Joey Colby	Commented on DEI and the federal government

**M. CITY COUNCIL/CITY ADMINISTRATION RESPONSE/REPLY TO PUBLIC COMMENT FOR ITEMS NOT ON THE AGENDA FROM TROY RESIDENTS AND BUSINESSES:**

Public Works Director Bovensiepe responded that Public Works is working with the owner of the mobile home park because they have a private water main and hydrant system, and the State of Michigan regulates how much the City is allowed to be involved with land and utilities located within mobile home parks. He said the water main within the park is not sufficient to draw water from for fire hoses, and the City is not allowed to inspect privately owned fire hydrants. He said that the City purposefully installed City-owned hydrants right outside the park in order to provide water for fire suppression. There was a consensus of Council to ask City Administration to investigate and contact the State to see what can be done to resolve the water issue and hydrant issues.

Mayor Baker thanked Mr. Colby for his comments.
