Subject: Standard Purchasing Resolution 2: Award to Low Bidder Meeting Specifications – Holiday Lights

History

- For two years beginning in 2013, the Kiwanis Club organized the holiday lighting of 25-30 Spruce Trees in the median of Big Beaver in the Troy Downtown Development Authority boundary, which included spaced out locations between Coolidge and Rochester Road.
- In 2016, the City of Troy encouraged the holiday tree lighting and promoted the increase of trees to be decorated.
- The City of Troy decided to install lights on additional trees with lights provided by the Kiwanis and purchase lights and install them on additional trees.
- The goal was to light all spruce trees between Rochester Road and Coolidge Highway in the Big Beaver median.
- The City of Troy staff continues to receive several compliments on the city’s efforts to provide a traditional decorated look for the holiday season along the corridor.
- It is anticipated that the lights will remain on beginning November 15th through the last day in February.
- The holiday lights have an average life span of 3-5 years in the harsh environment they are used.
- There are approximately 175 spruce trees on the Big Beaver median scheduled for holiday lights.

Purchasing

- On September 1, 2022 a bid opening was conducted as required by the City Charter/Code for one (1) year requirements for the Installation of Holiday Lights with two (2) 1-year renewals.
- The bid was posted on the MITN Purchasing Group website; www.bidnetdirect.com/city-of-troy-mi.
- Two Hundred and seventy-nine (279) vendors were notified via the MITN website. Five (5) bids were received which four (4) did not meet specifications regarding bid surety requirements. The summary of the vendor responses is detailed below.
