CITY COUNCIL AGENDA ITEM

0

Date: June 23, 2025

- To: Frank A. Nastasi, City Manager
- From: Robert J. Bruner, Deputy City Manager Chris Wilson, Assistant City Manager Kyle Vieth, Controller Kurt Bovensiep, Public Works Director Jason Schmidt, Water & Sewer Operations Manager Emily Frontera, Purchasing Manager
- Subject: Standard Purchasing Resolution 2 Award to Low Bidder Meeting Specifications Water System Materials

<u>History</u>

- The Water and Sewer Division is responsible for new water service installations and maintenance, water main repairs and replacement, and Mueller hydrant repairs and replacement.
- In order to maintain these infrastructure assets, minimum quantities of parts are kept on hand.
- Water System Materials will be purchased on an as needed basis to replenish inventories throughout the year at unit prices as specified and detailed in the bid tabulation.
- The current contract is expiring June 30, 2025.

Purchasing

- On May 22, 2025, a bid opening was conducted as required by the City Charter/Code for one (1) year requirements of Water System Materials.
- The bid was posted on the MITN Purchasing Group website, www.bidnetdirect.com//city-of-troy-mi.
- Two (2) bids were received. Below is a detailed summary of potential vendors.

- The bid pricing was reviewed and analyzed by line item. Based on the bid results, it is recommended to award contracts to the low bidders meeting specifications by line item.
- Ferguson Enterprises LLC was awarded item #2, lines 15 & 16 based on the type of bend. The swivel type of bend that was quoted from Core & Main LP does not meet specifications and is not an approved alternate to the preferred Mueller bend.

500 West Big Beaver Troy, MI 48084 troymi.gov

CITY COUNCIL AGENDA ITEM

- Item #3 was awarded to Ferguson Enterprises LLC based on lower manufacturer pricing as both vendors quoted a 50% list discount.
- Item #5 was awarded to Core & Main LP because Powerseal is the preferred manufacturer as stated in the bid specifications. Powerseal stainless steel tap saddles are preferred based on performance and reliability in the field.

Financial

Funds are available in the operating budgets for the Water and Sewer Division for the 2026 Fiscal Year. These funds will be expensed primarily from three accounts; Maintenance of Mains 591.537.541.740.010, Maintenance of Service 591.537.542.740.010, and Maintenance of Hydrants 591.537.544.740.010.

Recommendation

City Management recommends awarding one (1) year contracts for Water System Materials to the low bidders meeting specifications by line item, for an estimated total cost of \$266,012.50, at unit prices contained in the bid tabulation opened May 22, 2025; to be ordered on an as needed basis; contracts expiring June 30, 2026.
