Subject: Budget Amendment and Standard Purchasing Resolution 2: Award to Low Bidder Meeting Specifications – Flooring Replacement at the Fire and Police Training Center Offices and Classrooms
Standard Purchasing Resolution 4: Oakland County Purchasing Cooperative – Fire and Police Training Center Classroom Electrical Upgrades

History

The Fire and Police Training Center was constructed in 2001 and has provided countless hours of training for the City of Troy Fire and Police Department as well as hosting a litany of classes. While the Fire and Police Training Center met the needs of training 20 years ago, the platform of training has evolved leaving our facilities outdated and in need of refreshing to stay relevant and a desirable location for trainers throughout the country.

The Fire Department utilizes the training center on a weekly basis for in-house firefighter training for our 180 volunteer firefighters. Outside classes for specialty training, such as extrication and ice rescue classes and certification courses for Fire Officers and Fire Instructors are held here several times throughout the year. These classes have students from neighboring fire departments and around the state. The training center also hosts two different fire academies for initial firefighter training.

The Police Department hosts numerous certified training courses annually, attended by hundreds of officers from around the state. As the host agency, the Troy Police Department receives complementary seats in the classes. The arrangement results in over \$20,000.00 of free training annually. For example, in 2019 the Troy Police Department hosted 45 courses that 175 Troy Police Officers attended at no cost saving \$25,784.00. These courses range from FBI Crisis Negotiation to De-escalation Training.

In addition to the cost savings for complementary seats in training courses, Troy is a leader in training. Firefighters and Police Officers from across the state come to the City of Troy to better themselves and their professions. The training center is also used for meetings, annual in-house training, community events such as red cross blood drives, food drives, and community meetings. The training center is also the back-up Emergency Operations Center for the City of Troy.
