Subject: Standard Purchasing Resolution 2: Lowest Acceptable Bidder – Replacement Batteries for Emergency Back-Up System for the Community Center

### History

The emergency back-up system for the Community Center's indoor pool is operated by 94 batteries. The life expectancy of the batteries is 10 years. The batteries currently in service are the original batteries installed when the building opened 11 years ago. The batteries in service have exceeded the manufacturer's stated life expectancy and must be replaced. The purchase of replacement batteries will ensure the safety and reliability of the emergency back-up system for the next 10 years. Installation of the batteries will be done by The Building Operations Department.

### Purchasing

On March 6, 2014, a bid opening was conducted as required by City Charter and Code for ninety-four (94) replacement batteries. The bid was posted on the Michigan Inter-governmental Trade Network (MITN) website; [www.mitn.info](http://www.mitn.info). Four (4) bid responses were received. The low bid alternate response was reviewed and approved by the Recreation Department and the Building Operations Department for use in the Community Center's emergency back-up system. Below is a detailed summary of potential vendors:

*MITN provides a resourceful online platform to streamline the procurement process, reduce costs, and make it easier and more transparent for vendors to do business with the City of Troy.*

*Active MITN members with a current membership and paying annual dues receive automatic electronic notification which allows instant access to Bids, RFPS and Quote opportunities with the City.*

*Active MITN non-paying members are responsible to monitor and check the MITN website for opportunities to do business with the City.*

*Inactive MITN member status can occur when a company does not renew their account upon expiration. Inactive members cannot be notified of solicitations or access any bid information.*

After reviewing the bid proposals, Complete Battery Source of Detroit, MI was the lowest acceptable bidder and is being recommended for the purchase of ninety-four (94) replacement batteries.

### Financial

The funds for these purchases are available in the 2013-14 Capital Improvement Program fund.

### Recommendation

City management recommends awarding a contract to purchase twenty (20) CSB-HRL-12200 batteries, twenty-four (24) CSB-TPL 12-1000 batteries, and fifty (50) CSB-HRL 12-280 batteries to the lowest acceptable bidder, Complete Battery Source of Detroit, MI for an estimated total cost of \$13,950.00 less trade-in value of \$708.00, for a final cost of \$13,242.00, all at prices contained in the bid tabulation dated March 6, 2014.
