Subject: Standard Purchasing Resolution 2: Award to Low Bidder Meeting Specifications – Evidence Technician Lab Remodel, Troy Police Department

History

The cabinets in the Evidence Technician Lab are original from when the station was built in August 2003 and are in dire need of replacing. The current cabinets have a laminate surface (over wood), which is peeling off the doors, drawers, and the underside of the cabinet boxes. Several cabinet doors are also warped. The chemicals used in the Lab and other factors contribute to the deterioration of the laminate and warping of the doors. The counter-tops in the Lab are also original and need replacing.

The best, most durable, and most sanitary material option to use for lab cabinets is metal. Often times, Evidence Technicians work with hazardous substances and metal cabinets would be the best surface to safely clean and decontaminate. In addition, metal cabinets are the most sustainable, resistant to chemicals/hazardous materials, and there would be no issues with peeling, warping, degrading, chipping, or fading.

Purchasing

On April 6, 2023, a bid opening was conducted as required by the City Charter/Code for the Evidence Lab Cabinet Replacement in the Police Department. The bid was posted on the MITN Purchasing Group website; www.bidnetdirect.com/city-of-troy-mi. Two hundred sixty-three (263) vendors were notified via the MITN website. Two (2) companies attended the Pre-Bid meeting which was held on March 23, 2023. One (1) bid response was received. Below is a summary of potential vendors for the bid opportunity:

Companies notified via MITN	263
Troy Companies notified via MITN	12
Troy Companies - Active email Notification	12
Troy Companies - Active Free	0
Companies that viewed the bid	30
Troy Companies that viewed the bid	3

MITN provides a resourceful online platform to streamline the procurement process, reduce costs, and make it easier and more transparent for vendors to do business with the City of Troy.

Active MITN members with a current membership and paying annual dues receive automatic electronic notification which allows instant access to Bids, RFPS and Quote opportunities with the City.

Active MITN non-paying members are responsible to monitor and check the MITN website for opportunities to do business with the City.

Inactive MITN member status can occur when a company does not renew their account upon expiration. Inactive members cannot be notified of solicitations or access any bid information.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

BLANKET ADDITIONAL INSURED ENDORSEMENT WITH LIMITED PRODUCTS-COMPLETED OPERATIONS COVERAGE

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

A. Section II - Who Is An Insured is amended to include as an insured any person or organization (called additional insured) whom you are required to add as an additional insured on this policy under a written contract or written agreement; but the written contract or written agreement must be:

1. Currently in effect or become effective during the term of this policy; and
2. Executed prior to the "bodily injury", "property damage" or "personal and advertising injury".

However:

1. The insurance afforded to such additional insured only applies to the extent permitted by law; and
2. If coverage provided to the additional insured is required by a contract or agreement, the insurance afforded to such additional insured will not be broader than that which you are required by the contract or agreement to provide for such additional insured.

With respect to the insurance afforded to these additional insureds, the following is added to Section III – Limits Of Insurance:

If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:

1. Required by the contract or agreement; or
2. Available under the applicable Limits of Insurance shown in the Declarations, whichever is less

This endorsement shall not increase the applicable Limits of Insurance shown in the Declarations.

B. The insurance provided to the additional insured is limited as follows:

1. That person or organization is an additional insured only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" caused in whole or in part by the following and only if the written contract or written agreement requires you to provide the additional insured such coverage:
 - a. Your acts or omissions in the performance of your ongoing operations for the additional insured; or
 - b. The acts or omissions of those acting on your behalf in the performance of your ongoing operations for the additional insured; or
 - c. "Your work" that is included in the "products-completed operations hazard" and performed for the additional insured, but only if this Coverage Part provides such coverage.
2. When coverage does apply to "bodily injury" or "property damage" arising out of the "products-completed operations hazard", such coverage will not apply beyond:
 - a. The date specified in the written contract or written agreement through which the insured must provide coverage; or
 - b. Five years from the completion of "your work" on the project which is the subject of the written contract or written agreement, whichever occurs first.
3. The insurance provided to the additional insured does not apply to "bodily injury", "property damage" or "personal and advertising injury" arising out of an architect's, engineer's, or surveyor's rendering of or failure to render any professional services including:
 - a. The preparing, approving or failing to prepare or approve maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; and
 - b. Supervisory or inspection activities performed as part of any related architectural or engineering activities.

- C.** As a condition of coverage provided to the additional insured by this endorsement:
- 1.** An additional insured under this endorsement will as soon as practicable:
 - a.** Give written notice of an occurrence or an offense to us which may result in a claim or "suit" under this insurance;
 - b.** Tender the defense and indemnity of any claim or "suit" to any other insurer which also has insurance for a loss we cover under this Coverage Part; and
 - c.** Agree to make available any other insurance which the additional insured has for a loss we cover under this Coverage Part.
 - 2.** We have no duty to defend or indemnify an additional insured under this endorsement until we receive written notice of a claim or "suit" from the additional insured.
- D.** The insurance provided to the additional insured by this endorsement is excess over any other insurance naming the additional insured as an insured whether primary, excess, contingent or on any other basis unless a written contract or written agreement specifically requires that this insurance be either primary or primary and noncontributing.
