COUNCIL AGENDA ITEM

Date: October 23, 2024

To: Frank A. Nastasi, City Manager

From: Robert J. Bruner, Deputy City Manager
Dylan Clark, Management Analyst

Subject: 2024 City Council Meeting Schedule

Background

On November 20, 2023, the City Council adopted its 2024 regular meeting schedule (Resolution #2023-11-163). On August 12, 2024, the City Council scheduled a special meeting for Saturday, December 7, 2024, to hold the 2024 City of Troy Advance Meeting (Resolution #2024-08-097) and awarded a contract for Advance Meeting Facilitation Consulting Services (Resolution #2024-08-098).

The city manager position was reposted later in August, and on September 16, 2024, the City Council appointed Police Chief Frank Nastasi City Manager for a short term (Resolution #2024-09-123).

On October 14, 2024, the City Council scheduled a special meeting for Saturday, November 16, 2024, to interview city manager candidates. A new city manager will likely take office in December 2024 or January 2025, after the proposed date of December 7. Based on this, the facilitator suggests City Council postpone the City of Troy Advance Meeting to a Saturday in the first quarter of 2025.

Recommendation

City staff recommends that the City Council cancel the special meeting on Saturday, December 7, 2024. If the December 7 meeting is canceled, city staff will work with the City Council to identify a Saturday meeting date in the first quarter of 2025.
