CITY COUNCIL AGENDA ITEM

Date: June 5, 2023

To: Mark F. Miller, City Manager

From: Robert J. Bruner, Deputy City Manager
Megan E. Schubert, Assistant City Manager
Dee Ann Irby, Controller
Kurt Bovensiep, Public Works Director
Paul Trosper, Water & Sewer Operations Manager
Emily Frontera, Purchasing Manager

Subject: Standard Purchasing Resolution 2 – Award to Low Bidder Meeting Specifications – Water System Materials

History

- The Water and Sewer Division is responsible for new water service installations and maintenance, water main repairs and replacement, and Mueller hydrant repairs and replacement.
- In order to maintain these infrastructures, minimum quantities of parts are kept on hand.
- Water system materials will be purchased on an as needed basis to replenish inventories throughout the year at unit prices as specified and detailed in the bid tab.
- The current contract is expiring June 30, 2023.

Purchasing

- On May 18, 2023, a bid opening was conducted as required by the City Charter/Code for one (1) year requirements of Water System Materials.
- The bid was posted on the MITN Purchasing Group website, www.bidnetdirect.com//city-of-troy-mi.
- Three (3) bids were received. Below is a detailed summary of potential vendors.

Companies notified via MITN	111

MITN provides a resourceful online platform to streamline the procurement process, reduce costs, and make it easier and more transparent for vendors to do business with the City of Troy.

Active MITN members with a current membership and paying annual dues receive automatic electronic notification which allows instant access to Bids, RFPS and Quote opportunities with the City.

Active MITN non-paying members are responsible to monitor and check the MITN website for opportunities to do business with the City.

Inactive MITN member status can occur when a company does not renew their account upon expiration. Inactive members cannot be notified of solicitations or access any bid information.

- Based upon the bid responses and per the attached bid tabulation; it is in the City's best interest to award the contract to the overall low bidder as specified.
- Ferguson is the low bidder for five out of six items and is the low bidder overall, so to streamline the ordering process, it is more efficient to go with one company as opposed to breaking up the bid. Ferguson was awarded the current contract and has met all contract requirements while providing quality customer service. Therefore, *Ferguson Waterworks of Warren, MI* is the overall low bidder meeting specifications and pricing requirements and is being recommended for award.
