco, a vapor product, or a nicotine product to a person under the age of 21. The penalty for a first offense would be \$100 and \$500 for a second offense and up to \$2,500 for a third offense, consistent with state law.

## **CHANGES TO FIREARM LAWS**

Our comprehensive review required a look at the firearms laws, which have been recently amended in the state statutes. Pursuant to MCL 132.1102, local units of government are prohibited from imposing, enacting, or enforcing any ordinance regulating the ownership, purchase, sale, transfer, transportation, or possession of pistols, other firearms or pneumatic guns, or ammunition except as provided by federal or state law. Although MCL 132.1103 allows municipalities to adopt ordinances related to firearms, a municipality cannot adopt any firearm regulation that would prohibit any use or possession of a firearm that is permitted under state law. Recent changes include:

### **Licensing of Firearms**

Under current state law, a person may not purchase, carry, or transport a pistol without first obtaining a license from a police department. The license is commonly referred to as a pistol permit. There are exemptions from this requirement for persons who have a concealed pistol license (CPL), for law enforcement and correctional officers, members of the armed forces, federally licensed firearm dealers, and persons who purchase a pistol from a federally licensed firearm dealer who completes a federal criminal background check not more than five days before the purchase. If a police department determines there is probable cause to believe that a pistol license applicant poses a threat to himself/herself or to other individuals, or is likely to commit a criminal offense with a pistol, the permit application should be denied, and the Troy Police Department has established guidelines for carrying out this responsibility. The current provision, where there is no requirement to get a Michigan license or permit for a rifle or shotgun, was modified by Public Acts 18, 19, and 22 of 2023,

500 West Big Beaver  
Troy, MI 48084  
troymi.gov

which amends provisions of MCL 28.421 – 28.434(a), MCL 750.232 -233, and MCL 777.11. Now, persons seeking to purchase a rifle or a shotgun must first obtain a license from a police department unless they are exempt from doing so under the new statute. The new law, which takes effect on February 13, 2024, essentially extends the regulations currently applicable to pistol licensing to rifles and shotguns. Under the amended legislation, firearms acquired before February 13, 2024 are exempt. The new law also eliminates the exemption for those purchasing from federally licensed firearms dealers who complete background checks.

### **New Safe Storage Provisions for Firearms**

Public Acts 79 – 82, which also takes effect on February 13, 2024, amends MCL 28.435, MCL 777.11B, and MCL 205.51 - MCL 205.78 by imposing new requirements for the safe storage of firearms if it is known that a minor (under the age of 18) is likely to be on a premise. The new law prohibits a person from leaving a firearm at a property where there are minors unless it is in a locked box or container or kept unloaded and locked with a locking device to make the firearm inoperable by any individual other than the owner or an authorized user. The law also applies to any person who enters the premises of another where a minor may be present. In such case, the law requires the individual to either store the firearm in a locked box or keep it unloaded with a locking device installed, or they must leave the firearm in a locked vehicle. The penalties for violation depend on what the minor does after obtaining a firearm not properly stored. If a minor exhibits the firearm in public, the penalty for the non-compliant firearm owner is up to 93 days in jail and a fine up to \$500. If the minor uses the firearm and causes an injury, the penalty could be up to 10 years in prison and/or a fine of up to \$7,500, and if a minor uses the firearm and causes a death, the penalty is up to 15 years in prison and a fine of up to \$10,000.

The new law also imposes requirements on federally licensed firearm dealers to provide brochures or pamphlets informing all firearm purchasers of the new safe storage laws.

The new legislation also amends the sales and use tax laws to exempt firearm safety devices from the sales and use tax.

### **Extreme Risk Protection Orders (Red Flag Law)**

Public Act 38 of 2023 is new legislation (MCL 691.1805) that allows specified individuals (petitioners) to file an action in circuit court seeking an extreme risk protection order (ERPO) to prohibit any person posing a significant risk of personal injury to himself or herself or others from possessing firearms. This law, which is known as a “red flag” law, is similar to legislation passed in several other states that require a person who is served with such a petition to demonstrate that he or she is not a significant risk to themselves or others if they possess a firearm. A petition seeking an ERPO can be filed by any person who has a familial or dating relationship with the respondent, or a guardian, a mental health professional or a law enforcement officer. If the Court issues an ERPO, the respondent will be required to turn in any firearms he or she owns to a police department and file proof with the court verifying the firearms have been surrendered. Failure to do so would subject the respondent to criminal penalties and penalties for contempt of court. An ERPO expires one year after issuance but

500 West Big Beaver  
Troy, MI 48084  
troymi.gov

may be extended upon the request of the petitioner if it is shown that the respondent still poses a significant risk of personal injury to themselves or others.

### **Senate Bill 208**

There is no current state or federal law that would prohibit a person from openly carrying a firearm in a holster outside of his or her clothing. Accordingly, local units of government cannot prohibit the open carry of firearms in public buildings, except as noted below. Pursuant to MCL 28.425o and Administrative Orders of the Michigan Supreme Court, there are some locations where individual(s) are prohibited from concealed and open carry of a firearm. They include:

- 1) Schools or school property.
- 2) Public or private day care facilities.
- 3) Sports arena or stadiums.
- 4) Bars or taverns.
- 5) Property owned or operated by a church, synagogue, mosque, or other place of worship, unless the presiding official allows the firearms to be carried on the premises.
- 6) Entertainment facilities with a seating capacity of 2,500.
- 7) Hospitals.
- 8) A dormitory or classroom of a community college, college, or university.
- 9) Casinos.
- 10) Any courtroom, office, or other space used for official court business.

On March 16, 2023, Senate Bill 208 was introduced in the State Legislature. This proposed law would amend MCL 123.1103 to allow local units of government to pass an ordinance prohibiting firearms on any property owned or leased by the local unit of government. If this bill were to pass and become law, then the City could amend its ordinances to prohibit firearms on City owned property. However, there has been no further action taken on this proposed legislation since its introduction.

### **House Bill 4184**

Under state law, pneumatic guns (BB and pellet guns) are not considered firearms and are not subject to the same regulations. Thus, there is no requirement to obtain a license in order to use and possess a pneumatic gun. Under MCL 123.1103, a local unit of government may regulate the possession of pneumatic guns within the local unit of government by requiring that an individual below the age of 16 who is in possession of a pneumatic gun be under the supervision of a parent, a guardian, or an individual 18 years of age or older. Under the current state law, however, an ordinance cannot regulate possession of a pneumatic gun on or within private property if an individual below the age of 16 is authorized by a parent or guardian or another adult that owns the subject to possess the pneumatic gun. In March 2023, House Bill 4148 was introduced and if enacted, it would prohibit any individual less than 18 years of age from using or possessing a pneumatic gun outside the individual's residence unless accompanied by another individual over 18 years of age. Similar to Senate Bill 208, there has been no further action since the bill's introduction.

## **Proposed Amendments to Firearm Provisions of Chapter 98**

Following the changes in state law, we recommend the following specific ordinance revisions to remove conflicts with the state law, and also to provide additional protections for the health, safety, and welfare of the community, as allowed under the firearms laws.

### **Section 98.01.02.1 – Definitions**

The proposed amendment would revise the definition section to be consistent with the definitions provided under state law firearm regulations. The amendment would revise the definition of the term “firearm” and provide new definitions for the terms brandish, pistol, and pneumatic gun.

### **Section 98.13.01 – Transport or Possess Firearms in Vehicle**

The proposed amendment specifies how firearms and pneumatic guns may be transported. As revised, this section would be consistent with the state law.

### **Section 98.13.02 – Firearm License Requirement**

The proposed amendment clarifies that any person who possesses a firearm in Troy must have a license as required by the recent amendment to the state law or otherwise be exempt from licensure. Any person who acquired a firearm, other than a pistol, before February 13, 2024 is exempt, as required by state law. The amendment to this section also removes the language related to possessing a firearm in “public” since that language could imply that the City prohibits possession of all firearms in public, which it is not authorized to do.

### **Section 98.13.03 – Person Under 18 – Possess Firearms**

The proposed amendment clarifies that a person under the age of 18 may not carry or possess a firearm in public unless they are under the direct supervision of an individual 18 years or older.

### **Sections 98.13.06 and 98.13.07**

The proposed amendments adding Sections 98.13.06 and 98.13.07 provide regulations for pneumatic guns. The City has authority to prohibit using such guns in a dangerous or threatening manner and to require persons under the age of 16 to only use such guns under the supervision of an adult or within private property as authorized by a parent, guardian or property owner. We recommend adding these provisions since our office has received many inquiries regarding whether pneumatic guns are subject to the same regulations as firearms. These provisions provide notice that even though pneumatic guns are not subject to the same regulations applicable to firearms, there are some limitations on their use.

Troy, MI 48084  
troymi.gov

## **Sections 98.13.08 and 98.13.09 – Brandishing and Pointing Firearm Without Malice**

The new sections 98.13.08 and 98.13.09 would add provisions prohibiting the brandishing of firearms and intentionally pointing a firearm at a person without malice.

We considered proposing some amendments for safe storage of firearms and ERPO's. However, most of the significant violations of the new safe storage laws are felonies or juvenile cases, brought by the Oakland County prosecutor, rather than the City prosecutor. The ERPO violations are enforced through civil penalties and private actions in circuit court, rather than a district court misdemeanor prosecution. Thus, we do not believe there is any reason to incorporate these state law provisions or the new ERPO law provisions into the City's misdemeanor ordinance.

## **PROVISIONS AFFECTING CONDUCT ON SCHOOL PROPERTY**

Based on some court challenges to the school property provisions in Chapter 98, we propose amendments to those provisions. The proposed amendment also amends the provisions related to tobacco on school property to be consistent with revisions to state law.

## **Proposed Amendments to School Property Provisions of Chapter 98**

### **Section 98.14.02**

Section 98.14.02 prohibited indecent language or conduct on school property. The proposed amendment adds additional language that would only prohibit such language or conduct if it causes a disturbance.

### **Section 98.14.03**

Section 98.14.03 states that anyone on school property violates the ordinance unless the presence is authorized by a school administrator. The proposed amendment clarifies that it is only a violation when an individual is previously notified by a school administrator that they are not allowed on the property, or if they refuse to depart after being requested to leave by a school administrator.

### **Section 98.14.05**

Section 98.14.03 makes it a misdemeanor to use tobacco on school property. The proposed amendment prohibits the use of vapor products (vapes) and alternative nicotine products in addition to tobacco. Persons over 21 years old are still allowed to use tobacco or vapor products or alternative nicotine products on school property at scheduled outdoor events on Saturdays or Sundays or after 6 pm. This is consistent with the state law.

These proposed amendments are being included in the agenda as a report, with the intent that the item be brought forward at the next regular City Council meeting, unless there are significant concerns or modifications required.
