Prices shall remain firm for 60 days or bid award, whichever comes first, except the successful bidder whose prices shall remain firm through contract expiration. The one-year contract may be extended through mutual consent of both parties for two (2) additional one-year options within 90 days of contract termination. The renewal is subject to a favorable market survey and City Council approval. A request by City staff to determine a successful bidder's interest in renewing a contract in no way obligates the City. The option cannot be exercised without Troy City Council approval and a blanket purchase order issued.

The City can accept an increase at the beginning of the first option year not to exceed the difference in the Consumer Price Index between the current year (as close to 12 months as possible) and the previous year as calculated on the CPI Inflation Calculator available on the Bureau of Labor Statistics website [www.bls.gov/cpi/home.htm](http://www.bls.gov/cpi/home.htm). The CPI Inflation Calculator uses the average Consumer Price Index for a given year. This data represents changes in prices of all goods and services purchased for consumption by urban households. For the current year, the latest month index value is used. The successful bidder must designate what portion of the contract (labor or materials) is causing the request for the increase.

## CITY COUNCIL AGENDA ITEM

Date: August 30, 2021

To: Mark F. Miller, City Manager

From: Robert J. Bruner, Assistant City Manager  
Rob Maleszyk, Chief Financial Officer  
Lisa Burnham, Controller  
Kurt Bovensiepe, Public Works Director  
Scott Carruthers, Streets and Drains Operations Manager  
Emily Frontera, Purchasing Manager

Subject: Standard Purchasing Resolution 2: Award to Low Bidder Meeting Specifications – Sidewalk Replacement and Installation Program, and Manhole Rehabilitation

---

### History

- The Streets Division is responsible for the inspection of all sidewalks and approaches and ensuring defects are corrected to provide a safe pedestrian walkway.
- Under Chapter 34.10, residents are responsible for the maintenance and repair of sidewalks abutting their property.
- After an inspection of sidewalks, the Streets Division notifies property owners of any defects and provides an opportunity for residents to either complete the repair themselves or to participate in Troy's sidewalk program.
- Under this program, the City manages the repairs and then invoices the resident for the work.
- It is usually least expensive for residents to participate in the program and allow the City to manage the work because there is a discount for larger volumes of sidewalk repair work.
- It is estimated that residents in the program reimburse 40-60% of total sidewalk repair program expenses. The City's portion of this program are when a sidewalk defect is caused by a City asset, such as Rights-of-Way trees, manholes, or the property is owned by the City.
- The City has now added a bid component, requiring self-adjusting manhole covers. This is expected to reduce sidewalk defects caused by manhole covers.
- The City solicits bids for a contractor to perform sidewalk repairs. The current contract expired on June 30, 2021.
- The previous contractor, Italia Construction of Washington Township, MI was the lowest bidder for the new contract. However, City Administration does not recommend awarding the bid to Italia Construction, based on past performance issues and communication issues.
  - City Management has been unsuccessful in multiple attempts to get Italia Construction to timely complete the necessary work, and has fielded many calls from confused and frustrated residents because the sidewalk work was not timely completed.

# CITY COUNCIL AGENDA ITEM

## History (continued)

- The City has suffered financial loss, since the sidewalk repair cost quotes provided to residents are derived from the bid amounts. The City will need to honor these quotes, even though its costs will be increased by the inclusion of uncompleted sidewalk projects into the new bid.
- The City has been harmed because the site preparation work for uncompleted sidewalk repair projects will need to be repeated for the new contract.
- The City has been required to handle restoration of turf and private irrigation systems that should have been performed by Italia Construction.

## Purchasing

- On August 12, 2021 a bid opening was conducted as required by the City Charter/Code for Sidewalk Replacement and Installation.
- The bid was posted on the Michigan Inter-governmental Trade Network (MITN) website; [www.mitn.info](http://www.mitn.info)
- Four hundred and sixty-two (462) vendors were notified via the MITN website.
- Four (4) bid responses were received. Below is a detailed summary of potential vendors for the bid opportunity:

<b>Companies notified via MITN</b>	462
Troy Companies notified via MITN	6
Troy Companies - Active email Notification	6
Troy Companies - Active Free	0
<b>Companies that viewed the bid</b>	28
Troy Companies that viewed the bid	0

*MITN provides a resourceful online platform to streamline the procurement process, reduce costs, and make it easier and more transparent for vendors to do business with the City of Troy.*  
**Active MITN** members with a current membership and paying annual dues receive automatic electronic notification which allows instant access to Bids, RFPS and Quote opportunities with the City.  
**Active MITN non-paying** members are responsible to monitor and check the MITN website for opportunities to do business with the City.  
**Inactive MITN member** status can occur when a company does not renew their account upon expiration. Inactive members cannot be notified of solicitations or access any bid information.

- After review of the bid proposals, the lowest bidder was not selected due to past performance issues with the City's previous sidewalk replacement contract.
- *Merlo Construction of Milford, MI*, the low bidder meeting specifications and having positive references is being recommended.

## Financial

Funds are budgeted and available in the Public Works New Construction and Replacement Construction Capital Funds under Project Numbers 2022C0049, 2022C0050 and 2022C0051 for the fiscal year 2022. Expenditures will be charged to account numbers 401.447.513.7989.700 and 401.447.513.7989.650.

## Recommendation

City management recommends awarding a one (1) year contract with the option to renew for two (2) additional years to the most qualified bidder meeting specifications; *Merlo Construction of Milford, MI* for an estimated total cost of \$500,000 per year at unit prices contained in the bid tabulation opened August 12, 2021 with all expenses not to exceed budgetary limitations, contract expiring June 30, 2024.

# Additional Insured – Automatic – Owners, Lessees Or Contractors

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

Policy No.	Effective Date:
------------	-----------------

This endorsement modifies insurance provided under the:

### Commercial General Liability Coverage Part

**A. Section II – Who Is An Insured** is amended to include as an additional insured any person or organization whom you are required to add as an additional insured under a written contract or written agreement executed by you, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" and subject to the following:

1. If such written contract or written agreement specifically requires that you provide that the person or organization be named as an additional insured under one or both of the following endorsements:

- a. The Insurance Services Office (ISO) ISO CG 20 10 (10/01 edition); or
- b. The ISO CG 20 37 (10/01 edition),

such person or organization is then an additional insured with respect to such endorsement(s), but only to the extent that "bodily injury", "property damage" or "personal and advertising injury" arises out of:

- (1) Your ongoing operations, with respect to Paragraph 1.a. above; or
- (2) "Your work", with respect to Paragraph 1.b. above,

which is the subject of the written contract or written agreement.

However, solely with respect to this Paragraph 1., insurance afforded to such additional insured:

- (a) Only applies if the "bodily injury", "property damage" or "personal and advertising injury" offense occurs during the policy period and subsequent to your execution of the written contract or written agreement; and
- (b) Does not apply to "bodily injury" or "property damage" caused by "your work" and included within the "products-completed operations hazard" unless the written contract or written agreement specifically requires that you provide such coverage to such additional insured.

Solely with respect to this Paragraph (b), if the written contract or written agreement provides a minimum time period for providing such coverage, and such minimum time period ends prior to the end of the policy period, this insurance shall not apply to "bodily injury", "property damage" or a "personal and advertising injury" offense which occurs during the policy period and after the end of that minimum time period.

2. If such written contract or written agreement specifically requires that you provide that the person or organization be named as an additional insured under one or both of the following endorsements:

  - a. Under the ISO CG 20 37 (04/13 edition, any subsequent edition or if no edition date is specified); or
  - b. With respect to the "products-completed operations hazard" (if no form is specified),

such person or organization is then an additional insured only to the extent that "bodily injury" or "property damage" is caused, in whole or in part by "your work" and included in the "products-completed operations hazard", which is the subject of the written contract or written agreement.

However, solely with respect to this Paragraph 4., insurance afforded to such additional insured:

- (1) Only applies to the extent permitted by law;
- (2) Will not be broader than that which you are required by the written contract or written agreement to provide for such additional insured;
- (3) Only applies if the "bodily injury" or "property damage" occurs during the policy period and subsequent to your execution of the written contract or written agreement; and
- (4) Does not apply to "bodily injury" or "property damage" caused by "your work" and included within the "products-completed operations hazard" unless the written contract or written agreement specifically requires that you provide such coverage to such additional insured.

Solely with respect to this Paragraph (4), if the written contract or written agreement provides a minimum time period for providing such coverage, and such minimum time period ends prior to the end of the policy period, this insurance shall not apply to "bodily injury" or "property damage" which occurs during the policy period and after the end of that minimum time period.
