Subject: Standard Purchasing Resolution 2: Award to Low Bidder Meeting Specifications - Demolition of Buildings and Structures at 3500 John R Road, 5371 Rochester Road and Troy Farm Complex (partial) at 3305 and 3321 W South Blvd.

History

Site 11 (3500 John R Road, Sidwell #88-20-24-100-025)

- Consists of two parcels totaling 13 acres and was purchased in 2000 with the approval of Proposal C Bond.
- Over the years all structures have been removed except the garage.
- The garage was used as auxiliary storage for the Parks Department until it fell in disrepair.
- The site has been used as soccer fields and occasional staging area for construction projects.
- The site will remain open space upon the removal of the structures.

5371 Rochester Road (Sidwell #88-20-10-427-043)

- City Council authorized the purchase as part of the proposed improvements to Rochester Road at the August 21, 2023 meeting of the Troy City Council (Resolution #2023-08-122-J-10).

Troy Farm Complex (3305 and 3321 W South Blvd., Sidwell #88-20-06-200-007)

- The City of Troy purchased the Troy Farm property in 1970 that includes 70 acres of open farmland for the Stage Nature Center and the Troy Farm Park.
- In 1973 the City of Troy purchased an additional 5.45 acres of land that includes the farmstead structures.
- In 1978 the City of Troy constructed a restroom facility to mimic a barn and installed a modular classroom and a gravel parking lot.
- The amenities were used from 1975 through the mid 1990's by the Troy Parks and Recreation Department for a youth summer camp, Camp Kish-Ka-Ko and by the Stage Nature Center for seasonal Junior Naturalist classes.
- During the 1980's the Parks and Recreation Department planted pumpkins in the field along South Blvd. and installed raised bed gardens for senior citizens. In the 1990's, at the request of the seniors using the gardens, a fence was constructed around the senior gardens to exclude the deer.

CITY COUNCIL AGENDA ITEM

- The large farmhouse has been largely unoccupied and used for storage throughout much of the city’s ownership, except from 1981-1985 when a Stage Nature Center Employee lived there.
- The smaller house was used by summer interns hired by the Troy Parks and Recreation Department, but has not been occupied since the 1990’s.
- The Garage/Workshop has only been used for storage and a workshop since ownership.
- The large farmhouse, garage/workshop, classroom, and restroom facility have fallen into disrepair as a result of their lack of use and maintenance since the recession.
- Five of these structures have fallen into severe disrepair and need removal:
 - 1917 large farmhouse
 - 1950’s smaller house and garage
 - 1980’s restroom facility and classroom
- The farm property, while old, is not listed on any historic registry.
- The Executive Director of the Troy Historical Society was invited to tour the property to gauge interest in the home as well as any of the contents. There was no interest.
- On October 9, 2021 the Field School from Eastern Michigan University also toured the farm property as an opportunity to study and apply what they have learned to a property that is old, but not classified as historic, and owned by a government or non-profit that has fallen into disrepair.
- Troy City Council approved the remediation of the property at the December 4, 2023 meeting of the Troy City Council (Resolution #2023-12-173-J-4b).
